SO YOU REALLY WANT TO LEARN LATIN BOOK 2

An Encyclopedist of the Dark Ages

As I was turning over in my mind what I might present to Your Majesty as a gift at once worthy of Your Royal Highness and befitting my profession and office, it seemed to me a highly appropriate offering that, for a king, I should write a book on kingship, in which, so far as my ability permits, I should carefully expound, according to the authority of Holy Writ and the teachings of the philosophers as well as the practice of worthy princes, both the origin of kingly government and the things which pertain to the office of a king, relying for the beginning, progress and accomplishment of this work, on the help of Him, Who is King of Kings, Lord of Lords, through Whom kings rule, God the Mighty Lord, King great above all gods.

History of European Morals

Two major Jewish risings against Rome took place in the years following the destruction of Jerusalem - the first during Trajan's Parthian war, and the second, led by Bar Kokhba, under Hadrian's principate. The impact of these risings not only on Judaea, but also on Cyrene, Egypt, Cyprus and Mesopotamia, is shown by accounts in both ancient Jewish and non-Jewish literature. More recently discovered sources include letters and documents from fighters and refugees, and inscriptions attesting war and restoration. Historical evaluation has veered between regret for a pointless bloodbath and admiration for sustained resistance. William Horbury offers a new history of these risings, presenting a fresh review of sources and interpretations. He explores the period of Jewish war under Trajan and Hadrian not just as the end of an era, but also as a time of continuity in Jewish life and development in Jewish and Christian origins.

Roman Social Imaginaries

Latin Alive!

This collection investigates the culture and history of the Low Countries in the sixteenth and seventeenth centuries from both international and interdisciplinary perspectives. The period was one of extraordinary upheaval and change, as the combined impact of Renaissance, Reformation and Revolt resulted in the radically new conditions – political, economic and intellectual – of the Dutch Republic in its Golden Age. While many aspects of this rich and nuanced era have been studied before, the emphasis of this volume is on a series of interactions and interrelations: between communities and their varying but often cognate languages; between different but overlapping spheres of human activity; between culture and history. The chapters are written by historians, linguists, bibliographers, art historians and literary scholars based in the Netherlands, Belgium, Great Britain and the United States. In continually crossing disciplinary, linguistic and national boundaries, while keeping the culture and history of the Low Countries in the Renaissance and Golden Age in focus, this book opens up new and often surprising perspectives on a region all the more intriguing for the very complexity of its entanglements.

Slave Girl, Written by Herself is the crowning achievement. Manifesting a command of rhetorical and narrative strategies rivaled only by that of Frederick Douglass, Jacobs's autobiography is one of the major works of Afro-American literature"-Henry Louis Gates, Jr. Incidents In the Life of a Slave Girl, the autobiography of Harriet Jacobs, was initially written with the intention of illuminating white abolitionists to the appalling treatment of female slaves in the pre-Civil War South of the United States. The book was later rediscovered in the 1960's, and it was not until the 1980s that it was proved to be an extraordinary work of autobiographical memoir as opposed to fiction. In this astonishing book, Harriet Jacobs uses the pseudonym of Linda Brent to recount her story as a slave, a mother, and her eventual escape to the north. Born into a relatively calm life as a young child to slaves, she is taken into the care of a kind mistress when her mother dies. Linda is taught to read and write, and is generally treated with respect. When the mistress passes away Linda is handed over to Dr. Flint. He is a negligent and cruel new master who subsequently pressures Linda for sexual favors, yet she resists his demands for years. In an attempt to circumvent the situation, Linda enters into a relationship with Mr. Sands, a white neighbor who ends up fathering her two children. Expecting that she and her children will be sold to Mr. Sands, Dr. Flint instead decides to subject them to further degradation. Linda escapes and goes into hiding in a small attic, and her children are eventually sold to Mr. Sand. For over seven years, Linda remains in hiding, until she ultimately escapes North to be reunited with her children. Incidents In the Life of a Slave Girl is a

devastating yet empowering document that uniquely focuses on the psychological and spiritual effects that bondage had on women slaves and their families. With an eye-catching new cover, and professionally typeset manuscript, this edition of *Incidents in the Life of a Slave Girl* is both modern and readable.

The Story of Æneas

Love and tragedy dominate book four of Virgil's most powerful work, building on the violent emotions invoked by the storms, battles, warring gods, and monster-plagued wanderings of the epic's opening. Destined to be the founder of Roman culture, Aeneas, nudged by the gods, decides to leave his beloved Dido, causing her suicide in pursuit of his historical destiny. A dark plot, in which erotic passion culminates in sex, and sex leads to tragedy and death in the human realm, unfolds within the larger horizon of a supernatural sphere, dominated by power-conscious divinities. Dido is Aeneas' most significant other, and in their encounter Virgil explores timeless themes of love and loyalty, fate and fortune, the justice of the gods, imperial ambition and its victims, and ethnic differences. This course book offers a portion of the original Latin text, study questions, a commentary, and interpretative essays. Designed to stretch and stimulate readers, Ingo Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level. It extends beyond detailed linguistic analysis to encourage critical engagement with Virgil's poetry and discussion of the most recent scholarly thought.

Darla's Story

Caesar Selections from His Commentarii De Bello Gallico

Darla Edmunds has faced a lot of challenges in her seventeen years: Her dad died in a farming accident when she was fourteen. Her mother retreated into hyper-religiosity, leaving Darla to run the family farm almost single-handedly. But those struggles pale in comparison to the one she faces after the Yellowstone supervolcano erupts, plummeting the world-and Darla's small corner of Iowa-into a cataclysmic natural disaster. DARLA'S STORY is book #0.5 of the ASHFALL trilogy (or should it be called a three-and-a-half-ology?) It's told from Darla's perspective, beginning with the eruption and ending when an injured stranger keels over in her barn. If you're new to the world of ASHFALL, DARLA'S STORY is a great place to start. If you've read ASHFALL and loved Darla, this book was written for you. Enjoy!

Virgil, Aeneid, 4.1-299

In an expansion of his 2012 Robson Classical Lectures, Clifford Ando examines the connection between the nature of the Latin language and Roman thinking about law, society, and empire. Drawing on innovative work in cognitive linguistics and anthropology, *Roman Social Imaginaries* considers how metaphor, metonymy, analogy, and ideation helped create the structures of thought that shaped the Roman Empire as a political construct. Beginning in early Roman history, Ando shows how the expansion of the empire into new territories led the Romans to develop and exploit Latin's extraordinary capacity for abstraction. In this way, laws and institutions invented for use in a single Mediterranean city-state could be deployed across a remarkably heterogeneous empire. Lucid, insightful, and innovative, the essays in *Roman Social Imaginaries* constitute some of today's most original thinking about the power of language in the ancient world.

Examining a wide array of ancient writings, Brent Nongbri dispels the commonly held idea that there is such a thing as ancient religion. Nongbri shows how misleading it is to speak as though religion was a concept native to pre-modern cultures.
