## The Screwtape Letters

In this humorous and perceptive exchange between two devils, C. S. Lewis delves into moral questions about good vs. evil, temptation, repentance, and grace. Through this wonderful tale, the reader emerges with a better understanding of what it

means to live a faithful life.

### **Yearbook [membership]**

C. S. Lewis was concerned about an aspect of the problem of evil he called subjectivism: the tendency of one's perspective to move towards self-referentialism and utilitarianism. In *C. S. Lewis and a Problem of Evil*, Jerry Root provides a holistic reading of Lewis by walking the reader through all of Lewis's published work as he argues Lewis's case against subjectivism. Furthermore, the book reveals that Lewis consistently employed fiction to make his case, as virtually all of his villains are portrayed as subjectivists. Lewis's warnings are prophetic; this book is not merely an exposition of Lewis, it is also a timely investigation into the problem of evil.

### **C.S. Lewis and the Church**

How does the church portray the beauty of Christ? The gospel is the greatest message of all time addressing the greatest need of all people. However, the good news about Jesus does more than just promise eternal life to all who believe. In the latest addition to the *9Marks: Building Healthy Churches* series, pastor Ray Ortlund explains the gospel's power to transform individuals from the inside out and create beautiful human relationships. This short book helps readers experience the power of God as they are encouraged to trust in Christ and allow him to transform their beliefs, perspectives, and practices. For everyone who wants to be true to the Bible and

honest with themselves, this book offers a practical guide to the fundamental teachings of the gospel and how they affect our relationships with others.

### **C. S. Lewis and a Problem of Evil**

"C. S. Lewis died in 1963, but I met him last week." Robert Velarde tells of an imaginative journey in which the literature professor mysteriously appears in Thomas Clerk's hospital room. "Call me Jack," the writer says as he invites Clerk to step into a wardrobe. From there the two embark on a remarkable journey through Lewis's life. They experience pivotal events from Lewis's childhood and meet many of his real and imaginary friends; they visit the Kilns with his brother, Warnie, and spend time in Oxford with fellow writers and Inklings J. R. R. Tolkien and Charles Williams. They also sit with Lewis's dying wife, Joy Davidman, and they even enter the world of Narnia. Along the way, Lewis challenges Clerk's thinking about the existence of God, the truth of Christianity, the problem of pain and suffering, the nature of love and much more. Are human beings a cosmic accident? Can we have morality without God? Was Jesus just a guru? Can we really believe in heaven and hell? Tom and Jack discuss these and many other questions, and they invite you to eavesdrop on their conversations. Prepare yourself for some of the most invigorating discussions you may ever experience this side of heaven.

### **Mere Theology**

This fascinating volume brings together all the aspects of C S Lewis's life and thought. It will delight anyone who is interested in C S Lewis and wants to learn more about him. Arranged in alphabetical order The A-Z of C S Lewis begins with The Abolition of Man a book written in 1943 and described by Lewis as almost my favourite to Wormwood, a character in The Screwtape Letters. Lewis's work is widely known and regarded, but enthusiasts are often only aware of one small part his children's stories and his popular theology and yet he wrote so much more, including science fiction and literary criticism. This is an enormously readable and attractive work that will be read time and time again.

### **The A-Z of C.S. Lewis**

Novelist, poet, critic, lay theologian, and best-selling author of the 'Narnia' series, C. S. Lewis' works have become timeless classics for adults and children around the world. Here in one concise volume is the essence of his thought on subjects ranging from love and faith to ethics and morality and myth and literature that will throw open the windows of the soul and provide readers with bite-sized nuggets of wisdom and inspiration from one of the best-loved writers of the 20th century. This lovely little gift book will provide sustenance, wisdom, and hope for both believers and seekers. And, most importantly, it will provide an entry point for those unfamiliar with Lewis that will make them want to explore his fiction and nonfiction works. Selections from C.S. Lewis' Little Book of Wisdom: "If God had granted all the silly

prayers I've made in my life, where should I be now?"  
"Surely arrested development consists not in refusing to lose old things, but in failing to add new things..."  
"Do not dare not to dare." "We are mirrors whose brightness is wholly derived from the sun that shines upon us." "I didn't go to religion to make me happy. I always knew a bottle of Port would do that. If you want a religion to make you feel really comfortable, I certainly don't recommend Christianity."

### **Christian Reflections**

Provides an exposition of the theology of C.S. Lewis, including discussion of his beliefs on God, Jesus, the Holy Spirit, the Creation, free will, masculinity, femininity, and facets of heaven.

### **A Sword between the Sexes?**

### **The Four Loves**

There can be many obstacles to faith, as C. S. Lewis discovered. But he overcame them to become one of Christianity's most ardent warriors of the faith. Art Lindsley provides a readable introduction to C. S. Lewis's reflections on objections to belief in Jesus Christ and the compelling reasons why Lewis came to affirm the truth of Christianity.

### **C.S. Lewis and His Circle**

C. S. Lewis--On the Christ of a Religious Economy. II.

Knowing Salvation, opens with a discussion of the Anscombe-Lewis debate (the theological issues relating to revelation and reason, Christ the Logos). This leads into Lewis on the Church (the body of Christ) and his understanding of religion: how is salvation enacted through the churches, how do we know we are saved? This concludes with, for Lewis, the question of sufferance and atonement, substitution and election, deliverance and redemption: heaven, hell, resurrection, and eternity--Christ's work of salvation on the cross. What did Lewis say of humanity in relation to God, now Immanuel, God with us, incarnate, crucified, resurrected, and ascended for humanity? What of Lewis's own death, and that of his wife? What does this tell us about the triune God of Love, who is Love? This volume forms the second part of the third book in a series of studies on the theology of C. S. Lewis titled C. S. Lewis: Revelation and the Christ. The books are written for academics and students, but also, crucially, for those people, ordinary Christians, without a theology degree who enjoy and gain sustenance from reading Lewis's work.

[www.cslewisandthechrist.net](http://www.cslewisandthechrist.net)

### **Marriage and the Mystery of the Gospel**

This collection contains fourteen of Lewis's theological papers on subjects such as Christianity and literature, Christianity and culture, ethics, futility, church music, modern theology and biblical criticism, the Psalms, and petitionary prayer. Common to all of these varied essays are Lewis's uniquely effective style and his

tireless concern to relate basic Christianity to all of life.

### **Conversations with C. S. Lewis**

List of publications in each volume.

### **Membership List, Charter and By-laws, List of Standing Committees, List of Standards and Tentative Standards**

One of the most perceptive critics of modern society petitions for an urgent return to knowing things intimately, reverently, and with affection. Deeply rooted to the land he has lived on for decades, award-winning author, poet, farmer, and environmentalist Wendell Berry argues against the proposition put forth by Pulitzer prize-winning naturalist E.O. Wilson in his bestselling book *Consilience*, that our best hope for preserving the biosphere lies in linking facts and fact-based theory across the disciplines of the natural sciences. Berry warns that “to reduce the mystery and miracle of life to something that can be figured out is inevitably to enslave it, make property of it and put it up for sale.” Instead, Berry urges that we “go beyond Wilson’s empirical knowledge to imaginative knowledge—to knowing things ‘intimately, particularly, precisely, gratefully, reverently, and with affection’” (Publishers Weekly). In *Life Is a Miracle*, the devotion of science to the quantitative and reductionist world is measured against the mysterious, qualitative suggestions of religion and art. Berry sees life as the collision of these separate

forces, but without all three in the mix we are left at sea in the world. “[A] scathing assessment . . . Berry shows that Wilson’s much-celebrated, controversial pleas in *Consilience* to unify all branches of knowledge is nothing more than a fatuous subordination of religion, art, and everything else that is good to science.” —The Washington Post “[Berry’s] poems, novels and essays . . . are probably the most sustained contemporary articulation of America’s agrarian, Jeffersonian ideal.” —Publishers Weekly

### **C. S. Lewis: A Very Short Introduction**

C. S. Lewis, the great British novelist and Christian apologist, has been credited by many—including the author—for aiding their journey to the Catholic Church. For this reason, it is often perplexing that Lewis himself never became Catholic. In *C. S. Lewis and the Catholic Church*, Joseph Pearce delves into Lewis's life, writings, and spiritual influences to shed light on the matter. Although C. S. Lewis's conversion to Christianity was greatly influenced by J. R. R. Tolkien, a Catholic, and although Lewis embraced many distinctively Catholic teachings, such as purgatory and the sacrament of Confession, he never formally entered the Church. Meticulously researched and beautifully written, this book digs deep to present the facts of Lewis's life, to illuminate key points in his writings, and to ask the question: Was C. S. Lewis on the path to Rome? This revised and updated edition—with a new introduction by Father Dwight Longenecker—is a fascinating historical, biographical, theological, and literary account of a man whose

writings have led scores to the Catholic Church, despite never having become a Catholic himself.

### **Transposition and Other Addresses**

The Essentials Explained Master storyteller and essayist C. S. Lewis here tackles the central questions of the Christian faith: Who was Jesus? What did he accomplish? What does it mean for me? In these classic essays, which began as talks on the BBC during World War II, Lewis creatively and simply explains the basic tenets of Christianity. Taken from the core section of *Mere Christianity*, the selection in this gift edition provides an accessible way for more people to discover these timeless truths. For those looking to remind themselves of the things they hold true, or those looking for a snapshot of Christianity, this book is a wonderful introduction to the faith.

### **A Philosophical Walking Tour with C. S. Lewis**

### **The Screwtape Letters (Enhanced Special Illustrated Edition)**

Provides a documented portrait of the well-known author.

### **C. S. Lewis's Case for Christ**

“This mystery is profound, and I am saying that it refers to Christ and the church.” —Ephesians 5:32

Marriage reveals something of eternal significance. From the beginning, God designed marriage to convey a greater reality—the passionate, unending, redeeming love of God for sinners, the eternal romance between Christ and his bride. In this volume, Ray Ortlund traces marriage throughout Scripture—from the first marriage in the garden of Eden to the ultimate marriage in the book of Revelation—laying out a transcendent vision of marriage that dignifies our own imperfect unions as a display of the gospel. This book offers insight and hope to every married person today. Part of the Short Studies in Biblical Theology series.

### **C. S. Lewis and the Inklings**

#### **C S Lewis**

In 1962, The Christian Century published C. S. Lewis's answer to the question, "What books did most to shape your vocational attitude and your philosophy of life?" Lewis responded with ten titles, ranging from Virgil's *Aeneid* to James Boswell's *The Life of Samuel Johnson* and from George Herbert's *The Temple* to Boethius's *The Consolation of Philosophy*. C. S. Lewis's List brings together experts on each of the ten books to discuss their significance for Lewis's life and work, illuminating his own writing through those he most admired.

#### **C. S. Lewis on Politics and the Natural Law**

Selected from sermons delivered by C. S. Lewis during World War II, these nine addresses offer guidance and inspiration in a time of great doubt. These are ardent and lucid sermons that provide a compassionate vision of Christianity.

### **Life Is a Miracle**

Collaborating with the genius of C.S. Lewis, and particularly his brilliant work *The Abolition of Man*, the authors offer a multi-faceted, interdisciplinary investigation of perennial questions that impact human development and freedom.

### **C.S. Lewis**

This book contains a selection of the too numerous addresses which Lewis gave during the late war and the years that immediately followed it. All were composed in response to personal requests and for particular audiences, without thought of subsequent publication. As a result, in one or two places they seem to repeat, though they really anticipated, sentences which had already appeared in print. The period from which these pieces date was an exceptional one; and though Lewis do not think to have altered any belief that they embody, he could not totally recapture the tone and temper in which they were written. Nor would those who wanted to have them in a permanent form be pleased with a patchwork. It has therefore seemed better to let them go with only a few verbal corrections.

## **C. S. Lewis and the Catholic Church**

### **The Everlasting Man**

Teach your students the basics of English and the basics of the faith at the same time! What Christians Believe is a Bible study in simple English, specifically designed for people who are learning the language. Chapters titles include: Sin is disobeying God Jesus Christ is our perfect sacrifice God forgives our sins Jesus Christ is God Jesus died, yet lives How to become a Christian And much more! What Christians Believe also includes teaching resources, such as: Word lists at the end of each chapter, with vocabulary words defined Fill-in-the-blank exercises for students in each chapter Answers to questions and additional scripture references Tips for teaching ESL.

### **C.S. Lewis—On the Christ of a Religious Economy, 3.2**

Sehnsucht: The C. S. Lewis Journal, established by the Arizona C. S. Lewis Society in 2007, is the only peer-reviewed journal devoted to the study of C. S. Lewis and his writings published anywhere in the world. It exists to promote literary, theological, historical, biographical, philosophical, bibliographical and cultural interest (broadly defined) in Lewis and his writings. The journal includes articles, review essays, book reviews, film reviews and play reviews, bibliographical material, poetry, interviews, editorials, and announcements of Lewis-related conferences,

events and publications. Its readership is aimed at academic scholars from a wide variety of disciplines, as well as learned non-scholars and Lewis enthusiasts. At this time, *Sehnsucht* is published once a year.

### **De Descriptione Temporum**

Two crises in Colosse sent visitors to the Apostle Paul. First, an old friend brings news that false teachers are laying down rules and boasting of secret knowledge beyond the gospel. Then, a runaway slave begs Paul to ask his Christian master for mercy. The letters Paul writes to handle these dilemmas remain foundational for understanding Christ and His work in us. This Bible study on the books of Colossians and Philemon examine how Paul exalted Christ and affirmed a truly Christian lifestyle • Personal study between meetings • 11 sessions • Includes study aids and discussion questions

### **Weight of Glory**

ECPA 2014 Christian Book Award Winner (Non-Fiction)! Fifty years after his death, C. S. Lewis continues to inspire and fascinate millions. His legacy remains varied and vast. He was a towering intellectual figure, a popular fiction author who inspired a global movie franchise around the world of Narnia, and an atheist-turned-Christian thinker. In *C.S. Lewis—A Life*, Alister McGrath, prolific author and respected professor at King's College of London, paints a definitive portrait of the life of C. S. Lewis.

After thoroughly examining recently published Lewis correspondence, Alister challenges some of the previously held beliefs about the exact timing of Lewis's shift from atheism to theism and then to Christianity. He paints a portrait of an eccentric thinker who became an inspiring, though reluctant, prophet for our times. You won't want to miss this fascinating portrait of a creative genius who inspired generations.

### **C.S. Lewis**

This book is enhanced with content such as audio or video, resulting in a large file that may take longer to download than expected. The Deluxe Illustrated Edition of a Timeless Classic Now with this enhanced edition, readers can gain additional insight through video interviews, audio excerpts and letters from C. S. Lewis. First published in 1942, *The Screwtape Letters* has sold millions of copies world-wide and is recognized as a milestone in the history of popular theology. A masterpiece of satire, it entertains readers with its sly and ironic portrayal of human life and foibles from the vantage point of Screwtape, a highly placed assistant to "Our Father Below." At once wildly comic, deadly serious, and strikingly original, *The Screwtape Letters* is the most engaging account of temptation—and triumph over it—ever written.

### **C.S. Lewis**

Examines human love, including affection, friendship, erotic love, and the love of God, and uses sources

ranging from Jane Austen to St. Augustine to argue that none of the types of love can prosper without the love of God.

### **Colossians and Philemon**

C. S. Lewis was an accomplished scholar, writer, and Christian apologist. His insights and stories have long been a favorite of the LDS community, and he has been referenced thousands of times throughout LDS writings. Even Shakespeare pales in comparison to the number of times C. S. Lewis has been quoted by Mormon authors, scholars, and General Authorities to illustrate doctrinal truths. Lewis had a knack of speaking for "every man" and gave us modern parables for Christian living. All can relate to his testimony of Christ and his practical understanding of how to put gospel teachings into practice today. C. S. Lewis: Latter-day Truths in Narnia explores Lewis's life, his writings, and his influence on LDS writers, scholars, and authorities. Lewis realized that life is more than what we see and deeper than what we feel. Whether or not you are familiar with Lewis's nonfiction works or his fictional characters, you will enjoy reading about his powerful testimony of Jesus Christ.

### **C. S. Lewis' Little Book of Wisdom**

An Oxford student of C.S. Lewis's said he found his new tutor interesting, and was told by J.R.R. Tolkien, 'Interesting? Yes, he's certainly that. You'll never get to the bottom of him.' You can learn a great deal

about people by their friends and nowhere is this more true than in the case of C.S. Lewis, the remarkable academic, author, populariser of faith - and creator of Narnia. He lost his mother early in life, and became estranged from his father, much to his regret. Throughout his life, key relationships mattered deeply to him, from his early days in the north of Ireland and his schooldays in England, as still a teenager in the trenches of World War One, and then later in Oxford. The friendships he cultivated throughout his life proved to be vital, influencing his thoughts, his beliefs and his writings. What did Arthur Greeves, a life-long friend from his adolescence, bring to him? How did J.R.R. Tolkien, and the other members of the now famous Inklings, shape him? Why, in his early twenties, did he move in with a single mother twice his age, Janie Moore, and live with her for so many years until her death? And why did he choose to marry so late? What of the relationship with his alcoholic and gifted brother, who eventually joined his unusual household? In this sparkling new biography, which draws on material not previously published, Colin Duriez brings C.S. Lewis and his friendships to life.

### **What Christians Believe**

Beloved by children and adults worldwide, the writings of C.S. Lewis have a broad and enduring appeal. Although he is best known for the iconic Chronicles of Narnia series, C. S. Lewis was actually a man of many literary parts. Already well-known as a scholar in the thirties, he became a famous

broadcaster during World War Two and wrote in many genres, including satire (The Screwtape Letters), science fiction (Perelandra), a novel (Till We Have Faces), and many other books on Christian belief, such as Mere Christianity and Miracles. His few sermons remain touchstones of their type. In addition to these, Lewis wrote hundreds of poems and articles on social and cultural issues, many books and articles in his field of literary criticism and history, and thousands of letters. At Oxford University he became a charismatic lecturer and conversationalist. Taken together his writings have engaged and influenced, often very deeply, millions of readers. Now Lewis societies, television documentaries, movies, radio plays, and theatrical treatments of his work and life have become common, and he is frequently quoted by journalists, critics, and public thinkers. This Very Short Introduction delves into the vast corpus of C. S. Lewis' work, discussing its core themes and lasting appeal. As James Como shows, C. S. Lewis' life is just as interesting as his work. A complex man, he came to his knowledge, beliefs, and wisdom only after much tortuous soul-searching and many painful events. Moving chronologically through Lewis' life, Como provides throughout a picture of the whole man, his work, and his enduring legacy. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

### **The Gospel**

This book shows how Lewis was interested in the truths and falsehoods about human nature and how these conceptions manifest themselves in the public square.

### **What Christians Believe**

C.S. Lewis, himself a layperson in the Church of England, has exercised an unprecedentedly wide influence on the faithful of Anglican, Roman Catholic, Evangelical and other churches, all of whom tend naturally to claim him as 'one of their own'. One of the reasons for this diverse appropriation is the elusiveness of the church--in the sense both of his own denomination and of the wider subject of ecclesiology--in Lewis' writings. The essays contained in this volume critically examine the place, character and role of the Church in Lewis' life. The result is a detailed and scintillating picture of the interactions of one of the most distinctive voices in twentieth-century theology with the contemporaneous development of the Church of England, with key concepts in ecclesiology, and with interdenominational matters.

### **C. S. Lewis's List**

For over thirty years, the Oxford C. S. Lewis Society has met weekly in the medieval colleges of the University of Oxford. During that time, it has hosted as speakers nearly all those still living who were associated with the Inklings--the Oxford literary circle

led by C. S. Lewis--as well as authors and thinkers of a prominence that nears Lewis's own. *C. S. Lewis and His Circle* offers the reader a chance to join this unique group. Roger White has worked with Society past presidents Brendan and Judith Wolfe to select the most important talks, which are here made available to the wider public for the first time. They exemplify the best of traditional academic essays, thoughtful memoirs, and informal reminiscences about C. S. Lewis and his circle. The reader will reimagine Lewis's *Cosmic Trilogy* with former Archbishop of Canterbury Rowan Williams, read philosopher Elizabeth Anscombe's final word on Lewis's arguments for Christianity, hear the Reverend Peter Bide's memories of marrying Lewis and Joy Davidman in an Oxford hospital, and learn about Lewis's *Narnia Chronicles* from his former secretary. Representing the finest of both personal and scholarly engagement with C. S. Lewis and the Inklings, the talks collected here set a new tone for engagement with this iconic Oxford literary circle--a tone close to Lewis's own Oxford--bred sharpness and wryness, seasoned with good humor and genuine affection for C. S. Lewis and his circle.

### **Sehnsucht: The C. S. Lewis Journal**

This volume offers essays on a variety of aspects of the inter-related topics of “hiddenness” and “discovery”: literary, biographical, philosophical, and source study. The Inklings that are examined in this anthology are C. S. Lewis, J. R. R. Tolkien, and Owen Barfield, with two of their literary predecessors and

influences that are included under the term “Inklings” in this anthology: G. K. Chesterton and George MacDonald. Readers will find new territory for further exploration of C. S. Lewis and the Inklings in the areas of 1) creative collaboration among the Inklings; 2) genres (for example, the penny dreadful, Christian liturgical poetry); 3) literary influences (H. G. Wells, Dante); 4) linguistics (Tolkien’s “web of words”); and 5) the convergence of literature and theology. Other areas, which readers would find interesting, are medieval cosmology, classical mythology and Nordic mythology in Lewis’s and Tolkien’s works (the pagan mythology of the Greeks and Romans, and the Nordic myth of Ragnarök). Consequently, Lewis’s *A Discarded Image* was studied by several contributors to substantiate his knowledge on the medieval cosmos.

### **The Efficacy of Prayer**

Laurence Harwood presents his memories and interactions with godfather C. S. Lewis, spanning Harwood's early boyhood to young adulthood. This book contributes to a more complete portrait of Lewis and focuses on Lewis's friendships with a boy and his father.

### **C. S. Lewis □ A Life**

Although it has been almost seventy years since Time declared C.S. Lewis one of the world's most influential spokespersons for Christianity and fifty years since Lewis's death, his influence remains just as great if

not greater today. While much has been written on Lewis and his work, virtually nothing has been written from a philosophical perspective on his views of happiness, pleasure, pain, and the soul and body. As a result, no one so far has recognized that his views on these matters are deeply interesting and controversial, and-perhaps more jarring-no one has yet adequately explained why Lewis never became a Roman Catholic. Stewart Goetz's careful investigation of Lewis's philosophical thought reveals oft-overlooked implications and demonstrates that it was, at its root, at odds with that of Thomas Aquinas and, thereby, the Roman Catholic Church.

### **C.S. Lewis, My Godfather**

What did C. S. Lewis really think about gender roles? In this book, a widely recognized expert on male and female roles evaluates Lewis's understanding and presentation of gender, revealing that he ended his life thinking differently about gender than many of his followers assume. This is the first book to provide a close examination of Lewis's thought on gender and what it means for today. It addresses the tension between faith and science and offers insight into the continuing debate over gender relations, egalitarianism, and complementarianism. The book will appeal to readers of C. S. Lewis and those who are interested in gender issues.
