Hers to Tame

A Standalone novel I'm NHL defenseman Lance Romero, AKA Lance "Romance." I'm notorious for parties and excess. I have the most penalty minutes in the league. I get into the most fights. I take the most hits. I'm a player on and off the ice. I'm the one women with no inhibitions want. Not because I like the notoriety, but because I don't know how to be any other way. I have secrets. Ones I shared with the wrong person, and she used them against me. Sometimes she still does. I should cut ties. But she makes it difficult, because she's the kind of bad I deserve. At least that's what I believed until someone from my past gets caught up in my present. She's all

the good things in this world. She lights up my dark. I shouldn't want her. But I do. I should leave her alone. But I won't.

Pucked Off

Does everyone deserve a happy ending? Giselle Moore has been through a lot in her short life but things are looking up; her premier art showing in New York City is on the horizon, she has been reunited with her family and, most of all, she is deeply in love with the mysterious Frenchman she met on vacation in Mexico. There is only one thing that could derail her happiness and that is her guilt over her forbidden relationship with Sinclair. After finally confessing their love for each other, the two decide to travel to Paris, France where they may begin to discover what it really means to be together. When a terrible family accident beckons them back home, the return of a sinister man from the past, crumbling business deals and a family that has turned against them tests their fledgling romance and the very idea that they could possibly live happily ever after.

Emerge

Daughter of Eve. Leader of the Resistance. Mankind's savior. Dawn is supposed to be the ultimate weapon against the bloodthirsty hybrids that control the desolate planet. But she didn't inherit superhuman speed or virus-curing blood. She's just a human. The pursuit to unlock her power lures her into a venomous trap, where silver eyes seduce, fangs incite pleasure,

and love and devastation wear the same handsome face. He's her deepest desire, greatest enemy, and the key she's been searching for. With humanity balancing on an arrow's edge, she must win his heart or destroy it.

Area 51

Fans of the PUCKED and CLIPPED WINGS series will love this small novella set in both worlds.

Mirage

To make my dream come true I'll do anything, even put up with an a\$\$hole like Leandros Kaplan. Four years, five tops and I'll have enough money saved to stop working and write full time. I know lying to him to get the job is crazy and stupid. It's as crazy and stupid as the requirement for his new assistant to be married. I'm not married, and I'm not like his past assistants, the ones who dropped sexual innuendo daily and then would hand him their underwear when he asked for reports. I'm a freaking virgin at thirty-one. I swear I never thought I would fall for him, it doesn't matter that he's a gorgeous Greek god billionaire, he's also a jerk who takes pride in being ruthless and cold-blooded. He's so out of my league we don't even play the same game. He's into dating double zero models. There's no way he would ever be interested in a plus size like me. When he finds out I lied I'm not surprised he wants his pound of flesh, I'm surprised he wants it in the form of my flesh, naked for him. The retribution he demands is me, whenever,

however, he wants my body. I'll give it to him, everything he demands. He doesn't want my heart or tears, only I can't stop giving him both, and it's slowly tearing me apart. Can he ever forgive me for lying or will that one lie be the end of us?

Lessons in Corruption

"You never have to be without me, Laney, never." He lied my everything I ever knew, trusted, wanted I am, in fact, without him. On my own and out of my shell, I learn new things about life, friendship and myself. Like what you've always known may not be what you've always wanted. Dane Kendrick awakened things within me that I never knew existed, unraveling and uncovering the real Laney Jo Walker. I'm a NEW adult so is my story.

Best Vacation That Never Was

As an NHL player, relationships haven't been my thing. Shrouded in secrecy and speculation, they never last very long. But then that's what happens when you require an NDA before the first date. Until Charlene. She's like a firefly. She's elusive, and if you catch her she'll burn bright, but keeping her trapped dulls her fire and dims her beauty. I caught her. And as much as I might want to keep her, I'll never put the lid on her jar. Not at the risk of losing her. So I've let her set the rules in our relationship. But as long as hidden secrets expose us both, I discover exactly how fragile Charlene is, and how much I need her. We're all broken. We're all messed up. Some more than

others. Me more than most.

The Consequence

In the beginning, it was good That's how I look back on this time in my life. In my sexual prime, a widow escaping the mundane, seeking the darker art of romance. Romance? Ha! It was an obsession, a compulsion to discover the sensual being hidden for so many years. I was a fool. I ran rampant with the fever of sexual discovery, from submission to Dominance, edge play to slavery, I was willing to try it all. I would seek out willing participants in debauchery from online sex sites to chat forums. It didn't matter. It was safe to play online, to meet in groups of likeminded people intent on pleasure. Or so I thought. When drugs and alcohol make the mind blurry and the hands unsteady, someone could get hurt. When the highs of pleasure can go no higher, when slavery and edge play take on dangerous thrills for the Dominant and frightening scenarios for the submissive, it is time to safe word out. So, I did. But no one listened. Now I must live with the consequences. I must decide to run away or face the challenge before me. I must discern the truth from the Lustful Lies.

Pieces of Him

A standalone novel in The Pucked Series Lily LeBlanc isn't versed in the art of casual sex, but after seven years in an on-again, off-again relationship, she's definitely willing to give it a shot. And who

His best friend and teammate has recently given up the puck bunnies and traded them in for a real girlfriend. And she just happens to have a seriously feisty, extra-hot best friend on the rebound. Randy's more than happy to be Lily's spring board back into the dating scene. But casual sex is only casual until those pesky things called emotions get involved. Once that happens, someone's bound to get pucked over.

He wants all of me. That's more than I'm willing to give. Nico They say you don't know what you've lost until it's gone, but that wasn't true. I knew exactly how devastating it would be to lose Sofia, and I did it anyway. I thought our separation would be permanent, but I've suddenly been forced back into her life. Walking away once was hard enough; I'm not strong enough to leave her again. Now that I've seen her, tasted her, I have to make her mine. Seven years

ago, I made the biggest mistake of my life. I plan to do everything in my power to correct that mistake, even if it means coming clean about the past. Life lesson number one If you find the love of your life, fight for him. Life lesson number two If you're dumb enough to let the love of your life go, don't let years pass without trying to get him back. Life lesson number three If he does come back, don't help him take over your father's multi-million-dollar company even if your father had it coming. I fell in love, had it all, and lost it all in the blink of an eye. I was young, naïve, and not in control of my own life. I was resigned to the fact that I would never see Sam again. So when I attended a meeting with the unknown buyer initiating a hostile takeover of my father's company, I was stunned and horrified to come face to face with Sam. Only this wasn't the Sam that I remembered. Gone was the sweet, romantic, kind boy I loved, and in his place was a cold, ruthless, and calculating man. Maybe I was right. Maybe I would never see my Sam again or would I?

I was settin' up to live a good life, the kinda life I'd fought hard to deserve. Bane

I'm the woman your husband thinks about while he's on top of you at night. At least, that's how I tell the girls I hire to think. Being an escort is no easy job, and being a madame is no easier. I'm in the business of selling fantasies and dreams to million dollar clients, and if you think what I do is harmful to society, then think again. (If it wasn't for me, there'd be a lot more unhappy and unproductive businessmen and a lot more drug addicted prostitutes in the world.) I guard privacy and secrets with my own life, and I've never slipped up or got caught, not once. But there's something about the man I just met, something that makes me uneasy, especially since he's interested in me. And he's offering me a whole lot more than anyone ever has before. I'm just not sure if this is a risk worth taking--if letting him into my life is the right thing, or if the red flags I'm currently seeing are real or another mirage.
