## When She Was Good

## Guide to Jewish Films on Video

Nathan Zuckerman's fourth novel--a scandalously explicit best seller--makes him rich and famous and throws him, amid gossip, temptations, and threats, into the

turbulent world outside of art

### **Goodbye, Columbus**

From the moment that his debut book, *Goodbye, Columbus* (1959), won him the National Book Award, Philip Roth has been among the most influential and controversial writers of our age. Now the author of more than twenty novels, numerous stories, two memoirs, and two books of literary criticism, Roth has used his writing to continually reinvent himself and in doing so to remake the American literary landscape. This Companion provides the most comprehensive introduction to his works and thought in a collection of newly commissioned essays from distinguished scholars. Beginning with the urgency of Roth's early fiction and extending to the vitality of his most recent novels, these essays trace Roth's artistic engagement with questions about ethnic identity, postmodernism, Israel, the Holocaust, sexuality, and the human psyche itself. With its chronology and guide to further reading, this Companion will be essential for new and returning Roth readers, students and scholars.

### **The Ghost Writer**

Against the backdrop of the Korean War, a young man faces life's unimagined

chances and terrifying consequences. It is 1951 in America, the second year of the Korean War. A studious, law-abiding, intense youngster from Newark, New Jersey, Marcus Messner, is beginning his sophomore year on the pastoral, conservative campus of Ohio's Winesburg College. And why is he there and not at the local college in Newark where he originally enrolled? Because his father, the sturdy, hard-working neighborhood butcher, seems to have gone mad -- mad with fear and apprehension of the dangers of adult life, the dangers of the world, the dangers he sees in every corner for his beloved boy. As the long-suffering, desperately harassed mother tells her son, the father's fear arises from love and pride. Perhaps, but it produces too much anger in Marcus for him to endure living with his parents any longer. He leaves them and, far from Newark, in the midwestern college, has to find his way amid the customs and constrictions of another American world. Indignation, Philip Roth's twenty-ninth book, is a story of inexperience, foolishness, intellectual resistance, sexual discovery, courage, and error. It is a story told with all the inventive energy and wit Roth has at his command, at once a startling departure from the haunted narratives of old age and experience in his recent books and a powerful addition to his investigations of the impact of American history on the life of the vulnerable individual.

### **The Cambridge Companion to Philip Roth**

A compendium of information on over 400 feature length films of Jewish interest

available on video

### **Nemesis**

Patrimony, a true story, touches the emotions as strongly as anything Philip Roth has ever written. Roth watches as his eight-six-year-old father—famous for his vigor, his charm, and his repertoire of Newark recollections—battles with the brain tumor that will kill him. The son, full of love, anxiety, and dread, accompanies his father through each fearful stage of his final ordeal, and, as he does so, discloses the survivalist tenacity that has distinguished his father's long, stubborn engagement with life. Philip Roth is hailed by many as the reigning king of American fiction. Winner of the National Book Critics Circle Award, this memoir about love, survival and memory is one of his most intimate books, but also one of his most intellectually vigorous. Patrimony is Roth's elegy to his father, written with piercing observation and wit at the height of his literary prowess.

### **The Humbling**

A witty social satire about a poor librarian from the Bronx and a pampered Jewish princess from Westchester County who become lovers despite her parents' opposition.

## **Blacks and Jews in Literary Conversation**

National Book Award Winner Philip Roth's brilliant career was launched when the unknown twenty-five-year-old writer won the Houghton Mifflin Literary Fellowship for a collection that was to be called *Goodbye, Columbus*, and which, in turn, captured the 1960 National Book Award. In the famous title story, perhaps the best college love story ever written, Radcliffe-bound Brenda Patimkin initiates Neil Klugman of Newark into a new and unsettling society of sex, leisure, and loss. Over the years, most of the other stories have become classics as well.

summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Short Stories for Students for all of your research needs.

### **Patrimony**

Everything is over for Simon Axler, the protagonist of the history. One of the leading American stage actors of his generation, now in his sixties, he has lost his magic, his talent and his assurance. His Falstaff and Peer Gynt and Vanya, all his great roles, 'are melted into air, into thin air'. When he goes on stage he feels like a lunatic and looks like an idiot. His confidence in his powers has drained away; he imagines people laughing at him; he can no longer pretend to be someone else. His wife has gone, his audience has left him, his agent can't persuade him to make a comeback. Into this shattering account of inexplicable and terrifying self-evacuation bursts a counterplot of unusual erotic desire, a consolation for the bereft life so risky and aberrant that it points not towards comfort and gratification but to a yet darker and more shocking end. In this long day's journey into night, told with Roth's inimitable urgency, bravura and gravity, all the ways that we persuade ourselves of our solidity, all our life's performances - talent, love, sex, hope, energy, reputation - are stripped off.

### **Roth Unbound**

The classic tale of terrorism, where a criminal fanatic is hell-bent on blasting San Francisco into the ocean, from the acclaimed master of action and suspense.

### **Shop Talk**

Radio actor Iron Rinn (born Ira Ringold) is a big Newark roughneck blighted by a brutal personal secret from which he is perpetually in flight. An idealistic Communist, a self-educated ditchdigger turned popular performer, a six-foot six-inch Abe Lincoln look-alike, he marries the nation's reigning radio actress and beloved silent-film star, the exquisite Eve Frame (born Chava Fromkin). Their marriage evolves from a glamorous, romantic idyll into a dispiriting soap opera of tears and treachery. And with Eve's dramatic revelation to the gossip columnist Bryden Grant of her husband's life of "espionage" for the Soviet Union, the relationship enlarges from private drama into national scandal. Set in the heart of the McCarthy era, the story of Iron Rinn's denunciation and disgrace brings to harrowing life the human drama that was central to the nation's political tribulations in the dark years of betrayal, the blacklist, and naming names. Married a Communist is an American tragedy as only Philip Roth could write it.

### **Racquet**

The story of one of the most important and least-understood jobs in moviemaking—film editing—is here told by one of the wizards, Ralph Rosenblum, whose credentials include six Woody Allen films, as well as *The Pawnbroker*, *The Producers*, and *Goodbye, Columbus*. Rosenblum and journalist Robert Karen have written both a history of the profession and a personal account, a highly entertaining, instructive, and revelatory book that will make any reader a more aware movie-viewer.

### **Goodbye, Columbus**

A young writer in search of a spiritual father, Nathan Zuckerman views E. I. Lonoff, who lives with his wife and his student-mistress in rural Massachusetts, as an embodiment of the ideal of artistic integrity and independence

### **Everyman**

Winner of the Man Booker International Prize 2011 In the "stifling heat of equatorial Newark," a terrifying epidemic is raging, threatening the children of the New Jersey city with maiming, paralysis, lifelong disability, and even death. This is the startling

## Access Free Goodbye Columbus

theme of Philip Roth's wrenching new book: a wartime polio epidemic in the summer of 1944 and the effect it has on a closely knit, family-oriented Newark community and its children. At the center of *Nemesis* is a vigorous, dutiful twenty-three-year-old playground director, Bucky Cantor, a javelin thrower and weightlifter, who is devoted to his charges and disappointed with himself because his weak eyes have excluded him from serving in the war alongside his contemporaries. Focusing on Cantor's dilemmas as polio begins to ravage his playground—and on the everyday realities he faces—Roth leads us through every inch of emotion such a pestilence can breed: the fear, the panic, the anger, the bewilderment, the suffering, and the pain. Moving between the smoldering, malodorous streets of besieged Newark and Indian Hill, a pristine children's summer camp high in the Poconos—whose "mountain air was purified of all contaminants"—Roth depicts a decent, energetic man with the best intentions struggling in his own private war against the epidemic. Roth is tenderly exact at every point about Cantor's passage into personal disaster, and no less exact about the condition of childhood. Through this story runs the dark questions that haunt all four of Roth's late short novels, *Everyman*, *Indignation*, *The Humbling*, and now *Nemesis*: What kind of accidental choices fatally shape a life? How does the individual withstand the onslaught of circumstance?

### **Goodbye, Columbus**

## Access Free Goodbye Columbus

### **I Married a Communist**

Explores the works of leading black and Jewish writers from the 1950s to the 1980s.

### **Philip Roth**

A critical evaluation of Philip Roth—the first of its kind—that takes on the man, the myth, and the work Philip Roth is one of the most renowned writers of our time. From his debut, *Goodbye, Columbus*, which won the National Book Award in 1960, and the explosion of *Portnoy's Complaint* in 1969 to his haunting reimagining of Anne Frank's story in *The Ghost Writer* ten years later and the series of masterworks starting in the mid-eighties—*The Counterlife*, *Patrimony*, *Operation Shylock*, *Sabbath's Theater*, *American Pastoral*, *The Human Stain*—Roth has produced some of the great American literature of the modern era. And yet there has been no major critical work about him until now. Here, at last, is the story of Roth's creative life. *Roth Unbound* is not a biography—though it contains a wealth of previously undisclosed biographical details and unpublished material—but

something ultimately more rewarding: the exploration of a great writer through his art. Claudia Roth Pierpont, a staff writer for *The New Yorker*, has known Roth for nearly a decade. Her carefully researched and gracefully written account is filled with remarks from Roth himself, drawn from their ongoing conversations. Here are insights and anecdotes that will change the way many readers perceive this most controversial and galvanizing writer: a young and unhappily married Roth struggling to write; a wildly successful Roth, after the uproar over *Portnoy*, working to help writers from Eastern Europe and to get their books known in the West; Roth responding to the early, Jewish—and the later, feminist—attacks on his work. Here are Roth's family, his inspirations, his critics, the full range of his fiction, and his friendships with such figures as Saul Bellow and John Updike. Here is Roth at work and at play. *Roth Unbound* is a major achievement—a highly readable story that helps us make sense of one of the most vital literary careers of the twentieth and twenty-first centuries.

### **Short Stories**

### **When The Shooting Stops The Cutting Begins**

Offering fresh insight into Roth's works, this volume covers the entire oeuvre to

date and addresses common themes and issues.

### **The Facts**

Letting Go is Roth's first full-length novel, published just after Goodbye, Columbus, when he was twenty-nine. Set in 1950s Chicago, New York, and Iowa city, Letting Go presents as brilliant a fictional portrait as we have of a mid-century America defined by social and ethical constraints and by moral compulsions conspicuously different from those of today. Newly discharged from the Korean War army, reeling from his mother's recent death, freed from old attachments and hungrily seeking others, Gabe Wallach is drawn to Paul Herz, a fellow graduate student in literature, and to Libby, Paul's moody, intense wife. Gabe's desire to be connected to the ordered "world of feeling" that he finds in books is first tested vicariously by the anarchy of the Herzes' struggles with responsible adulthood and then by his own eager love affairs. Driven by the desire to live seriously and act generously, Gabe meets an impassable test in the person of Martha Reganhart, a spirited, outspoken, divorced mother of two, a formidable woman who, according to critic James Atlas, is masterfully portrayed with "depth and resonance." The complex liason between Gabe and Martha and Gabe's moral enthusiasm for the trials of others are at the heart of this tragically comic work.

## Rethinking Columbus

A rigorously unfictionalized narrative that portrays Roth unadorned -- as young artist, as student, as son, as lover, as husband, as American, as Jew -- and candidly examines how close the novels have been to, and how far from, autobiography.

## Indignation

Philip Roth's new novel is a candidly intimate yet universal story of loss, regret, and stoicism. The best-selling author of *The Plot Against America* now turns his attention from "one family's harrowing encounter with history" (*New York Times*) to one man's lifelong skirmish with mortality. The fate of Roth's everyman is traced from his first shocking confrontation with death on the idyllic beaches of his childhood summers, through the family trials and professional achievements of his vigorous adulthood, and into his old age, when he is rended by observing the deterioration of his contemporaries and stalked by his own physical woes. A successful commercial artist with a New York ad agency, he is the father of two sons from a first marriage who despise him and a daughter from a second marriage who adores him. He is the beloved brother of a good man whose physical well-being comes to arouse his bitter envy, and he is the lonely ex-husband of

## Access Free Goodbye Columbus

three very different women with whom he's made a mess of marriage. In the end he is a man who has become what he does not want to be. The terrain of this powerful novel -- Roth's twenty-seventh book and the fifth to be published in the twenty-first century -- is the human body. Its subject is the common experience that terrifies us all. Everyman takes its title from an anonymous fifteenth-century allegorical play, a classic of early English drama, whose theme is the summoning of the living to death.

### **Save the Date**

### **The Zulu and the Zeide**

A Radcliffe undergraduate and a Newark public library employee engage in a summer romance

### **The Breast**

The best writing on tennis from the best tennis writers in the business. Racquet was founded in 2016 to be the voice of a new tennis boom. When the popularity of tennis peaked in the late '70s and early '80s, the sport was populated by

buccaneering talents with outsize personas, such as Borg, Evert, McEnroe, Navratilova, Gerulaitis, Austin, King, and Connors. The game was played in every park, and tennis clothes became appropriate attire for cocktails as well as for a match. With success, however, came polish, and tennis--if not the game itself, then how it came to be represented in the culture--got boring. Having a big personality was no longer a virtue. Tennis went back to being a bastion of the elite. Racquet is a place for those who knew all along that the spirit of the tennis boom was alive. Tennis has always been present in the arts, in the popular culture, in the skateboarding, hip-hop, and fashion worlds. That side of tennis was--and is--obscured by the tightly controlled messaging of the athletes, the corporate glean of the major tournaments, and the all-white attire of the country-club scene. Racquet was launched to represent the latent, diverse, and large constituency of tennis that has not been embraced by the sport writ large. Featuring the work of some of today's finest writers, the quarterly independent magazine highlights the art, culture, and style that are adjacent to the sport--and just enough of the pro game to keep the diehards satisfied. This collection features some of the best writing from the first four years of Racquet and tackles such immediate topics as: How should tennis smell? What's the deal with Andre Agassi's private jet? What can a professional tennis player learn from Philip Roth? Why is tennis important in Lolita? How was Arthur Ashe like Muhammad Ali? And, crucially, what lessons have we learned from the implosion of that first tennis boom?

## **The Impact of Science on Society**

He is relentlessly defiant. He is exceedingly libidinous. His appetite for the outrageous is insatiable. He is Mickey Sabbath, the aging, raging powerhouse whose savage effrontery and mocking audacity are at the heart of Philip Roth's astonishing new novel. Sabbath's Theater tells Mickey's story in the wake of the death of his mistress, an erotic free spirit whose adulterous daring exceeds even his own. Once a scandalously inventive puppeteer, Mickey is now in his mid-sixties and besieged by ghosts - of his mother, his beloved brother, his vanished first wife, his mistress of thirteen years. Bereft and grieving, he embarks on a turbulent journey back into his past, one that brings him to the brink of madness and extinction. But no matter how ardently he courts death, he is too exuberantly alive to succeed at dying. Sabbath's Theater is a comic creation of epic proportions, and Mickey Sabbath is its gargantuan hero. This book presents Philip Roth at the peak of his powers.

## **Miss Crespigny**

## **A Philip Roth Reader**

## Access Free Goodbye Columbus

An excellent account and reflection on each diverse stage of Philip Roth's 50-year career.

### **Goodbye, Columbus**

Philip Roth's award-winning first book instantly established its author's reputation as a writer of explosive wit, merciless insight and a fierce compassion for even the most self-deluding of his characters. GOODBYE, COLOMBUS is the story of Neil Klugman and pretty, spirited Brenda Patimkin, he of poor Newark, she of suburban Short Hills, who meet one summer break and dive into an affair that is as much about social class and suspicion as it is about love. The novella is accompanied by five short stories that range in tone from the iconoclastic to the astonishingly tender and that illuminate the subterranean conflicts between parents and children and friends and neighbours in the American Jewish diaspora.

### **Goodbye, Columbus**

An unmarried journalist charts the haphazard course of her own perennial wedding guesthood, describing the wide range of weddings she has attended and the ways in which nuptial celebrations change relationships and compel guests to reexamine goals and beliefs.

### **Sabbath's Theater**

An anthology of selections from eight of Philip Roth's early novels, with a definitive version of *The Breast* and the previously uncollected story *Novotny's Pain*, alongside the essay-story *Looking At Kafka*.

### **Roots Too**

### **Letting Go**

*Rethinking Columbus: the next 500 years*, edited by Bill Bigelow and Bob Peterson is a resource guide for teachers and community activists which includes 90 essays, poems, short stories, interviews, historical vignettes, and lesson plans that re-evaluate the legacy of Columbus.

### **Portnoy's Complaint**

In this funny and chilling novel, the setting is a small town in the 1940s Midwest, and the subject is the heart of a wounded and ferociously moralistic young woman, one of those implacable American moralists whose "goodness" is a terrible disease.

## Access Free Goodbye Columbus

When she was still a child, Lucy Nelson had her alcoholic failure of a father thrown in jail. Ever since then she has been trying to reform the men around her, even if that ultimately means destroying herself in the process. With his unerring portraits of Lucy and her hapless, childlike husband, Roy, Roth has created an uncompromising work of fictional realism, a vision of provincial American piety, yearning, and discontent that is at once pitiless and compassionate.

### **Goodbye**

The life of actor/choreographer/musician Columbus Short has been punctuated with trauma that extends well beyond the plot lines of his previous role on the hit series Scandal. Short has lived many lives packed into one—from a family filled with turmoil to tumultuous love affairs and enough scandals of his own. But somewhere in the middle, Short's realization that there has to be a better way comes into full view. "Short Stories" not only details Columbus Short's journey from childhood to Hollywood, it shows how even the most checkered of pasts can create a different person with the right amount of will and drive, especially when it comes to fulfilling your true destiny.

### **Goodbye, Columbus, Hello Medicine**

In the 1970s, white ethnics mobilized around a new version of the epic tale of plucky immigrants making their way in the New World through the sweat of their brow. Although this turn to ethnicity was for many an individual search for familial and psychological identity, *Roots Too* establishes a broader white social and political consensus arising in response to the political language of the Civil Rights movement.

### **The Major Phases of Philip Roth**

The legendary author's essays and interviews explore how fellow writers from Milan Kundera to Edna O'Brien are influenced by time, place, and politics. Writers are often deeply influenced by the time and place in which they live and write. In *Shop Talk*, Philip Roth, winner of a National Book Award, a Pulitzer Prize, and numerous other literary honors, explores the intimate relationship a writer's experience has with his or her work. In a series of essays, Roth recounts his intellectual encounters with writers, discussing with them the diverse regions from which they hail and pondering the influence of locale, politics, and history on their work. Featuring luminaries such as Milan Kundera discussing Czechoslovakia; Primo Levi talking about Auschwitz; Edna O'Brien reflecting on Ireland; Isaac Bashevis Singer tackling Warsaw; Aharon Appelfeld on Bukovina; and Ivan Klíma on Prague, Roth's conversations touch on the conditions that inspire great art, with artists as attuned to the subtleties of their societies as they are the nuances of

## Access Free Goodbye Columbus

words. Also including a portrait of Bernard Malamud, a written exchange with Mary McCarthy about Roth's *The Counterlife*, and the essay "Rereading Saul Bellow," *Shop Talk* is a "fascinating [glimpse] of some of the deans of postwar literature" (Los Angeles Times Book Review).
