The Australian Journal

The High Priesthood of Being gay is a labor of love over 12 years in the writing. It included numerous, often exhausting, edits for accuracy and truthfulness. Its a bold attempt to separate out Being and Nothingness in what it is to be gay. Both sacred and profane, emotional and intellectual, it will expand the readers thought processes and I hope ennoble him at the same time. Thats by showing the latent high priest deeply enshrined within.

Gems from the Best Authors, Grave and Gay

Straight from Your Gay Best Friend

The Peterson Magazine

This is a private war formally declared between Tony and the inhabitants of the White Priory. British airman Dym Ingleford is convinced that young Max Eckermann is his brother, Anthony, who was kidnapped years before. Raised in the Nazi ideology, Tony has by chance tumbled into British hands. Dym has brought him back, at least temporarily, to the family he

neither remembers nor will acknowledge as his own. As Tony uses his nine attempts to escape, his stubborn anger is wittled away by the patient kindness he finds at the White Priory. Then, just as he is resigning himself to the English family, a new chance suddenly opens for him to return home to Germany.

Brothers of the Night

His brother's keeper

Same-sex intimacy, particularly between males, can be a challenge to maintain for gay and bisexual men, and extremely threatening to heterosexual men. Are You Guys Brothers?, a question asked of male couples throughout the world, is a very personal and candid look at the topic through the lens of an immensely happy and successful 32-year relationship. Brian McNaught and Ray Struble, both Irish Catholic, Midwestern children of seven, met in Boston in their twenties as one was beginning a career as a "gay activist" and the other was entering the world of commercial banking. Their love became the envy of their families and friends, marked by open communication, good humor, patience, and spirituality. They would need all four to navigate the mine-filled waters of childhood sexual abuse, alcoholism, intense religious and political opposition, dramatically-disparate incomes, a sexually-open relationship, aging, erectile dysfunction, and an often unsupportive and frequently dysfunctional gay community. Today, they are officially married, and the "gay activist" is now educating his spouse's former Wall Street colleagues on gay issues in offices around the world. This book is funny, deeply moving, and highly instructive, of particular interest to gay men and women who seek guidance in building and maintaining their relationships, and to heterosexual men and women worldwide who want to better understand not only gay people but also how to get past the roadblocks to intimacy in their own relationships.

The Bulletin

Gay Emperor Too Prickly

Are You Guys Brothers?

The Emperor was like Long Yang, unapproachable. The preposterous Emperor gave an order, amongst all the imperial concubines in the imperial harem, any prince or teacher would be the empress. But the father of the prince had to be

chosen by the emperor. As the saying goes, "fat water cannot fall into the hands of outsiders."The Emperor gave his imperial concubines to his brothers one by one.When the stubborn Imperial Concubine Chen An Bihan heard the imperial edict, she immediately chose to fight him with her life on the line.He never thought that Wan Qiu would actually look the same as the Imperial Concubine Chen. Furthermore, it was the dead of night for her to wear the same clothes in the Imperial Concubine Chen's palace.Unable to endure imperial maiden's begging, Wan Qiu actually agreed to replace the Imperial Concubine Chen.Mother, this emperor is actually as good as Long Yang, all the Goddess in the palace are actually in their proper clothes.But there was no need to give them all away, was there?

When Shane Greenly left his home in Casper Mountain, Wy, he was leaving more than just the closet. He needed a fresh start to pursue his dream of running a dog training ranch without having to deny who he really is. Meeting Alex was one of the best things that could have happened to Shane. They were at the beginning of a wonderful relationship when the unthinkable happened and Shane had to leave. The consequences of his past mistakes could not be hidden any longer.

The Gay Militants

Gay in America

Provides readers and readers' advisors with an introduction to twentieth-century gay, lesbian, bisexual, and transgendered literature, with plot summaries, information about awards, and often suggestions for read-alikes.

The Pickwick papers. Pictures from Italy. American notes. Bleak house. The uncommercial traveller. A child's history of England. Barnaby Rudge. Miscellaneous. The mystery of Edwin Drood

Phi Beta Pi Quarterly

I could never have imagined what the future had in store for me and my Castro Street friends when I began a memory book in 1985. This is my memoir of more than ninety people I knew in San Francisco who died of AIDS. It was the decimation of a thriving culture in just over a decade. Who cares? We all should.

When It's Right

Best Gay Erotica

Presents a photographic survey documenting the lives of gay men from across the United States.

The Three Brothers

Growing Up Gay

A brilliant examination of Robert Mugabe dictatorship and the nature of modern tyranny, written by an award winning novelist and journalist. Christopher Hope met his first dictator when he was 6 years old. Dr Henrik Verwoerd was a neighbour of the Hope family and went on to become the architect of apartheid. He was the first, but not the last. In this remarkable book, Christopher Hope searches out the unmistakable 'perfume' that marks out a tyrant, a tyrant like Robert Mugabe. Hope though the days of Verwoerd were gone until Robert Mugabe began to mimic the old Doctor. Hope dissects the person and presumption of Mugabe, the mixture of terror and comedy that makes up his dictatorship. Furthermore Perfume of a Tyrant describes the nature of modern tyranny, its wild paranoia, its murderous conviction of righteousness, its narrow depleted vocabulary and its inability to concede power, however small. Even though modern tyranny is not exclusively Zimbabwean, African or European, in Robert Mugabe is its leading exponent

Gleanings from popular authors, grave and gay

Can deeply held religious beliefs justify murder? It was a question Reverend John Blake thought he knew the answer to as he became one of the rising stars in the Marriage Defense League. It was a question he thought he knew the answer to as he and his wife Vicki raised three fine sons. It was a question he thought he knew the answer to as he guided parishioners in his church through their confusion and despair over having raised a gay child. It was a question he thought he knew that

answer to until on act of senseless brutality showed Reverend John Blake. He was wrong.

The Peterson Magazine

Finn and his younger brothers, Leo and Ooley, love reading stories about animals living in forests, on mountains or in the arctic. “When I grow up,” says Finn, “I want to be an explorer and travel around the world. I want to see wild animals and strange birds.” “Why wait?” asks Leo. And so, the next morning, they wake up early and set out on a snowy expedition to search for wild animals. In their grandfather’s time, the forest was full of animals — but today the forest is quiet. Where have the animals gone? This gentle adventure story about the effects of climate change ends on a hopeful note.

Encyclopedia of Gay Histories and Cultures

Historic writings by socialists, LGBT activists, environmentalists, and more: “An extraordinary collection of the voices of American dissidents.” —Howard Zinn Protest Nation is a guide to the speeches, letters, broadsides, essays, and manifestos that form the backbone of the American radical tradition in the twentieth century. With examples from socialists, feminists, union organizers, civil-rights workers, gay and lesbian activists, and environmentalists that have served as beacons for millions, the volume also includes brief introductory essays by the editors that provide a rich biographical and historical context for each selection. Included are: *a fiery speech by socialist Eugene V. Debs *an astonishing treatise on animal liberation by Peter Singer *an excerpt from Silent Spring by Rachel Carson *Harvey Milk’s “The Hope Speech” *the original Black Panther Party Platform *Peter Singer’s astonishing treatise on animal liberation *plus writings from Upton Sinclair, Charlotte Perkins Gilman, Betty Friedan, Malcolm X, César Chávez, and more

Grave and gay, a monthly magazine

Protest Nation

In today’s society, from the inner-city to suburban America, nearly every woman has a gay best friend - the one who gives it to them straight about life, clothes, sex, and relationships. For example, on the number-one cable show on the Bravo Network, The Real Housewives of Atlanta The break-out star of the show, NeNe, has introduced the world to her gay best friend, Dwight Eubanks. Just like most must-haves for women: Manolo Blahnik shoes, a Louis Vuitton handbag, and La Perla lingerie - Having a gay best friend has become the new accessory for women. And, no woman wants to be without one. Straight, From Your Gay Best Friend gives women direct, and poignant, though often tongue in cheek, advice from Terrance

Dean, their new gay best friend, on some of life's most challenging issues--family, friends, career, love, sex, and intimate relationships with men. Dean offers direct and to-the-point insights, mixed with a little sass, wit, humor, forwardness, and spirituality, as only a gay man can do. He speaks candidly to women on healing their souls of past hurts in order to tap into their fabulousness. Also included are meaningful and powerful inspirational stories from women who were seeking to live fabulous and fierce lives filled with abundant love and joy, as well as have intimate relationships with men. These women learned to reclaim, rediscover, and heal themselves. Dean also dedicates a chapter to the most controversial topic in the black community--down low gay men. I am often asked by women, "How can I tell if my man is on the down low?" Or, "What are some signs I need to look out for so I do not end up in a relationship with a down low man?" This chapter will help women identify if the man they are in a relationship with or considering dating may be on the down low. Dean gives gives straight answers on when to leave a relationship, how to make it last, how to open up, how to get into the dating game, when to stop being a doormat, and how often times the woman may just not be into the man. When many women experience a tumultuous break-up or suffer through a challenging relationship, they turn to their gay best friends. Sure, they seek advice from their girlfriends, but it's always the gay best friend who's unique perspective helps them through the rough spots, encouraging her, inspiring her, and giving her the straight truth about relationships, and herself. His book will help women discover the power they need for a life of abundant success, prosperity, and happiness with loving relationships. It dispense practical advice and tips on creating healthy and loving relationships with themselves and any man they desire. And, it's all done from a place of love, from their gay best friend.

Fortunate Families

Brothers of the Night presents powerful stories in which raw male sexuality and raw terror are subtly intertwined.

Brothers Under The Skin

My Desire for History

Looking for Brothers

The Gay Boys of Old Yale!

Brothers, Rivals, Victors

From the savage murder of a eighteen-year-old street youth far from home, to the author's search for the meaning of chosen family on the rust colored beaches of Prince Edward Island, Looking For Brothers presents a gay man's unique and captivating view of Canada- a native son's look at the culture and citizens who have shaped our consciousness. Spanning an eleven year period, these essays by award-winning journalist Michael Rowe examine, with a startling blend of objectivity and subjectivity, the places that society has allocated to gay men, and the places gay men have claimed for themselves: physically, emotionally, sexually, and geographically. They unflinchingly explore the carved in stone truisms cherished both by straight and gay society, in an attempt to dismantle the limiting stereotypes each group holds of themselves and the other, and to find the place where the two cultures meet. On themes including gay men in sports and the military; same-sex marriage; narcissism and the cult of male beauty; AIDS and the euthanasia debate; pornography and the limits of censorship; family, chosen and otherwise; the questionable merits of the ghetto; and a yeasty celebration of liking straight men; Looking For Brothers brings together for the first time Rowe's most acclaimed gay-themed writing. With this collection, Michael Rowe secures his position as one of Canada's most thoughtful and provocative journalist-essayists, and one of our foremost gay writers.

Strange Brother

This anthology pays tribute to Allan Berube (1946-2007), a self-taught historian and MacArthur Fellow who was a pioneer in the study of lesbian and gay history in the United States. Best known for his Lambda Literary Award-winning book Coming Out Under Fire: The History of Gay Men and Women in World War II (1990), Berube also wrote extensively on the history of sexual politics in San Francisco and on the relationship between sexuality, class, and race. John D'Emilio and Estelle Freedman, who were close colleagues and friends of Berube, have selected sixteen of his most important essays, including hard-to-access articles and unpublished writing. The book provides a retrospective on Berube's life and work while it documents the emergence of a grassroots lesbian and gay community history movement in the 1970s and 1980s. Taken together, the essays attest to the power of history to mobilize individuals and communities to create social change.

Brothers, (You Can) Get It Right

Photographs and text relate the experiences of a young man and a young woman who grew up gay in America's heartland

Enemy Brothers

Son, Brother, Friend

“One of the great stories of the American military.”—Thomas E. Ricks, Pulitzer Prize-winning author of *The Generals* The intimate true story of three of the greatest American generals of World War II, and how their intense blend of comradery and competition spurred Allied forces to victory. Dwight Eisenhower, George Patton and Omar Bradley shared bonds going back decades. All three were West Pointers who pursued their army careers with a remarkable zeal, even as their paths diverged. Bradley was a standout infantry instructor, while Eisenhower displayed an unusual ability for organization and diplomacy. Patton, who had chased Pancho Villa in Mexico and led troops in the First World War, seemed destined for high command and outranked his two friends for years. But with the arrival of World War II, it was Eisenhower who attained the role of Supreme Commander, with Patton and Bradley as his subordinates. Jonathan W. Jordan’s New York Times bestselling *Brothers Rivals Victors* explores this friendship that waxed and waned over three decades and two world wars, a union complicated by rank, ambition, jealousy, backbiting and the enormous stresses of command. In a story that unfolds across the deserts of North Africa to the beaches of Sicily, from D-Day to the Battle of the Bulge and beyond, readers are offered revealing new portraits of these iconic generals.

The Brothers Bishop

Arranged in sixteen musical categories, provides entries for twenty thousand releases from four thousand artists, and includes a history of each musical genre.

The Advocate

Carmina Collegensia

Fortunate Families addresses the experience of Catholic parents who love their gay sons and lesbian daughters. The book had its genesis in a descriptive survey of over 200 such parents. It integrates results from the survey, church documents and stories so readers can access what they need most. Some readers will search for accurate information about Catholic teaching, others may connect with the lived experience of other Catholic parents. Still others will find examples of ministerial advocacy and support within the Catholic Church. *Fortunate Families* has all this and more. Conventional wisdom emphasizes the stories of parents who react to the news that their child is gay in verbally or physically abusive ways. These stories are told so often they take on an aura of normalcy. But there are other stories - of parents who struggle against the pressures of society and church to find and believe in the goodness of their gay child. It is critically important for parents to

hear the stories of others who walked the same road before them—who have come through the experience closer to their gay or lesbian child, and who are willing to work to make the church more welcoming. Equally important is the opportunity for pastoral ministers to hear the voices of these parents and understand the need for outreach and pastoral care for gay and lesbian Catholics and their families. Fortunate Families will help prepare pastoral ministers help families come out of their isolation, work through their confusion and pain, and celebrate how fortunate they actually are.

The High Priesthood of Being Gay

Memories of My Gay Brothers

Tommy and Nathan Bishop are as different as two brothers can be. Carefree and careless, Tommy is the golden boy who takes men into his bed with a seductive smile and turns them out just as quickly. No one can resist him--and no one can control him, either. That salient point certainly isn't lost on his brother. Nathan is all about control. At thirty-one, he is as dark and complicated as Tommy is light and easy, and he is bitter beyond his years. While Tommy left for the excitement of New York City, Nathan has stayed behind, teaching high school English in their provincial hometown, surrounded by the reminders of their ruined family history and the legacy of anger that runs through him like a scar. Now, Tommy has come home to the family cottage by the sea for the summer, bringing his unstable, sexual powder keg of an entourage--and the distant echoes of his family's tumultuous past--with him. Tommy and his lover Philip are teetering on the brink of disaster, while their married friends, Camille and Kyle, perfect their steps in a dance of denial, each partner pulling Nathan deeper into the fray. And when one of Nathan's troubled students, Simon, begins visiting the house, the slow fuse is lit on a highly combustible mix. During a heady two-week party filled with drunken revelations, bitter jealousies, caustic jabs, and tender reconciliations, Tommy and Nathan will confront the legacy of their twisted family history--their angry, abusive father and the tragic death of their mother--and finally, the one secret that has shaped their entire lives. It is a summer that will challenge everything Nathan remembers and unravel Tommy's carefully constructed facade, drawing them both unwittingly into a drama with echoes of the past. . .one with unforeseen and very dangerous consequences. "There are undercurrents of tragedy and emotional scarring at work that take the story to disturbing places. . .Yates puts his novel together like a one-two punch and makes it readable. . .you can't put it down." --Edge Magazine

The Two Brothers

It is not easy for a husband to say, "I messed up," but many of us mess up in our marriages. That is probably why more than two-thirds of divorce cases are filed by women, because their husbands messed up. We want to do better and save our

marriages. This book is just what a brother needs to help him do better in his marriage. "Wives, give us a chance to read this book, thoroughly. We hope to get it right."
