Papers are welcomed for Studies in Comics, a peer-reviewed interdisciplinary academic journal that aims to describe the nature of comics, to identify the medium as a distinct art form and to address its formal properties. We invite submissions exploring the formal properties of comics, advancing their own theory of comics or responding to an established theoretical model.

Fantagraphics was founded in 1976 by Gary Groth and Michael Catron in College Park, Maryland. The first act of the new company was the takeover of an adzine named The Nostalgia Journal, which was quickly renamed The Comics Journal.. As comics journalist (and former Fantagraphics employee) Michael Dean writes, "the publisher has alternated between flourishing and nearly perishing over the years."

Read Comic Proprietary. The Razor Crest is a really cool set, with many creature comforts, but if you didn't decide that you wanted it a while ago you are now subject to the same Chaos Winds that have made 2080's cost the same as a 3080 and a 3080 cost Fuck You. It should be firmly established that the events of the strip are almost literally
