The vivid personality, great intelligence and strong determination of Carlo Abarth are revealed through the pages of his large biography. Described is Abarth's personal life, his early motorcycling projects and races, and the Cisitalia period and its unfortunate decline. Includes the long and successful new adventure in car-tuning which made Abarth and his cars renown all over the world. This book also contains technical data for each model produced, supported by company chassis drawings and engine cutaways. Exhaustive and accurate listing of competitions which saw Abarth cars dominating the racing fields year by year. The book is richly illustrated by appealing and never published before photos, many of them belonging to the personal Abarth photo archive.

### **The Aardvark Who Wasn't Sure**

Reprint of the prestigious volume published on the occasion of the fiftieth anniversary of the House of Maranello and sponsored by Ferrari itself. The imposing work is subdivided in two large sections. The technical part is by Karl Ludvigsen and details the technological innovations introduced by Ferrari from 1947 up to now; the historical part is by Gianni

Cancellieri and recalls, decade after decade, Ferrari's history from the industrial, sport and human viewpoint. The appendix includes the silhouettes of all the cars built by Ferrari, the list of the men that in these fifty years have contributed in building the myth of the Prancing Horse (presidents, technicians, teams, drivers and so on).

“The best, funniest, most revealing inside look at the restaurant biz since Anthony Bourdain’s Kitchen Confidential.” —Jay McInerney With a new foreword by Mario Batali Joe Bastianich is unquestionably one of the most successful restaurateurs in America—if not the world. So how did a nice Italian boy from Queens turn his passion for food and wine into an empire? In Restaurant Man, Joe charts a remarkable journey that first began in his parents’ neighborhood eatery. Along the way, he shares fascinating stories about his establishments and his superstar chef partners—his mother, Lidia Bastianich, and Mario Batali. Ever since Anthony Bourdain whet literary palates with Kitchen Confidential, restaurant memoirs have been mainstays of the bestseller lists. Serving up equal parts rock ‘n’ roll and hard-ass business reality, Restaurant Man is a compelling ragu-to-riches chronicle that foodies, businessmen, and aspiring restaurateurs alike will be hankering to read.

Discover the stylistic evolution of the watch in this unparalleled guide to the greatest timepieces of the 20th century. Offering the perfect blend of high-quality imagery and impeccable research, this magnificent book takes readers through the 20th century to show how the watch, in all its forms, evolved. It charts the early rise of the wristwatch, shows how the cataclysmic events of the 1929 Wall Street Crash unexpectedly led to a golden age of watch production, and demonstrates how the electronic watch, which almost destroyed the traditional industry, led to a mechanical watch renaissance in the last two decades of the 20th century. Each decade opens with an introduction to the era's stylistic and design highlights and then examines the development of specific genres of watches within each period. Hundreds of color photographs in this book feature full page close ups that reveal intricate details of form, texture, and design. Author Alexander Barter's vast knowledge of the 20th-century watch informs his texts which discuss the major technological and design breakthroughs in a chronological format. This book also includes vintage advertisements and other promotional materials, helping to give a sense of the eras in which they were created. The perfect gift for watch aficionados, this beautiful and informative volume presents the world's finest watches with an elegance and depth befitting its subject.

## **Marks of Excellence**

An event as significant for Alfa Romeo enthusiasts as the reopening of the marque's historic museum at Arese - held on 24 June 2015, the day on which Alfa celebrates its 105th anniversary - could hardly not be celebrated with a book. The official catalogue of the new museum represents an opportunity to review the history of the marque and above all to accompany the reader/visitor around the new exhibition layout in which the cars have been thematically grouped and subdivided. The glorious racing cars (from the P2 to the 33 in all their variants, through to the less successful cars that competed in F1) are brought together under the section VELOCITA' introduced by Alfa Romeo driver Nino Vaccarella, while cars such as the 1759, 8C 2900, 6C 2500, 1900, Giulietta and Alfetta, along with the most recent production models, illustrate the most important episodes in the Biscione's industrial history in the TIMELINE section - introduced by American journalist Nick Czap. The section BELLEZZA - introduced by designer Lorenzo Ramaciotti, head of Style for the Fiat Group for years - focuses on the undisputed protagonists being cars such as the 33 Stradale, the Carabo and the Nuvola, milestones in the evolution of automotive styling. A specific chapter also features all those models that do not appear in the exhibition. The catalogue is therefore an indispensable instrument for all those visiting this authentic temple of history, technology and culture.

This book explains how the HF 4WD evolved over the years - first into the Integrale with its original 8-valve engine, then the Integrale 16V, and ultimately into the Integrale 16V Evo 1 (or 'Deltona', as it was affectionately known). This compact, five-door Lancia dominated world-class rallying for six years, winning innumerable events, World Championships for Drivers, and

World Championships for Manufacturers. Alongside the cars, driving heroes such as Markku Alan, Didier Auriol, Miki Biasion, Juha Kankkunen and Carlos Sainz also became legendary in this period.

## **Fiat 500 l'utilitaria della libertà**

The complex subject is explained with completeness and simplicity of expression, so that it can be read and understood by everyone. The motor racing wing is at the center of the story, while the picture is completed by the entire aerodynamic behavior of the racing car. The volume also includes a specific chapter on CFD (fluid dynamics computation). Hundreds of illustrations enhance this work, which is an indispensable starting point for people who want to know all about this complex but fascinating subject.

"A visual celebration of the iconic car of Italy's fashionable dolce vita boom years. The Fiat 500, which began production in 1957, is the iconic car of Italy's free-spirited boom years, when Italian films, fashion, and design took the world by storm. The car remains immortalized in America's imagination and is much sought after by collectors and anyone with a nostalgic love for la dolce vita. This book celebrates the 500 for both its groundbreaking design and its role as a pop-culture icon. Despite its diminutive size, it proved to be enormously practical and popular. It was an instant hit with the Cinecitta movie stars as well as with American tourists absorbing Italy's local color. The book features an array of vintage images of the 500, including film stills, paparazzi shots, and advertising, in addition to more serious chapters on design. The publication of this handsome tribute volume is timed with Fiat's release in the United States of its updated version of the car for the twenty-first century, the Fiat Nuova 500"--Publisher's description.

Maserati turned 100 years old in 2014 - a century of history, graced by some of the world's greatest technicians, racing drivers, cars and victories. MASERATI ALL THE CARS is a 'catalogue' that celebrates the House of the Trident by bringing together almost all its production, from the Tipo 26 - the Grand Prix racer with which the Maserati brothers first became constructors back in 1926 - to current production cars like the GranTurismo, Quattroporte, Ghibli and the brand new Kubang. Between the two were road and racing cars that were true icons of automobile history. The first group includes, among others, the A6 1500, 3500 and 5000 GT, the Ghibli, Indy and Merak; the second the astounding 8CTF, the A6GCSs, the 250 F, the 'Birdcage' and the more recent MC12. The book includes 150 full color designs by illustrator Michele Leonello.

NOW A MAJOR MOTION PICTURE The #1 bestselling author of Saturday and Atonement brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy in his unforgettable, emotionally engaging novel. The year is 1962. Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London. Falling in love with the accomplished, shy and sensitive Florence--and having his affections returned with equal intensity--has utterly changed his life. Their marriage, they believe, will bring them happiness, the confidence and the freedom to fulfill their true destinies. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward,

who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past, to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, *On Chesil Beach* is an extraordinary novel that brilliantly, movingly shows us how the entire course of a life can be changed--by a gesture not made or a word not spoken.
