Mr Car Man aims to provide simple and easy ways to understand information applicable to all car owners who wish to save money, prevent problems arising, and keep their car(s) on the road. Pride and satisfaction in performing basic tasks on your car will allow you to improve your self-confidence. I love cars, and I wish others could enjoy the same passion! A little car 'know-how' will save you a lot of money! Mr Car Man is the 'first aid', not the brain surgery; begin with the basics and move through the grades, up to performing regular tune-ups and servicing. A car purchase is often the second most pricey purchase, behind our beloved house, and yet most owners are too scared to perform the most basic tasks on their own car. Do you want to know tips, secrets, and handy hints to achieve the best deals for yourself?

1979-2004 Mustangs are some of the most popular and affordable performance cars available. With a

huge aftermarket supplying everything from body panels to crate engines to suspension and handling mods, a motivated enthusiast can easily create the street machine of their dreams. On the other other, those less mechanically inclined can simply enjoy a fun stocker. The 1979 to 1993 Fox-platform Mustangs and their contemporary counterparts, the 1994-2001 Mustangs, are widely available, relatively inexpensive, and easy to work on. Mustang Buyer's Guide 1979-2004 will help you sort out the myriad differences over the past 25 years and ensure you buy the best car possible. About the Author Brad Bowling has been writing about and photographing Mustangs since 1985. He has been the editor of Mustang Times and associate editor of Mustang Illustrated. He lives with his wife, Heather, and their American Eskimo Dog in Concord, North Carolina.

Mustang 1964 1/2-1973 Restoration Guide

From decreasing the odds of receiving a parking ticket to dealing with a ticket once issued, this handbook outlines the most common violations and situations motorists will encounter when driving and parking throughout the greater New York City metro area. Operating on the premise that the best parking defense is knowledge, this guide begins with an in-depth analysis of the basic parking regulations—including those identified by posted signs such as No Parking, No Stopping, No Standing, and street cleaning as well as those monitored via parking meters—for the general public as well as commercial vehicles. Readers will also learn how to read a parking ticket, to identify the specific violation(s) cited, and scan the document to determine if there are any grounds for automatic dismissal. A handy chart of code violations and corresponding fines, tips on the appeal process, and a quick-reference guide to tow pounds further enhance the learning experience.
