Grace Mothers

Everyone deserves to be loved. But with constant abuse from his step-father and his mother's contempt, Christian Goodley isn't so sure. Being gay in high school is hard enough. Also being the black sheep in the family with only one friend in the world makes life damn near impossible to bear. But when Christian's path crosses with a new teacher his senior year, a ray of hope brings new life and meaning to his world. Damien Duvel, a recent college graduate and History teacher, forges a bond of friendship with Christian that the young man so desperately needs. As their relationship evolves and matures the rumor mill in the school starts turning. Hushed whispers and sidelong glances turn to outright accusations. For both Christian and Damien it would seem that fate had brought them together. But with so many factors conspiring against them, it is unclear whether they can tow the fine line they walk without stepping away unscathed emotionally or physically.

Her Mother's Daughter

The compelling story of heroic women across the country who, despite personal trauma, found grace in difficult times and transformed their personal adversity into pay-it-forward wins by founding nonprofits that help and sustain others, mother to mother. In the midst of environmental chaos, economic uncertainty, and an endless array of health issues, mothers remain the backbone of our families and exponentially impact their communities. Such is the case of the brave women featured in *A Mother's Grace: Healing the World One Woman at a Time*. Author Michelle Moore is founder and executive director of Mother's Grace, an award-winning nonprofit organization that supports thousands of mothers and their children in crisis each year. She endured overwhelming trauma as a young girl when her mother died suddenly, and later struggled with divorce, cancer, and a son with juvenile diabetes. She begins by recounting how women in her circle of mom friends helped heal her childhood wounds and empowered her to claim victories in adulthood. Along the way, through divine intervention, she meets the ten remarkable women featured here whose personal tragedy-to-victory stories changed her forever. Readers seeking guidance during the challenging times we all face in life will find inspiration and hope as they meet mothers who have lived through dire poverty, the death of a child, a spouse's suicide, terminal childhood cancer, and devastating natural disaster. The poignant and powerful stories of how each found the grit and grace to not only defeat these challenges but also turn them around to impact the world is enlightening and motivating. Finally, Moore calls readers to rise from the depths of their challenges and gives them the tools to do so. Lessons from the moms in this book provide specific life strategies anyone can use to improve her situation and the world around her—one woman at a time.

The Joy of the Gospel

With a supernatural undercurrent, *The Fourth Marker* is the story of an elderly man, Gabriel Townsend, whose spirit is being crushed between the metaphoric

anvil of his pragmatic views and the falling hammer of his wife's pending death. The story revolves around a family, the Townsends, whose heritage is partly Native American. The United States' Indian Removal Act of 1830, which resulted in the Trail of Tears episode in American history, required all indigenous people, with few exceptions, to leave their tribal lands in the southeast and east, along the eastern seaboard. Some Lenape (Delaware) tribal members on the Delmarva Peninsula as well as other areas in the east, defied the government and remained on their ancestral lands, hiding from authorities in the Great Pocomoke Forest, outlying islands, and swamps on the southern peninsula. A conscious decision to "hide in plain sight" or not, they eventually intermarried and bred with local whites, African-Americans, and mulattoes. Many families whose ties to Delmarva date back a hundred years or more share a heritage with those aboriginal people; however, the prejudice and racial bias of a bygone era caused many to ignore - even deny - their lineage. In the story, while a child on the family farm during the Great Depression, Gabe Townsend rejected legends of his Native American ancestors and ignored miraculous cures of family members. Gabe's half-breed grandfather, Noopah, tried to teach him tribal legends and the old ways, explaining that, after most Indians had been killed or driven from their lands by the Army and settlers, tribal elders returned to their lands in spirit form after their deaths. They dwelled at a sacred hill on the family's land and protected their descendants from early death and white man's diseases. During those years, three family members were cured of life-threatening diseases, but Gabe's mother blindly credited their recoveries to the nascent field of modern medicine. After each recovery, a person of evil character and not of tribal blood disappeared, followed by the mysterious appearance of a wood marker on the sacred tribal hill. Yet, despite those events and Noopah's words, Gabe adhered to his mother's intractable views. Now facing the loss of his wife, he relives his childhood memories, guided by the spirit of his grandfather from beyond - well beyond - the grave. Finally understanding the truth of long ago, he decides to beg the tribal spirits to take his life in exchange for his wife's, aware that a fourth marker would signify his own life - and death. As Gabe's father noted, "some understand only what they see; others see only what they understand." The Fourth Marker highlights this most human of vices against the backdrop of Native American legends with ample helpings of farm life during the Great Depression.

Amazing Grace For The Catholic Heart

The bestselling author of *A Rose for the Crown* and *Daughter of York* takes a young woman that history noticed only once and sets her on a quest for the truth about the murder of two boys and a man who claims to be king. All that history knows of Grace Plantagenet is that she was an illegitimate daughter of Edward IV and one of two attendants aboard the funeral barge of his widowed queen. Thus, she was half sister of the famous young princes, who -- when this story begins in 1485 -- had been housed in the Tower by their uncle, Richard III, and are presumed dead. But in the 1490s, a young man appears at the courts of Europe claiming to be Richard, duke of York, the younger of the boys, and seeking to claim his rightful throne from England's first Tudor king, Henry VII. But is this man who he says he is? Or is he Perkin Warbeck, a puppet of Margaret of York, duchess of Burgundy, who is determined to regain the crown for her York family? Grace Plantagenet finds herself in the midst of one of English history's greatest mysteries. If she can discover the fate of the princes and the true identity of Perkin Warbeck, perhaps she will find her own place in her family.

Hymns for a Mother's Heart

The third millennium. It's a time of tremendous opportunity for the church--and tremendous challenge. More than ever, pastors need a model for ministry that can equip them for the rigors of a restless, increasingly secularized culture. In *The 21st Century Pastor*, David Fisher explores the apostle Paul's concept of ministry to offer a paradigm that is both biblical and relevant. Paul's view is fleshed out with examples from Fisher's own twenty-five years of pastoral experience, presenting a roadmap for today's pastor that is scholarly, practical, dynamic, and inspiring. *The 21st Century Pastor* first addresses crucial issues of pastoral identity, the significance of geography, time, and ecclesiology. It then explores Paul's metaphors for ministry (jars of clay, farmers and builders, servants and stewards, and others) to reveal an accurate portrait of an effective, biblical pastor--the kind who will speak to the heart of modern culture rather than languish on its fringes. Filling the rare role of a pastor to pastors, Fisher's sage insights help pastors answer their own identity questions, empowering them to minister to a deeply needy society. Says Fisher, "Pastors who know what time it is will, in the name and

Katrina's Grace: Wind, Water and Wisdom takes us on Sandra's journey of recovery from Hurricane Katrina. Join her from a pre-hurricane fall that left her helpless and found her at her daughter's home waiting and wondering what was happening in Gulfport, to first sight of her destroyed home, car, and treasures. The journey continues through a lifetime of memories as lost treasures were unearthed, to the streams of volunteers who came to help her wade through the upheaval, build a temporary living space, and care for her neighbors and others in the community. As we read Sandra's story, we remember our own grief and loss after Katrina or similar disaster experiences. This story speaks not only to the survivors, but to disaster responders who come to pick up the pieces yet don't hear the rest of the story of those with whom they shared an hour or a week, and finally they and all readers are able to feel the pain around the disasters where they served. Additionally, it provides insight for volunteers going into disaster work. A powerful yet sensitive story of dwelling in Grace and the incredible gifts of Grace from nature; from those who prayed, sent gifts, and came; and from living memories. Weaving reflections on lost treasures with journal excerpts, poetry, stories of those who came to help, sent needed materials and supplies, and also prayed, Sandra Price presents stories from a heart-breaking disaster. Katrina's Grace invites us into the depth of Sandra's soul and on into the depth of our own souls. As we read her story, we remember our own disasters and weep, laugh and ponder. And we can understand why Sandra said of Katrina, "I wouldn't have missed it for the world."

The Complicated Heart

How do you forgive when the wound is still open? People often ask Sarah, "How did you forgive your alcoholic mother?" How do you forgive someone who carelessly brushed aside your pain, who caused such destruction, and who doesn't show remorse? How do you know when to stay and when to go? In *The Complicated Heart*, you will travel through Sarah's story with her, from age 14 and beyond, as she wrestles with these very questions. Prepare yourself: she holds nothing back. If you've struggled with a difficult relationship, if you've felt torn-up and crazy and confused because of it, if you just want to know how to move forward and be okay, this story is for you. Dysfunction does not have to be your destiny or your identity. Victory is on the table. What's more: you'll not only travel with Sarah, you'll travel with her mom as well as you read her mom's journal entries and letters. What goes on in the mind of the person who hurt you the most? In this story, you'll get a rare peek into that mind and heart. In these pages you'll be reminded that light always finds a way in, even in the deepest darkness, and redemption and joy are possible in the midst of trauma and unmet needs. If you want to learn how to forgive when your wound is still open, heal when circumstances don't change, and become a generational bondage-breaker, *The Complicated Heart* is for you. And if not for you, for someone you know. Pass it along.
