## **Oswaal NCERT Problems - Solutions (Textbook + Exemplar) Class 8 Science Book (For 2021 Exam)**

History of Modern India presents an authoritative overview of the history of what was known as British India. The text is largely based on the author's research on nationalism and colonialism in India and also draws from the works of eminent historians of the period. Challenging and revising colonial and nationalist interpretations of history, this book moves away from a largely political narrative to a social, economic and religious history of modern India. It explains how conditions in India during the eighteenth century helped the British East India Company establish its rule in India. It also gives us important insights into the primary aim of colonial rule which was the economic exploitation of India through trade and investment. The topics are arranged thematically in order to showcase the various forces that went into the making of independent India. However, in the

entire arrangement of themes, the chronology of the period is enmeshed innovatively with the various forces that evolved both as a cause and effect of British imperialist rule of the subcontinent. The book also provides a detailed account of the nationalist movement and introduces us to the contributions of different individuals who were behind the nationalist movement. A comprehensive textbook for students of history and interested readers, History of Modern India is essential reading for a broad based understanding of the making of modern India.

## **Oswaal NCERT Problems - Solutions (Textbook + Exemplar) Class 8 Mathematics Book (For 2021 Exam)**

It was a simple incident in the life of James Clavell—a talk with his young daughter just home from school—that inspired this chilling tale of what could happen in twenty-five quietly devastating minutes. He writes, "The Children's Story came into being that day. It was then that I really realized how vulnerable my child's mind was—any mind, for that matter—under controlled circumstances. Normally I write and rewrite and re-rewrite, but this story came quickly—almost by itself. Barely three words were changed. It pleases me greatly because I kept asking the questions... Questions like, What's the use of 'I

pledge allegiance' without understanding? Like Why is it so easy to divert thoughts? Like What is freedom? and Why is so hard to explain? The Children's Story keeps asking me all sorts of questions I cannot answer. Perhaps you can—then your child will."

### **Topi Shukla**

In this collection of more than 40 columns, New York Times beauty writer Bee Shapiro gets the world's most photographed people to share their most intimate rituals: daily skin care regimens, opinions on makeup, hair care, diet and exercise, and the way beauty has evolved for each person over the course of his or her life. Beauty—unlike fashion—is something almost anyone can participate in and still have stellar results: the moisturizer that Emma Roberts buys at Whole Foods is just as accessible to any other 26-year-old. Skin Deep is an in-depth look at the surprising role that beauty plays in our lives, the

large or small amount of work it involves on a daily basis, the money spent, the time taken, and what it means to everyone from ballet dancers to musicians, models to powerful entrepreneurs. You'll learn how Kylie Jenner gets Instagram-ready; the preferred face mask of supermodel Natalia Vodianova; what beauty staples Olympian Allyson Felix uses off the track; and exactly what makes Martha Stewart's skin-care regimen cost \$2,000. Including 10 new subjects, alongside favorites like Gwyneth Paltrow, Priyanka Chopra, and Anna Kendrick, plus sidebars and photography, Skin Deep takes an intriguing look at contemporary beauty, not only through entertaining celebrity interviews, but with in-depth guidance from names like Christophe Robin and Patrick Ta, as well as other beauty experts, and through Shapiro's own look at popular trends—for both a sense of context and a wealth of applicable beauty advice.

### **Oswaal NCERT & CBSE Pullout Worksheets Class 9 Social Science Book (For 2021 Exam)**

### **Travels Into Several Remote Nations of the World. By Lemuel Gulliver**

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of

his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

### **Class 6 Social Science : CBSE SAMPLE PAPERS for school annual exams**

Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is an intriguing story of two friends—one Hindu and the other Muslim. Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons. Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow. Although it is set in the India of the 1960s, the communal tensions and issues portrayed in the novel make it just as relevant to the troubled times we face today. This fascinating novel will be of tremendous interest to the general reader, as well as to students of literature in translation, partition fiction, and social history. The

novel's engagement with intertextuality and metafiction will add to its interest for readers keen on literary theory.
