J.M. Coetzee's latest novel, *The Schooldays of Jesus*, will soon be available from Viking. Set in post-apartheid South Africa, J. M. Coetzee's searing novel tells the story of David Lurie, a twice divorced, 52-year-old professor of communications and Romantic Poetry at Cape Technical University. Lurie believes he has created a comfortable, if somewhat passionless, life for himself. He lives within his financial and emotional means. Though his position at the university has been reduced, he teaches his classes dutifully; and while age has diminished his attractiveness, weekly visits to a prostitute satisfy his sexual needs. He considers himself happy. But when Lurie seduces one of his students, he sets in motion a chain of events that will shatter his complacency and leave him utterly disgraced. Lurie pursues his relationship with the young Melanie—whom he describes as having hips “as slim as a twelve-year-old’s”—obsessively and narcissistically, ignoring, on one occasion, her wish not to have sex. When Melanie and her father lodge a complaint against him, Lurie is brought before an academic committee where he admits he is guilty of all the charges but refuses to express any repentance for his acts. In the furor of the scandal, jeered at by students, threatened by

Melanie's boyfriend, ridiculed by his ex-wife, Lurie is forced to resign and flees Cape Town for his daughter Lucy's smallholding in the country. There he struggles to rekindle his relationship with Lucy and to understand the changing relations of blacks and whites in the new South Africa. But when three black strangers appear at their house asking to make a phone call, a harrowing afternoon of violence follows which leaves both of them badly shaken and further estranged from one another. After a brief return to Cape Town, where Lurie discovers his home has also been vandalized, he decides to stay on with his daughter, who is pregnant with the child of one of her attackers. Now thoroughly humiliated, Lurie devotes himself to volunteering at the animal clinic, where he helps put down diseased and unwanted dogs. It is here, Coetzee seems to suggest, that Lurie gains a redeeming sense of compassion absent from his life up to this point. Written with the austere clarity that has made J. M. Coetzee the winner of two Booker Prizes, *Disgrace* explores the downfall of one man and dramatizes, with unforgettable, at times almost unbearable, vividness the plight of a country caught in the chaotic aftermath of centuries of racial oppression. From the Trade Paperback edition.

Former President of the Republic of Haiti, former Commander-in-Chief of the Haitian Army, former scholar at at the US Marine Corps Schools (Quantico, VA), and the United States Naval Intelligence School (Anacostia, VA), qualified in law, career officer during

30 years which coincided with a deeply tormented period of national history, Prosper Avril brings the opinions of a privileged witness, a meticulous observer, an inquisitive researcher, and a leading actor to the debate about a subject that concerns all Haitians and creates much interest with foreign researchers, historians and observers -- the recent dismantling of the Haitian Army. From Glory to Disgrace: The Haitian Army - 1804, 1994 is an in depth study of the Haitian military institution, the oldest of Haiti, not viewed as a disjointed member of the Haitian social body, but rather as an integral part of a society which is in constant change. By undertaking this work, the author proposes answers to two fundamental questions: does the Haitian Army deserve the fate of its radical and final dissolution? is the future of Haiti secure without an army dedicated to the defense of the integrity of its national territory? By the wealth of its documentation and its close analysis of the events in which the Haitian Army has been involved, this book will certainly help the Haitian or foreign reader make a reasoned and impartial judgment about this important matter. In this work, the author maintains a commitment to one noble ambition -- to begin a patriotic and objective debate on one of the most controversial issues for Haiti today.

The Battle of Gettysburg was a scene of roiling chaos. Thousands of casualties and an unexpected Union retreat left the field and its soldiers in utter confusion.

It was in the midst of this uproar that Brigadier General Thomas A. Rowley, U.S.A., was arrested for drunkenness and disobedience. But what really happened on that chaotic day, and how did it affect Rowley and those around him in the years to come? A military man for many years, Rowley had served during the Mexican War and had worked his way up from second lieutenant to colonel. When the fighting began at Fort Sumter, he immediately offered his services to the Union Army. This volume chronicles Rowley's life up to the July 1, 1863, battle that ended his military career, with particular attention to the events of that fateful day. The author discusses the court martial's questionable guilty verdict and Rowley's reaction to it, as well as his role in a confrontation between Major General George Meade and G.K. Warren shortly after Lincoln and Stanton reversed the court martial's finding. Subsequent events in the careers of other participants including Lieutenant Colonel Rufus Dawes and Major General Abner Doubleday are also discussed. Sources include personal letters and diaries of the men who served with and under General Rowley. Pertinent information regarding the military rules of the period is provided in order to reveal how Rowley's case deviated from the norm. Finally, appendices provide a list of Rowley's commands, a roll of the court martial participants and Rowley's personal defense statement.

Oscar Wilde's libel suit against the Marquess of Queensberry and its disastrous repercussions dominated British newspapers during the spring of 1895, but as this innovative study reveals, the Wilde scandal was by no means the only event to capture the public's imagination. Freak weather, a flu epidemic, a General Election, industrial unrest, 'sex novels' and New Women, trials of murderers and fraudsters, accidents, anarchists, bombers, balloonists and bicyclists were all topics of interest and alarm. Drawing on strikingly diverse primary sources, Nicholas Freeman examines the recurrent preoccupations of a turbulent year, showing how 1890s' Britain is at once far removed from our own day and yet strangely familiar.

Gerald Samper is a ghost writer to the stars: rock singers, racing drivers and ski champions. And to Millie Cleat, the monstrous one-armed sailor, whose round the world voyage has made her the toast of Britain, and who has become the poster-girl for the Deep Blues, a mystical and nutty environmental group. Gerald pines for greater things, however, and would prefer to write the memoirs of Max Christ, the celebrated conductor. While he schemes to land this unattainable catch, he muses hilariously and viciously on the world of which he is such an unwilling part, looking out from his Tuscan hilltop and pining for his

neighbour Marta, offspring of a crime family from Voynovia, who disappeared one day into thin air. Has she been the subject of a 'rendition'? Meanwhile, some oceanographers are planning revenge on Millie Cleat for her destruction of their greatest coup. Gerald convinces her that she has seen the face of Neptune in the depths

Lizzie Borden took an axe, And gave her mother forty whacks, When she saw what she had done, She gave her father forty-one. Lizzie Andrew Borden (b.1860 - d.1927) was tried and acquitted in the 1892 axe murders of her father and stepmother in Fall River, Massachusetts. Media coverage of the case created a furor throughout the United States reminiscent of the Rosenberg, Claus von Bulow and O.J. Simpson trials. No other suspect was ever charged with the double homicide, and speculation on the case continues to this day. The case is curious because there was no physical evidence linking Lizzie to the murder. The broken axe the police found in the basement was clean of blood and the police refused to use forensic testing for fingerprints (a science then in its infancy). The defense raised evidence that Andrew Borden was a hard businessman who had made many enemies. On the other hand, the atmosphere in the Borden household was tense, Lizzie resented her stepmother, she was prone to mental instability, and she had purchased poison a few days before the murders which police suspected was the cause of food poisoning. There was a financial motive: Lizzie was

upset her father had transferred property she was due to inherit to other family members. And then there was the 'paint stained' dress Lizzie burned three days after the murder... In March 2012, the handwritten journals of one of Lizzie's defense attorneys, Andrew Jennings, finally came to light. The journals, which contain newspaper clippings and notes Jennings made at the time of trial indicate he felt Lizzie was innocent. However, in later years there was tension between Lizzie and Jennings. Once the trial was over, Jennings cut off any mention of it with a firm statement that he preferred not to discuss it. The sudden disappearance of the Borden maid back to Ireland always cast a shadow over the characters of Lizzie's three attorneys, and Lizzie resented their whopping \$25,000 legal bill (an ungodly sum of money back in 1893). Attorney's get paid to believe their clients are innocent, and Lizzie's three lawyers got paid better than most. Lizzie's three lawyers got paid better than most. Although there are many books written on the double homicide and subsequent murder trial, *A Private Disgrace* is far and above the most readable. Victoria Lincoln was a professional writer who grew up in Fall River, near Lizzie Borden. As the daughter of a family that produced machinery for the cotton mills that were the foundation of Fall River's economy, Miss Lincoln grew up acutely aware of the social distinctions, manners and mores of the society to which the Borden's belonged and in which Lizzie's trial took place. This first-hand knowledge, combined with her painstaking research, make her unique among writers about the case. ~WINNER of the Edgar Award for Best Non-Fiction Crime Book of 1967 - Mystery Writers of America~ Keywords: true

The novels of the South African writer J. M. Coetzee won him global recognition and the Nobel Prize in Literature in 2003. His work offers substantial pedagogical richness and challenges. Coetzee treats such themes as race, aging, gender, animal rights, power, violence, colonial history and accountability, the silent or silenced other, sympathy, and forgiveness in an allusive and detached prose that avoids obvious answers or easy ethical reassurance. Part 1 of this volume, "Materials," identifies secondary materials, including multimedia and Internet resources, that will help instructors guide their students through the contextual and formal complexities of Coetzee's fiction. In part 2,

"Approaches," essays discuss how to teach works that are sometimes suspicious of teachers and teaching. The essays aim to help instructors negotiate Coetzee's ironies and allegories in his treatment of human relationships in a changing South Africa and of the shifting connections between human beings and the biosphere.

### **Resemblance & Disgrace**

Enhanced Edition of the bestselling Mrs Robinson's Disgrace, including author videos and podcasts On a mild winter's evening in 1850, Isabella Robinson set out for a party. Her carriage bumped across the wide cobbled streets of Edinburgh's Georgian New Town and drew up at 8 Royal Circus, a grand sandstone house lit by gas lamps. This was the home of the rich widow Lady Drysdale, a vivacious hostess whose soirees were the centre of an energetic intellectual scene. Lady Drysdale's guests were gathered in the high, airy drawing rooms on the first floor, the ladies in dresses of glinting silk and satin, bodices pulled tight over boned corsets; the gentlemen in tailcoats, waistcoats, neckties and pleated shirt fronts, dark narrow trousers and shining shoes. When Mrs Robinson joined the throng she was introduced to Lady Drysdale's daughter and son-in-law, Mary and Edward Lane. She was at once enchanted by the handsome Mr Lane, a medical student ten years her junior. He was 'fascinating', she told her diary, before chastising herself for being so susceptible to a man's charms. But a wish had taken hold of her, which she was to find hard to shake A compelling story of

romance and fidelity, insanity, fantasy, and the boundaries of privacy in a society clinging to rigid ideas about marriage and female sexuality, Mrs Robinson's Disgrace brings vividly to life a complex, frustrated Victorian wife, longing for passion and learning, companionship and love.

### **Mrs Robinson's Disgrace, The Private Diary of A Victorian Lady ENHANCED EDITION**

Exposing the realities of this world and showing how humans have forsaken the morals and values by

which they should live, author Mary Robinson discusses the necessity of acknowledging the wisdom that God has supplied humankind. Through her personal testimony, she shares how she was led to Christ and has not looked back. In *From Disgrace to Grace*, Robinson explains how the two sins of fornication and adultery are destroying lives. She reveals the path to begin living a life that God intended, which involves changing a mind-set to live a godly life; knowing God by having a personal relationship with him; understanding God's will and honoring his word; showing appreciation for the grace he bestows; avoiding fornication and adultery; and renouncing the devil. Through Bible scripture, *From Disgrace to Grace* shows how to live by the words of God and be thankful that he gave humans the Holy Spirit to endure the challenges faced in life.

From his start as a West Point graduate - Class of 1848 - to his retirement as a brigadier general more than forty years later, John C. Tidball saw much that shaped the United States and its army. Having protected President Lincoln during his First Inaugural, he served with the Army of the Potomac as a battery

commander, a horse artillery brigade commander, and a corps artillery commander. Beginning with the First Battle of Bull Run, Tidball saw action in nearly all the major engagements in the Eastern Theater, including Chancellorsville, Yorktown, Williamsburg, Gettysburg, Antietam, and Petersburg. Using previously unpublished wartime letters and memoirs, Eugene C. Tidball captivates the reader with the story of his most famous relative's years in service to his country. The descriptions of battles and skirmishes offer first-person accounts of the action as well as the men he served with - men such as Irvin McDowell, Ambrose Burnside, and Henry Hunt. Tidball's account extends beyond the Civil War to include his recounting of the Supreme Court's delivery of the Dred Scott decision; his command of the military District of Alaska; his traversing the Southwest in 1853 as a member of the 35th Parallel Pacific Railroad Survey; and his service as aide-de-camp to General-in-Chief William Tecumseh Sherman.

## **England's Disgrace?**

First published in 1975, *Disgrace and Favour* is a novel of life on the Border in the dying years of Elizabeth I's reign and of intrigue and immorality at the court of King James. It is the story of the Queen's cousin, Sir Robert Carey, who was disgraced for marrying without her consent, of his struggle to restore his fortunes under her successor, and his realisation that favour among the hazards of a decadent court was even less appealing than a hard but untrammelled life in exile on the Border. It is the story, too, of the hanging of Geordie Bourne; of the life and death of Prince Henry, most gifted of the Stuarts; of Robert Carr, the royal favourite who became the only first minister of a British monarch to be convicted of murder; of Frances Howard, the beauty of the age and twice a countess, on the state of whose maidenhead depended the government of the country; of the mysterious poisoning of Sir Thomas Overbury in the Tower of London, and the meteoric career of George Villiers. Many of the other rich and bizarre characters of the age make an appearance in these pages. They are headed by the awesome Queen who terrorised her courtiers and the far from majestic king who united Scotland and England and proclaimed himself God's Vice-regent on earth but displayed a strange variety of human weaknesses.

### **Wounded Dove in Honor and Disgrace**

"I think people marry far too much; it is such a lottery,

and for a poor woman--bodily and morally the husband's slave--a very doubtful happiness." -Queen Victoria to her recently married daughter Vicky Headstrong, high-spirited, and already widowed, Isabella Walker became Mrs. Henry Robinson at age 31 in 1844. Her first husband had died suddenly, leaving his estate to a son from a previous marriage, so she inherited nothing. A successful civil engineer, Henry moved them, by then with two sons, to Edinburgh's elegant society in 1850. But Henry traveled often and was cold and remote when home, leaving Isabella to her fantasies. No doubt thousands of Victorian women faced the same circumstances, but Isabella chose to record her innermost thoughts--and especially her infatuation with a married Dr. Edward Lane--in her diary. Over five years the entries mounted--passionate, sensual, suggestive. One fateful day in 1858 Henry chanced on the diary and, broaching its privacy, read Isabella's intimate entries. Aghast at his wife's perceived infidelity, Henry petitioned for divorce on the grounds of adultery. Until that year, divorce had been illegal in England, the marital bond being a cornerstone of English life. Their trial would be a cause celebre, threatening the foundations of Victorian society with the specter of "a new and disturbing figure: a middle class wife who was restless, unhappy, avid for arousal." Her diary, read in court, was as explosive as Flaubert's *Madame Bovary*, just published in France but considered too scandalous to be translated into English until the 1880s. As she accomplished in her award-winning and bestselling *The Suspicions of Mr. Whicher*, Kate Summerscale brilliantly recreates the Victorian world, chronicling in exquisite and compelling detail the life

of Isabella Robinson, wherein the longings of a frustrated wife collided with a society clinging to rigid ideas about sanity, the boundaries of privacy, the institution of marriage, and female sexuality.

### **Power to Disgrace the Oppressor**

Each day I prayed for my husband to love me again. After fifteen years together, he walked away from me, and into the arms of another. I didn't know how to cope. I didn't know my worth. I didn't know how to exist without him by my side. All I wanted was for him to come back to me. Then, Jackson Emery appeared. He was supposed to be a distraction for my mind. A summer fling. A confidence boost to my bruised heart. We were perfect for one another, because we both knew we wouldn't last. Jackson didn't believe in commitment, and I no longer believed in love. He was too closed-off for me, and I was too damaged for him. Everything was fine, until one night my heart skipped a beat. I didn't expect him to make me laugh. To make me think. To make my sadness somewhat disappear. When our time was up, my heart didn't know how to walk away. Each day I prayed for my husband to love me again, yet slowly my prayers began to shift toward the man who wasn't right for me. I prayed for one more smile, one more kiss, one more laugh, one more touch I prayed for him to be mine. Even though I knew his heart wasn't destined to love.

This study analyses the legal condition of women in Catalonia, Spain, in the early modern ages, particularly during the seventeenth and eighteenth centuries, by way of the study of primary legal sources. The legal discourse was conceived as being different for men and women: women were treated as a specific social category, were judicially

discriminated against and were given inferior legal personality. Following the moral discourse of the time, jurists classified women as honest and dishonest, and tried to establish a physical and legal barrier to divide the good from the bad. As a result, women were before the law, pawns for male decisions. However, women did not easily comply with the submissive role attributed to them and, as civil lawsuits show, often they used the law that discriminated them in their own benefit.

### **DisGrace Notes**

EDITORIAL REVIEW: \*Disgrace\*--set in post--apartheid Cape Town and on a remote farm in the Eastern Cape--is deft, lean, quiet, and brutal. A heartbreaking novel about a man and his daughter, \*Disgrace\* is a portrait of the new South Africa that is ultimately about grace and love. At fifty--two Professor David Lurie is divorced, filled with desire but lacking passion. An affair with one of his students leaves him jobless and friendless, except for his daughter, Lucy, who works her smallholding with her neighbor, Petrus,

an African farmer now on the way to a modest prosperity. David's attempts to relate to Lucy, and to a society with new racial complexities, are disrupted by an afternoon of violence that changes him and his daughter in ways he could never have foreseen. In this wry, visceral, yet strangely tender novel, Coetzee once again tells "truths [that] cut to the bone" (\*The New York Time Book Review\*). A finalist for The National Book Critics Circle Awards Coetzee is the only writer to have been awarded the Booker Prize twice

### **How to Disgrace a Lady**

Set in the sixteenth century Village of Gruica's Bridge in Eastern Herzegovina, Wounded Dove in Honor and Disgrace explores an age long struggle for human understanding between the Muslim and Christian civilizations in the midst of political and social upheaval. Through the portrayal of a tradition in

turmoil, it clearly points to grave sorrow the oppressed women of that time had to endure. It depicts their struggle for survival in the dominant male world and their reaction to overwhelming conditions, imposed upon them by the Ottoman Turks from the outside, and by the outlawed slave-traders from within. Angelina, the wounded dove in this story achieves some extraordinary things. Restrictions inherent in the traditional codes of behavior of her own people do not make her life any easier.
