## **Southern Gods**

Recent World War II veteran Bull Ingram is working as muscle when a Memphis DJ hires him to find Ramblin' John Hastur. The mysterious blues man's dark, driving music—broadcast at ever-shifting frequencies by a phantom radio station—is said to make living men insane and dead men rise. Disturbed and enraged by the bootleg recording the DJ plays for him, Ingram follows Hastur's trail into the strange, uncivilized backwoods of Arkansas, where he hears rumors the musician has sold his soul to the Devil. But as Ingram closes in on Hastur and those who have crossed his path, he'll learn there are forces much more malevolent than the Devil and reckonings more painful than Hell In a masterful debut of Lovecraftian horror and Southern gothic menace, John Hornor Jacobs reveals the fragility of free will, the dangerous power of sacrifice, and the insidious strength of blood.

## **Heaven's Shadow**

Follows the adventures of young Ven, a hobbit-like youth who is eventually befriended by a ship's captain and placed in the care of the captain's wife, an inn-keeper who oversees orphaned charges and an array of eccentric boarders. Reprint.

Get an intimate look at the cult filmmaker of our generation. Packaged in a handsome slipcase and loaded with stunning pictures from the Kobal archives, this biography explores the genesis of Tarantino's unique directorial style and provides insight into his inspirations and his frequent collaborations with favored actors. An 8-page foldout timeline presents Tarantino's entire filmography in the heart of the book. Through in-depth and informative text written by renowned film journalist Ian Nathan, this book examines the entirety of Tarantino's work, including his early writing on screenplays such as True Romance and Natural Born Killers, his breakout directorial debut Reservoir Dogs and the career-defining Pulp Fiction, as well as his later iconic films, such as Kill Bill Volumes 1 and 2, Inglourious Basterds, and Django Unchained. You'll also go behind the scenes of Tarantino's latest epic, Once Upon a Time in Hollywood. As you make your way through Tarantino's incredible career, discover what inspired him, his working methods, and the breadth of his talent. With a visually arresting design that mimics Tarantino's approach to filmmaking and chapters organized by film, the pages are brimming with images taken on set and behind the scenes. This is the ultimate celebration for any Tarantino fan.

## **Doomstalker**

The Industrial Revolution has escalated into all-out warfare. It has been eighteen years since the Heterodyne Boys, benevolent adventurers and inventors, disappeared under mysterious circumstances. Today, Europe is ruled by the Sparks, dynasties of mad scientists ruling over — and terrorizing — the hapless population with their bizarre inventions and unchecked power, while the downtrodden dream of the Hetrodynes' return. At Transylvania Polygnostic University, a pretty, young student named Agatha Clay seems to have nothing but bad luck. Incapable of building anything that actually works, but dedicated to her

studies, Agatha seems destined for a lackluster career as a minor lab assistant. But when the University is overthrown by the ruthless tyrant Baron Klaus Wulfenbach, Agatha finds herself a prisoner aboard his massive airship Castle Wulfenbach — and it begins to look like she might carry a spark of Mad Science after all.

## **Girl Genius**

The Martian Cat The Martian Cat is a grim, adult satire that seeks to discredit the crazy idea of sending humans to live on Mars. In the story, space engineer Charlie Darling is the only one of 120 passengers on the Inter-Planet shuttle to arrive at the Mars Resort alive. He finds the resort destroyed, and all but one of the Mars colonists dead. The only survivor is a deranged female medic called Maddy whose driving quest is to prove that the ailment called Martian Madness is caused by fungus growing in the human brain. Driven to despair by this grim situation, Charlie finds solace in the Martian Cat, an emaciated feline who just wants to avoid becoming someone's meal. Charlie and the Martian Cat have little chance of survival, on their own. Will their odds improve if they stick together?

## **Girl Genius: Agatha Heterodyne and the Beetleburg clank**

Adventure, Romance, Mad Science! Agatha is the last of the Heterodynes—a notorious family of Mad Scientists that everyone had thought safely wiped out. When a rival scientist traps her family castle and the surrounding town in a time-freeze, Agatha must embark on a journey to find a way to reverse the effect and save the people she loves.

## **Girl Genius**

The world grows colder with each passing year, the longer winters and ever-deepening snows awaking ancient fears within the Degan Packstead, fears of invasion by armed and desperate nomads, attack by the witchlike and mysterious Silth, able to kill with their minds alone, and of the Grauken, that desperate time when intellect gives way to buried cannibalistic instinct, when meth feeds upon meth. For Marika, a young pup of the Packstead, loyal to pack and family, times are dark indeed, for against these foes, the Packstead cannot prevail. But awakening within Marika is a power unmatched in all the world, a legendary power that may not just save her world, but allow her to grasp the stars themselves. From Glen Cook, author of the Black Company and Dread Empire novels. The first book in the Darkwar series.

## **Agatha H. and the Siege of Mechanicsburg**

## **Girl Genius -Agatha H and the Airship City**

The science fiction epic of our time has arrived. Three years ago, an object one hundred miles across was spotted on a trajectory for Earth's sun. Now, its journey is almost over. As it approaches, two competing manned vehicles race through almost half a million kilometers of space to reach it first. But when they both arrive on the entity, they learn that it has been sent toward Earth for a reason. An intelligent race is desperately attempting to communicate with our primitive species. And the message is: Help us.

## **Kiddography**

Contains an all-new afterword by New York Times best-selling author Larry Correia! Welcome to Monster Hunter International. Five days after Owen Zastava Pitt pushed his insufferable boss out of a fourteenth story window, he woke up in the hospital with a scarred face, an unbelievable memory, and a job offer. It turns out that monsters are real. All the things from myth, legend, and B-movies are out there, waiting in the shadows. Officially secret, some of them are evil, and some are just hungry. On the other side are the people who kill monsters for a living. Monster Hunter International is the premier eradication company in the business. And now Owen is their newest recruit. It's actually a pretty sweet gig, except for one little problem. An ancient entity known as the Cursed One has returned to settle a centuries old vendetta. Should the Cursed One succeed, it means the end of the world, and MHI is the only thing standing in his way. With the clock ticking towards Armageddon, Owen finds himself trapped between legions of undead minions, belligerent federal agents, a cryptic ghost who has taken up residence inside his head, and the cursed family of the woman he loves. Business is good . . . . At the publisher's request, this title is sold without DRM (Digital Rights

Management). Lexile Score: 710

## **Bystander 27**

In the tradition of Honor Harrington and the high-flying *Temeraire* series, Bennis's *THE GUNS ABOVE* is an adventurous military fantasy debut about a nation's first female airship captain. They say it's not the fall that kills you. For Josette Dupre, the Corps' first female airship captain, it might just be a bullet in the back. On top of patrolling the front lines, she must also contend with a crew who doubts her expertise, a new airship that is an untested deathtrap, and the foppish aristocrat Lord Bernat, a gambler and shameless flirt with the military know-how of a thimble. Bernat's own secret assignment is to catalog her every moment of weakness and indecision. So when the enemy makes an unprecedented move that could turn the tide of the war, can Josette deal with Bernat, rally her crew, and survive long enough to prove herself? "Full of sass and terrific characters. Great storytelling. Loved it." —Patricia Briggs

## **Agatha H. and the Siege of Mechanicsburg**

In the third installment of the *Girl Genius* novels, *Agatha H. and the Voice of the Castle* begins as Agatha Heterodyne returns to her ancestral home, the warped little town of Mechanicsburg. There she must claim her inheritance by convincing the artificial intelligence that animates her family's castle that she is, in fact, the new Heterodyne. But this apparently simple task is made complicated in several ways: An imposter claiming to be the legitimate heir appears. The Empire is convinced that Agatha is the person responsible for the Long War (and to be fair, they are not entirely incorrect). And, worst of all, the Castle itself is insane. From the Hugo Award-winning *Girl Genius* online comics comes this third book in the *Agatha H.* trilogy; and just like the first two, *Agatha H. and the Voice of the Castle* will grab you from the first page and not let go!

## **The Floating Island**

Girl Genius, the multiple Hugo Award-winning steampunk webcomic by Phil and Kaja Foglio, now collected in hardcover! The Industrial Revolution has become all-out war! Mad Scientists, gifted with the Spark of genius, unleash insane inventions on an unprepared Europe. For centuries, the Heterodyne family of inventors kept the peace, but the last Heterodyne disappeared twenty years ago, leaving their

ally Baron Klaus Wulfenbach to maintain order with his fleet of airships and army of unstoppable, if not very bright, Jaeger Monsters. At Transylvania Polygnostic University, Agatha Clay dreams of being a scientist herself, but her trouble concentrating dooms her to be a lowly minion at best. When her locket, a family heirloom, is stolen, Agatha shows signs of having the Spark in a spectacular, destructive fashion and captures the attention of the Baron--and the Baron's handsome young son, Gilgamesh. Swept up to the Baron's Airship City, Agatha finds herself in the midst of the greatest minds of her generation, as well as palace intrigue, dashing heroes, and an imperial cat. Agatha may be the most brilliant mind of her generation and the key to control of the continent, but first, she just has to survive.
