Sing a Song, Play a Game

Elegantly tracing the intellectual history of computer science, Foer puts the DNA of the very idea of "tech" under the microscope. Google, Facebook, Apple, and Amazon, he argues, are breaking laws intended to protect intellectual property and privacy. This is not the path towards freedom and prosperity, but the total automation and homogenization of our social, political, and intellectual lives. Today's corporate giants want access to every facet of our identities and influence over every corner of our lives. Foer both indicts these companies, and shapes a path towards reining them in.

Franklin Is Lost

Franklin, eager to meet his baby sister, tries to make spring come more quickly, yet nature can't be rushed and so Franklin realizes that he just has to learn to be patient.

Franklin's Baby Sister

Franklin learns about individual food preferences when he brings fly sandwiches and fly cookies for his friends to eat at their picnic.

Tar Heel Traveler

2012 National Jewish Book Award Winner JEWISH JOCKS: AN UNORTHODOX HALL OF FAME is a timeless collection of biographical musings, sociological riffs about assimilation, first-person reflections, and, above all, great writing on some of the most influential and unexpected pioneers in the world of sports. Featuring work by today's preeminent writers, these essays explore significant Jewish athletes, coaches, broadcasters, trainers, and even team owners (in the finite universe of Jewish Jocks, they count!). Contributors include some of today's most celebrated writers covering a vast assortment of topics, including David Remnick on the biggest mouth in sports, Howard Cosell; Jonathan Safran Foer on the prodigious and pugnacious Bobby Fischer; Man Booker Prize-winner Howard Jacobson writing elegantly on Marty Reisman, America's greatest ping-pong player and the sport's ultimate showman. Deborah Lipstadt examines the continuing legacy of the Munich Massacre, the fortieth anniversary of which coincided with the 2012 London Olympics. Jane Leavy reveals why Sandy Koufax agreed to attend her daughter's bat mitzvah. And we learn how Don Lerman single-handedly thrust competitive eating into the public eye with three pounds of butter and 120 jalapeño peppers. These essays are supplemented by a cover design and illustrations throughout by Mark Ulriksen. From settlement houses to stadiums and everywhere in between, JEWISH JOCKS features men and women who do not always fit the standard athletic mold. Rather, they utilized talents long prized by a people of the book (and a

relationships We all play games. In the workplace, in the bedroom, even when we are not aware of it. Every personal encounter is a mental contest, an opportunity to assert our will. Eric Berne's classic *Games People Play* is the most accessible and insightful book ever written about the psychology of relationships and the patterns of behaviour that reveal our hidden feelings and emotions. Wise and witty, it shows the underlying motivations behind our relationships and explores the roles that we try, and are forced, to play. *Games People Play* gives you the keys to unlock the minds of others - and yourself. You'll become more honest, more effective and a true team player."
