In the Beginning

From angels and the afterlife to suffering and Divine providence, The God Book addresses all things spiritual through classic works of Jewish philosophy. Works summarized include the Rambams Moreh Nevuchim (Guide for the Perplexed), Ramchals Derech Hashem (Way of God), ibn Pakudas Chovos HaLevavos (Duties of the Heart) and Hilchos Deios from the Rambams Mishneh Torah.

Hammer of God

In the Beginning: Science Faces God in the Book of Genesis. The beginning of time. The origin of life. In our Western civilization, there are two influential accounts of beginnings. One is the biblical account, compiled more than two thousand years ago by Judean writers who based much of their thinking on the Babylonian astronomical lore of the day. The other is the account of modern science, which, in the last century, has slowly built up a coherent picture of how it all began. Both represent the best thinking of their times, and in this line-by-line annotation of the first eleven chapters of Genesis, Isaac Asimov carefully and evenhandedly compares the two accounts, pointing out where they are similar and where they are different. "There is no version of primeval history, preceding the discoveries of modern science, that is as rational and as inspiring as that of the Book of Genesis," Asimov says. However, human knowledge does increase, and if the biblical writers "had written those early chapters of Genesis knowing what we know today, we can be certain that they would have written it completely differently." Isaac Asimov brings to this fascinating subject his wide-ranging knowledge of science and history--and his award-winning ability to explain the complex with accuracy, clarity, and wit.

Luke

Politics is a work of political philosophy by Aristotle, a 4th-century BC Greek philosopher. The end of the Nicomachean Ethics declared that the inquiry into ethics necessarily follows into politics, and the two works are frequently considered

to be parts of a larger treatise, or perhaps connected lectures, dealing with the "philosophy of human affairs." The title of the Politics literally means "the things concerning the polis." Aristotle's Politics is divided into eight books which are each further divided into chapters. Citations of this work, as with the rest of the works of Aristotle, are often made by referring to the Bekker section numbers. Politics spans the Bekker sections 1252a to 1342b. After studying a number of real and theoretical city-states' constitutions, Aristotle classified them according to various criteria. On one side stand the true (or good) constitutions, which are considered such because they aim for the common good, and on the other side the perverted (or deviant) ones, considered such because they aim for the well being of only a part of the city. The constitutions are then sorted according to the "number" of those who participate to the magistracies: one, a few, or many. Aristotle's sixfold classification is slightly different from the one found in The Statesman by Plato. The diagram above illustrates Aristotle's classification. The literary character of the Politics is subject to some dispute, growing out of the textual difficulties that attended the loss of Aristotle's works. Book III ends with a sentence that is repeated almost verbatim at the start of Book VII, while the intervening Books IV-VI seem to have a very different flavor from the rest; Book IV seems to refer several times back to the discussion of the best regime contained in Books VII-VIII. Some editors have therefore inserted Books VII-VIII after Book III.

Dual Sword God

When Neale Donald Walsch was experiencing a low point in his life, he decided to write a letter to God. What he did not expect was a response and the result was Conversations with God Book 1. In Book 2, the dialogue expands to deal with the more global topics of geopolitical and metaphysical life on the planet, and the challenges now facing the world. This incredible series contains answers that will change you, your life, and the way you view other beings.

Conversations with God

Selections from the Book of Psalms

Beginning with God: Book 3

When Neale Donald Walsch was experiencing a low point in his life, he decided to write a letter to God. What he did not expect was a response and the result was Conversations with God Book 1. In Book 2, the dialogue expands to deal with the more global topics of geopolitical and metaphysical life on the planet, and the challenges now facing the world. This incredible series contains answers that will change you, your life, and the way you view other beings.

Conversations With God, Book 3

The author provides theological reflections and personal anecdotes to describe the

cultural shift of Christian focus from God to humanity in general and explains a stronger trust in the Genesis creation stories will increase trust in God and improve humanity.

40 Days

Time is finally running out. Mankind, with its wickedness and false religion, is reaching a point of no return, and Noah must fulfill God's plan. Noah has experienced tragedy and loss yet has chosen to stand fast in his faith in the Creator. Judgment is approaching - but vengeance still stalks this righteous man who must do what has never been done to save the last remnants of this lost, antediluvian world. This is the final book in the popular Remnant Trilogy. Provides a unique perspective into the events of the Flood and the Ark Including fascinating connections to the popular Ark Encounter Answers important questions about historical and biblical details

In the Beginning, GOD

Christians believe that religion began when God created human beings and revealed himself to them. But is there scholarly evidence for this belief? In the nineteenth century academic world a stormy debate took shape over the origin of religion. Scholars explored the ancient languages of mythology and then considered evolutionary anthropology. A dominant view emerged that religion began with animism -- the reverent honoring of spirits -- and from there evolved into higher forms, from polytheism on to monotheism. However, scholars Andrew Lang and Wilhem Schmidt contended there were cultures throughout the world -- pygmy people in Africa and Asia, certain Australian Aboriginal groups and Native American tribes -- that originated as monotheistic, acknowledging the existence of one supreme God who created the world and holds people accountable for living morally upright lives. The debate wore on, and Schmidt, a member of the Catholic order and a priest, was accused (without evidence) of letting his faith interpret the facts. By the mid-twentieth century a silent consensus formed among scholars not to discuss the origin and evolution of religion any further. The discoveries of Lang and Schmidt have since been largely ignored. However, the evidence on which these scholars based their conclusion of monotheism is still out there. In the Beginning God attempts to educate Christians about the debate on this topic, the facts that were accepted and those that were ignored, and the use to which Christians can put all of this material in making a case for the truth of Christianity.

Beginning with God: Book 2

A sinister character that orchestrated the ordeal in St. Augustine and the nightmare events in Green Cove Springs will make his presence known. And his return will signal mankind's doom.

American Gods

Conversations with God Book 1 began a series that has been changing millions of lives for more than ten years. Finally, the bestselling series is now a movie, starring

Henry Czerny (The Pink Panther and Clear and Present Danger) and Ingrid Boulting (The Last Tycoon). Produced and directed by Stephen Simon (producer of Somewhere in Time and What Dreams May Come) and distributed by Samuel Goldwyn Films and Fox Home Entertainment, the theatrical release is set for October 27, 2006. The movie is the true account of Walsch (played by Czerny), who went from an unemployed homeless man to an "accidental spiritual messenger" and author of the bestselling book

Conversations with God, Book 4

AND GOD SAID... Neale Donald Walsch didn't claim to be special or spiritually gifted. He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart. As he wrote his questions to God, he realized that God was answering them—directly—through Walsch's pen. And the result was a series of witty, provocative, and profound books that have changed the lives of readers around the world. Here in one handsome volume, with new introductions and afterwords, are the second two books in the Conversations with God series. In Conversations with God 2, Neale Donald Walsch and God continue their discussion and move on to larger topics than the personal issues addressed in Conversation with God 1. The pair discusses time, space, and politics. It is an honest look at some of the broad issues important to all of us on the planet. Conversations with God 3, the final book of the original three-book series, contains "universal truths of the highest order, and the challenges and opportunities of the soul." In this volume, the dialogue expands to include more about the nature of God, about love and fear, about who we are and who we may become. Here is also a profound dialogue about the culture, philosophy, and spirituality of highly evolved beings in other realms of the universe and how they have learned to view life, love, and the pursuit of happiness.

Angry God

In Ethrea, Rhian sits upon a precarious throne. Defiant dukes who won't accept her rule threaten the stability of her kingdom. Dexterity has been banished from her court in disgrace. The blue-haired slave Zandakar, the man she thought was her friend, has been revealed as the son of a woman sworn to destroy her world. And Rhian's husband, King Alasdair, is unsure of her love. The trading nations refuse to believe Mijak is a threat, and promise reprisals if she dares protect her realm. Only Emperor Han of mysterious Tzhung-tzhungchai knows that the danger from Mijak is real. But is he an ally, or an enemy in disguise? As she struggles to learn the truth, and keep her embattled crown, the murderous warhost of Mijak advances THE HAMMER OF GOD is the stunning finale in the Godspeaker trilogy, the new fantasy blockbuster from an author who is taking the fantasy world by storm.

The Grand Design

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

The God Book

We're in Trouble. But There Is Help . . . If We Listen. In the middle of the night on August 2, 2016, Neale Donald Walsch found himself drawn into a new and totally unexpected dialogue with God in which he suddenly faced two questions: Is the human race being offered help by Highly Evolved Beings from Another Dimension? Is there a key role that humans are being invited to play in advancing their own evolution by joining in a mutual mission to assist the planet during the critical times ahead? He was told that the answer to both questions is yes. Then he was given 16 specific examples of how Highly Evolved Beings respond to life differently than humans do--and how adopting even a few of those behaviors could change the course of world history for the better forever. That information makes up the body of this work. A striking invitation to every reader sets the stage for the extraordinary explorations that follow. Picking up where Book 3 in the Conversations with God Trilogy series left off, the revelations about Highly Evolved Beings and about how ordinary humans can answer the call to help awaken the species on Earth will breathtakingly expand your view of both your personal and your collective future. Which is exactly what the dialogue was intended to do.

Conversations with God

#1 NEW YORK TIMES BESTSELLER When and how did the universe begin? Why are we here? What is the nature of reality? Is the apparent “grand design” of our universe evidence of a benevolent creator who set things in motion—or does science offer another explanation? In this startling and lavishly illustrated book, Stephen Hawking and Leonard Mlodinow present the most recent scientific thinking about these and other abiding mysteries of the universe, in nontechnical language marked by brilliance and simplicity. According to quantum theory, the cosmos does not have just a single existence or history. The authors explain that we ourselves are the product of quantum fluctuations in the early universe, and show how quantum theory predicts the “multiverse”—the idea that ours is just one of many universes that appeared spontaneously out of nothing, each with different laws of nature. They conclude with a riveting assessment of M-theory, an explanation of the laws governing our universe that is currently the only viable candidate for a “theory of everything”: the unified theory that Einstein was looking for, which, if confirmed, would represent the ultimate triumph of human reason.

In the Beginning God

From New York Times bestselling author and pastor Timothy Keller, a book about facing the death of loved ones, as well as our own inevitable death Significant events such as birth, marriage, and death are milestones in our lives in which we experience our greatest happiness and our deepest grief. And so it is profoundly important to understand how to approach and experience these occasions with grace, endurance, and joy. In a culture that does its best to deny death, Timothy Keller--theologian and bestselling author--teaches us about facing death with the resources of faith from the Bible. With wisdom and compassion, Keller finds in the Bible an alternative to both despair or denial. A short, powerful book, On Death gives us the tools to understand the meaning of death within God's vision of life.

Conversations with God, Books 2 & 3

Beginning with God helps parents with young children to explore the Bible with their child.

The Complete Conversations with God

In the Bright Flame Kingdom, there exists a small town known as Machen Town. A boy of age 15 called Feng Yu was beaten to death by the son of the Xiang Clan. Upon his death, a soul that seemed to have traveled through time and space quickly took over the body. It was the soul of a martial arts expert from another world also bearing the name of Feng Yu. Seeing that he has been given a second chance of life he decided to take his new identity and his family with him on his journey to the peak of martial arts. This is the story of the Dual Sword God.

Conversations with God - Book 2

A single-volume gift compilation of the author's best-selling trilogy that began with Conversations with God, Book 1 shares lessons for spiritual seekers, in a boxed edition that features a new foreword. 40,000 first printing.

Conversations with God for Teens

Noah: Man of God

Beginning with God helps parents with young children to explore the Bible with their child.

The Burning God

Even adults struggle to understand our Creator - the infinite Being who seeks a personal relationship with each of us. Now children can begin to understand both God's Holy Word and the importance of Him in their lives - what He expects from them, why it is vital to follow His plan for their lives, and the love He has for them. Open the book and discover: Why can't I hear God talking to me? How big is God? What does God look like? Why do I get in trouble at school when I talk about the Bible? These important answers will empower children to live with godly values and help them to understand why it is so important that they obey God. The new Answers Book for Kids series is a unique collection from Ken Ham and the creative team at Answers in Genesis. This set is an ideal resource for your elementary homeschool or your Church library. This is the 3rd book of a 4-volume set.

Wrath of a Mad God

Suppose you could ask God any question and get an answer. What would it be? Well, young people all over the world have been asking those questions. This book is suitable for those who ever wanted to know if God is listening to them, if God can really help, if God cares about them, and if there is a God.

Their Eyes Were Watching God

In this personal, easy-to-read book, James Sire offers a basic introduction to the foundational beliefs of Christianity for seekers and believers who want to understand the central teachings of the Bible. The chapters in this expanded edition are organized around a simple scheme: creation, fall, redemption, new life in Christ, life in the church.

Conversations with God Omnibus

Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same.

On Death

Physical health influences spiritual and emotional health as well as the ability to minister effectively. As Ellen White said so succinctly: "The misuse of our physical powers shortens the period of time in which our lives can be used for the glory of God. And it unfits us to accomplish the work God has given us to do" (Christ's Object Lessons, p. 346). In this volume Dennis Smith invites you to spend 40 days continuing the work God has given you while exploring a wholistic view of health—the importance of caring for mind, body, and soul and the integral role of the health message during these last days of earth's history.

The Answers Book for Kids Volume 3

Raveler

Introducing the novel called, Loving Ashley: Book 1, which is "A Coffee Novel." The idea of the coffee novel is that it is an intriguing story short enough to read in one or two sittings for people who are love to read, but are busy and don't have time to get bogged down with a long complicated book. Grab your cup of coffee, or your favorite beverage, sit down, relax, read and enjoy! Ashley loses her father to being struck by lightning. And she lost her mother five years earlier. Her parents had always told her about God, but she always refused to come to God as a sinner to receive forgiveness by faith in Christ. Now she knew she needed God, but did not know how to come to Him. Would God give her another chance to become his child? Would Clide, an attractive young friend of her father's have the answer? Will Ashley find God and peace in Christ? Will she find romance, true love and marital bliss? Read to find out! What others are saying about this novel! "Julia Carrington draws from the depth of her relationship with God to connect her readers with His heart and His voice. She knows the language of God and writes encouraging her readers to know His voice and follow Him."--Theresa Croft, Kingdom Messenger

Network"Truly a touching story. I would love to read it all." --Carol Neal"Reads like a one-of-a-kind love story between a father and a daughter and the Lord. Anticipating the outcome and impact of "the letter" to the father upon the daughter " --Kate Hicks-YoungJulia Audrina Carrington is a world leader in the realm of Christian books and Christian novels as she is the best selling author of more than 350 Christian books and Christian novels. Glory to God. Get many of her books and novels and www.amazon.com by typing her name Julia Carrington in the search box on www.amazon.com. All her books and novels make great gifts for all occasions. Money from the sales of this book is used to help orphans around the world. It is Julia's desire to glorify God in all things.

Loving Ashley

Luke is raised as an orphan and a slave. He is adopted by Tribune Theophilus and travels the Roman world with him. Everywhere he goes, he searches for the father he dreams was not killed in the war after all. He meets the love of his life but loses her too. He climbs Mt Olympic to get their help and learned they do not exist.

The God Tools

Imagine if you could hear God speak. Imagine if you could sit down and speak to God about a wide range of subjects that are helpful to the Christian faith and have him respond to you. Matthew Robert Payne did exactly that over a period of time. He sat down and asked God to open up about the subjects covered in his previous book, Jesus Speaking Today. What follows is a number of intimate conversations with God. God shares his heart with Matthew in a way that is raw, honest, and candid. Peek inside the pages to see how God speaks to his friend who is interested in hearing from him. Listen in on these conversations as God gets personal and even emotional about the things that matter to him and that should ultimately matter to everyone. Matthew hopes that this book will encourage you to learn to hear from God for yourself and inspire you to journal what God says to you each day.

The Battle for God

Control over the corporations, control over the Colonial Orthodox Church, control over the Planetary Council, Z'Shoka control. All is at stake, but the most valuable prize is control over his own destiny.

Bake Through the Bible: 20 Fun Cooking Activities to Explore the Bible Story with Young Children

Discover the answers to the questions of God, meaning, and existence. This is the final book of the original three-book Conversations with God series. The series deals with "universal truths of the highest order, and the challenges and opportunities of the soul." In Book 3, the dialogue expands to include more about the nature of God, love and fear, who we are and who we may become, and the evolution of the human species that's about to take place. This is an engaging and profound conversation about the culture, philosophy, and spirituality of highly

evolved beings (some of whom we call “aliens,” or “ETs”) in other realms of the universe, and how they have learned to view life, love, and the pursuit of happiness. CWG3 is meant to inspire readers to look at their lives in new and fresh ways and to question everything. It encourages readers to embrace the mysteries of existence and to live each day with love and joy.

Consciousness of God Book 3: Control

The Darkwar rages, bringing bleak days of destruction and despair to Midkemia and Kelewan. To save both worlds, the powerful sorcerer Pug and select members of the mysterious Conclave of Shadows must journey deep into the dangerous realm of the bloodthirsty Dasati on an audacious mission that has little, if any, chance to succeed. In Midkemia, young warriors Tad and Zane and their fellow soldiers must protect the Kingdom from raiders. And Pug's beloved wife, Miranda, finds herself a prisoner of the Dasati and, even more ominously, of Pug's nemesis, the evil sorcerer Leso Varen. But salvation may come from a friend thought long dead—an unlikely ally whose remarkable powers will be sorely needed. For there is a momentous battle looming . . . a final, fevered onslaught against the most malevolent agents of evil ever known.

Politics

Bishop Dalton Burnett is a man of the Word who has a desire to see the plan of God come to maturity in the lives of His people. With his wife Pastor Sandra Burnett, Bishop pastors Harvestime Evangelistic Ministries in London UK, Birmingham and Pakistan. The expansion of the Kingdom of God is Harvestime Ministries' main business. 'We believe that the Blessing is being manifested every day in every way'. Luke 14:17-23 “Come for all things are now ready” is the benchmark for the ministry that God assigned to Bishop Burnett. The main goal is to go bring the halt, the lame, the maimed and the blind into the Kingdom of Christ. Bishop believes that years of tradition has kept the church from fully understanding, who we are in Christ, our position in the Kingdom of God and the power of Gods Word in our mouth. The Ministry is intent on bringing hurting people to Jesus ensuring that they understand who they really are, so they can experience total freedom in Christ. Bishop Burnett travels extensively round the world teaching and preaching the undiluted Word of Faith, with the Lord truly confirming his Word with signs and wonders following. The healing anointing has increased greatly and the power of God has been moving in a tremendous way. Bishop refuses to accept anything less and so God always responds to His Word voiced through this man of God. He is a spiritual father and has impacted and inspired many lives. Riv

The Descendants of God Book-3

BONUS: This edition contains an excerpt from Karen Armstrong's Twelve Steps to a Compassionate Life. In the late twentieth century, fundamentalism has emerged as one of the most powerful forces at work in the world, contesting the dominance of modern secular values and threatening peace and harmony around the globe. Yet it remains incomprehensible to a large number of people. In The Battle for God,

Karen Armstrong brilliantly and sympathetically shows us how and why fundamentalist groups came into existence and what they yearn to accomplish. We see the West in the sixteenth century beginning to create an entirely new kind of civilization, which brought in its wake change in every aspect of life -- often painful and violent, even if liberating. Armstrong argues that one of the things that changed most was religion. People could no longer think about or experience the divine in the same way; they had to develop new forms of faith to fit their new circumstances. Armstrong characterizes fundamentalism as one of these new ways of being religious that have emerged in every major faith tradition. Focusing on Protestant fundamentalism in the United States, Jewish fundamentalism in Israel, and Muslim fundamentalism in Egypt and Iran, she examines the ways in which these movements, while not monolithic, have each sprung from a dread of modernity -- often in response to assault (sometimes unwitting, sometimes intentional) by the mainstream society. Armstrong sees fundamentalist groups as complex, innovative, and modern -- rather than as throwbacks to the past -- but contends that they have failed in religious terms. Maintaining that fundamentalism often exists in symbiotic relationship with an aggressive modernity, each impelling the other on to greater excess, she suggests compassion as a way to defuse what is now an intensifying conflict.

Conversations with God Book 3: Let's Get Real!

Talen is in the hands of a powerful half-beast, a creature twisted for war, who is convinced the most merciful thing to do with Talen is kill him. But he might not have that chance, for Nashrud, the Divine sleth hunter, is hot on their trail. As they flee, the two can only hope the perils of the Wilds will save them, for if they are taken, both will become the tools of Mokad. Back on the coast, Sugar is sent to guide Argoth and a handful of warriors on a mission to assassinate Mokad's Skir Master. To succeed they're going to have to get through an army, patrols of dogmen, and at least 3,000 dreadmen. And that's just in the world of flesh, for Mokad also has forces in the world of souls. The odds against Talen and Sugar are immense. At the same time, their powers are awakening. And what they learn just might give mankind a chance against the army poised to annihilate them.

Beginning with God

A new baby is a wonderful gift from the Lord, bringing great joy but also sleepless nights, constant laundry and, sometimes, total exhaustion. It can be hard to read your Bible and pray. These bite-sized Bible readings from the book of Psalms are designed for you to dip into and be refreshed by the Lord. Also includes real-life stories, practical help and an A-Z of mothering.

New Baby Survival Guide (Blue)

"Mother. Of. All. Angst. This book is not for the faint of heart. It is rip-your-hair-out frustrating and full of depth and emotion." - Lana, DG Romance. From #1 Amazon Bestseller L.J. Shen comes a new, angsty standalone new adult novel about first love, second chances, and overcoming breathtaking losses at a young age. Vaughn Spencer. They call him an angry god. To me, he is nothing but a heartless prince.

His parents rule this town, its police, every citizen and boutique on Main Street. All I own is a nice, juicy grudge against him for that time he almost killed me. Between hooking up with a different girl every weekend, breaking hearts, noses and rules, Vaughn also finds the time to bully little ole' me. I fight back, tooth and nail, never expecting him to chase me across the ocean after we graduate high school. But here he is, living with me in a dark, looming castle on the outskirts of London. A fellow intern. A prodigal sculptor. A bloody genius. They say this place is haunted, and it is. Carlisle Castle hides two of our most awful secrets. Vaughn thinks he can kill the ghosts of his past, but what he doesn't know? It's my heart he's slaying.
