Death of an Honest Man

An autobiographical novel focuses on a young man trying to make sense of his place in the disjointed world that surrounds him.

An Honest Love

Andrew 'Freddie' Flintoff is one of the most exciting cricketers in the world and has improved out of all recognition during the last two years. In 2003, he was England's best player at the World Cup. Then, explosively, he lit up the second half of the summer in 2004, lifting spirits at Lord's with a bat-smashing 142. He walked off with the England man of the series award and averages to flaunt. This book marks his story so far in his own words, taking us up to and including the summer of 2005, during which Flintoff has performed heroics with both bat and ball against Australia. Freddie will highlight the moments and matches in his career that helped him dramatically on his way forward, and reveals what it is like to play for one of the most successful England cricket teams in history.

My Struggle:

We all want the truth, don't we? In fact, we demand it. We divorce spouses who withhold it. We insist our children practice it. We're hurt when our friends don't divulge it. We're incensed by politicians who invent it. But when it comes to our own behavior, how often do we transgress? Out of diplomacy, kindness, sympathy, and privacy we don't always tell the truth. Yet we often barely notice. So, what happens when we do notice? When we truly focus on the decisions we're making around honesty? When we view our entire life through the lens of honesty? Award-winning journalist and New York Times

contributor Judi Ketteler looked at her Facebook page and saw a content mother, a generous friend and sister, a good daughter, and a wife with a happy marriage. It wasn't quite the whole story though. In thinking about all the truths she wasn't revealing, Judi realized that the line between truth and deception was beginning to blur. How often had she herself paltered, exaggerated, concealed, side-stepped, or spun the truth? To answer that question, Judi started her "Honesty Journal." She set out to get to the bottom of her complicated relationship with honesty and confronted her perennial fear of speaking the truth in social situations, among friends, in the workplace, with her kids—and finally, inside her complicated marriage. Blending her personal journey with the latest research into the psychology of deception, *Would I Lie to You?* is a timely consideration of the joys and pains of truth in a world that seems committed to lying.

Talking about God

From a log cabin in Kentucky to the White House, the life of Abraham Lincoln is an inspiring saga of courage and dedication. Simple words and timeless pictures weave the important threads of Lincoln's life into a colorful folk tapestry that illustrates a true American pioneer of justice. "Zeldis's oversized gouache paintings give this picture-book biography a folkloric look that suits its larger-than-life subject. Kunhardt's brief text avoids any fictionalization and presents the important events in Lincoln's youth and many careers in a straightforward, objective fashion. A praiseworthy effort." *School Library Journal*. "Hits the high spots and finds time for memorable tidbits Consider multiple copies." *Booklist* (starred review).

The Overly Honest Baby Book

#1 NEW YORK TIMES BESTSELLER • Discover Jane Fonda, in her own words—and now experience the story of her life in the HBO documentary *Jane Fonda in Five Acts*. "To hold this book in your hands is to be astonished by how much living can be packed into sixty-plus years."—*Los Angeles Times* America knows Jane Fonda as actress and activist, feminist and wife, workout guru and role model. In this extraordinary memoir, Fonda shows that she is much more. From her youth among Hollywood's elite to her film career and her activism today, Fonda reveals intimate details and personal truths she hopes "can provide a lens through which others can see their lives and how they can live them a little differently." Surprising, candid, and wonderfully written, *My Life So Far* is filled with insights into the personal struggles of a woman living a remarkable life. "In the process of writing this book I discovered there were clear, broad, even universal themes that ran through my life, a coherent arc to my journey that, if I could be truthful in the telling, might provide a road map for other women as they face the challenges of relationships, self-image, and forgiveness. What I did not anticipate was how my journey would also resonate with men."—From the Introduction This eBook includes the full text of the book plus the following additional content: • 50 new photos from Jane Fonda's personal and family archives, many often never seen in public • A free chapter from Jane Fonda's *Prime Time Praise for My Life So Far* "[A] sisterly, enveloping memoir . . . an

intimate, haunting book that might as well be catnip from its ever controversial author.”—Janet Maslin, *The New York Times*
“Terrific . . . rich . . . unexpectedly quite moving.”—*San Francisco Chronicle* “Fiercely intelligent, detailed, probing, rigorously revealing.”—*O: The Oprah Magazine* “Fonda possesses a raw and affecting candor. . . . Her honesty [is] a force.”—*The Philadelphia Inquirer* “A fearless book . . . fascinating.”—*Chicago Sun-Times* “Truly compelling.”—*The Atlanta Journal-Constitution* “Riveting.”—*Seattle Post-Intelligencer*

How We Fight for Our Lives

As a new mom, Jessica Alba wanted to create the safest, healthiest environment for her family. But she was frustrated by the lack of trustworthy information on how to live healthier and cleaner—delivered in a way that a busy mom could act on without going to extremes. In 2012, with serial entrepreneur Brian Lee and environmental advocate Christopher Gavigan, she launched The Honest Company, a brand where parents can find reliable information and products that are safe, stylish, and affordable. The *Honest Life* shares the insights and strategies she gathered along the way. The *Honest Life* recounts Alba's personal journey of discovery and reveals her tips for making healthy living fun, real, and stylish, while offering a candid look inside her home and daily life. She shares strategies for maintaining a clean diet (with favorite family-friendly recipes) and embraces nontoxic choices at home and provides eco-friendly decor tips to fit any budget. Alba also discusses cultivating a daily eco beauty routine, finding one's personal style without resorting to yoga pants, and engaging in fun, hands-on activities with kids. Her solutions are easy, chic, and down-to-earth: they're honest. And discovering everyday ways to live naturally and authentically—true to you—could be honestly life-changing.

Honest Abe

A high school senior must live alone with her weight-obsessed mother after her older sister goes off to college in this YA contemporary novel from the author of *The Big F*.

The Honest-to-Goodness Truth

From award-winning poet Saeed Jones, *How We Fight for Our Lives*—winner of the Kirkus Prize and the Stonewall Book Award—is a “moving, bracingly honest memoir” (*The New York Times Book Review*) written at the crossroads of sex, race, and power. One of the best books of the year as selected by *The New York Times*; *The Washington Post*; NPR; *Time*; *The New Yorker*; *O, The Oprah Magazine*; *Harper’s Bazaar*; *Elle*; *BuzzFeed*; *Goodreads*; and many more. “People don’t just happen,” writes Saeed Jones. “We sacrifice former versions of ourselves. We sacrifice the people who dared to raise us. The ‘I’ it seems doesn’t exist until we are able to say, ‘I am no longer yours.’” Haunted and haunting, *How We Fight for Our*

Lives is a stunning coming-of-age memoir about a young, black, gay man from the South as he fights to carve out a place for himself, within his family, within his country, within his own hopes, desires, and fears. Through a series of vignettes that chart a course across the American landscape, Jones draws readers into his boyhood and adolescence—into tumultuous relationships with his family, into passing flings with lovers, friends, and strangers. Each piece builds into a larger examination of race and queerness, power and vulnerability, love and grief: a portrait of what we all do for one another—and to one another—as we fight to become ourselves. An award-winning poet, Jones has developed a style that's as beautiful as it is powerful—a voice that's by turns a river, a blues, and a nightscape set ablaze. *How We Fight for Our Lives* is a one-of-a-kind memoir and a book that cements Saeed Jones as an essential writer for our time.

Louis

In 2008, Louis Smith was the first Briton in over 100 years to win an Olympic medal in individual gymnastics. In 2012 he followed up that triumph with two more. Since then, Louis has been crowned the winner of *STRICTLY COME DANCING* with his partner Flavia and he is now setting his sights on designing his own clothing range. Now you can follow him backstage to see what it is like to be one of the UK's hottest new stars. Louis was brought up by his mum in Peterborough and ever since he could walk he wanted to run. He was diagnosed with ADHD and needed a positive outlet for his energy so on his fourth birthday he began gymnastics classes. His strength, flexibility and talent were spotted almost immediately and so began the early starts, the late finishes and the weekends spent in the gym. Louis won his first medal at 14 and all the hard work and financial sacrifice were put into perspective. Louis wanted to win and represent his country at the Olympics. From that point, there was no looking back. Here, in his own official book, Louis tells the story of his amazing journey in full. Beautifully designed and jam packed full of exclusive unseen photos of Louis on and off the gymnastics and dance floors, plus private captured moments, the incredible story of Louis's rise to fame is a must-have for any true fan and the perfect gift for Christmas.

If I'm Being Honest

"Updated to include her New York, London, and Helsinki victories"--P. [4] of cover.

The Honest Truth

Cynthia Reyes has done it again. Picking up from the early days of her recovery from a car accident, as told in her first book, *A Good Home*, she shares in this new book intensely lyrical stories of life in her historic farmhouse north of Toronto. You will hear the birds sing, smell the flowers in their lavish gardens, and taste the red currant jelly and other dishes from

plants grown on her property. You will be challenged as the author immerses you in the reality of post-traumatic stress disorder, depression, and the courage it takes to live with chronic pain. And you will say a wrenching farewell to the farmhouse as she opens a new chapter in a life still devoted to creating beauty out of the materials that life serves up to her, be they dark and haunting or light and joyful. Praise for the author's previous book, *A Good Home*: "full of warmth, deep emotions, and a vibrant understanding of just what a home can mean." —YVONNE BLACKWOOD, author of *Into Africa: The Return* "Reyes' glass is almost always half full, but ours, as we read her uplifting story, always brims over." —COLIN McALLISTER and JUSTIN RYAN, www.colinandjustin.tv "There is magic in these words." —DEBRA USHER, President and Editor-in-Chief, *Arabella Magazine* "proves — word by word, line by line, and page by page — you can go home again." —LEE GOWAN, author of *Confession* " contains some of the most moving and recognizable accounts of happiness and grief that I have ever come across." —HILARY CUSTANCE GREEN, author of *Surviving the Death Railway: A POW's Memoir and Letters from Home*

Alastair Cook: Starting Out - My Story So Far

If telling the truth is the right thing to do, why is the whole world mad at Libby?

Would I Lie to You?

The tell-all memoir from the loudest, proudest Spice Girl – and the truth behind the headlines As one-fifth of the iconic Spice Girls and judge on *X Factor* and *America's Got Talent*, Melanie Brown, a.k.a Scary Spice, has been an international star since her twenties. *Brutally Honest* is an exposé of the struggles and acute pain that lay behind the glamour and success. With deep personal insight, remarkable frankness and trademark Yorkshire humour, the book removes the mask of fame and reveals the true story behind the Spice Girls, as well as the horror of her most recent marriage and her 10 year struggle to be free.

Shoe Dog

Sergeant Hamish Macbeth--Scotland's most quick-witted but unambitious policeman--returns in M.C. Beaton's new mystery in her *New York Times* bestselling series. Nobody loves an honest man, or that was what police sergeant Hamish Macbeth tried to tell newcomer Paul English. Paul had moved to a house in Cnothan, a sour village on Hamish's beat. He attended church in Lochdubh. He told the minister, Mr. Wellington, that his sermons were boring. He told tweedy Mrs. Wellington that she was too fat and in these days of increasing obesity it was her duty to show a good example. Angela Brody was told her detective stories were pap for the masses and it was time she wrote literature instead. He accused Hamish of having dyed

his fiery red hair. He told Jessie Currie--who repeated all the last words of her twin sister--that she needed psychiatric help. "I speak as I find," he bragged. Voices saying, "I could kill that man," could be heard from Lochdubh to Cnothan. And someone did. Now Hamish is faced with a bewildering array of suspects. And he's lost the services of his clumsy policeman, Charlie, who has resigned from the force after Chief Inspector Blair berated Charlie one too many times, and the policeman threw Blair into the loch. Can Hamish find the killer on his own?

An Honest Man

IT'S OFFICIAL: excessive "internetting," smartphoning, and social media make us miserable. But it doesn't have to be that way. Over the last decade, recognized journalist Blake Snow rigorously researched, tested, and developed several connectivity strategies for finding offline balance in an online world, which resulted in this, his first book. In *Log Off: How to Stay Connected after Disconnecting*, Snow passionately, succinctly, and sometimes humorously explains how to hit refresh for good, do more with less online, live large on low-caloric technology, increase facetime with actual people, outperform workaholics in half the time, and tunelessly blend both analog and digital lives with no regrets. If the "offline balance movement" is real, this is its playbook.

The Honest Life

'A compelling story of love and betrayal in the divided Berlin of the 1980s' Sunday Times Best Books of 2019 'A beautifully written, evocative literary thriller set in Berlin shortly before the fall of the Wall' Financial Times Best Books of 2019 'A powerful and moving love story by a writer at the top of his game' John Boyne In West Berlin in 1989, eighteen-year-old Ralf has just left school and is living a final golden summer with his three best friends. They spend their days swimming, smoking and daydreaming about the future, oblivious to the storm gathering on the other side of the Berlin Wall. But an unsettling discovery about his family and a meeting with the mysterious Oz shatters everything Ralf thought he knew about love and loyalty. And as old Cold War tensions begin to tear his life apart, he finds himself caught up in a web of deceit, forced to make impossible choices about his country, his family and his heart.

Rise Up

"This delightfully feminist rom-com has characters that feel like friends and will surely appeal to fans of Sarah Dessen."--Buzzfeed Cameron Bright is gorgeous, popular, and--according to her classmates--a total b*tch. But when her crush, Andrew, catches a glimpse of her cruelty up close, it's enough to drive him away for good. To win him over, Cameron resolves to "tame" herself, like Shakespeare's shrew, Katherine. If she can make amends to those she's wronged, Andrew

will have to take notice. Cameron's apology tour begins with Brendan, the guy whose social life she single-handedly destroyed. At first, Brendan isn't so quick to forgive, but slowly he warms to her when they connect over a computer game he's developing. To Cameron's amazement, she enjoys hanging out with Brendan, who views her honesty as an asset, and she wonders: maybe you don't have to compromise who you are for the kind of love you deserve.

Dannii: My Style

'Stacey has charmed that nation with her down-to-earth personality and irrepressible spirit. She has no idea how popular she is and that's why people love her' Sunday Mirror Stacey Solomon went from hard-up single mum to X Factor favourite to Queen of the Jungle and much-loved TV presenter in just two years. And Stacey My Story So Far is a fantastic and inspirational read by a modern-day heroine who has remained true to her working class roots and who has always looked on the bright side of life. 'Very honest and very open. Lots of young girls will read this and identify with it. Brilliant. I advise anyone to go and read it' Louise Redknapp, Something for the Weekend, BBC1 'If Stacey Solomon wasn't real, you'd want to make her up. She's hilariously dizzy yet whip-smart. She's a treat' Scotsman 'She has a warm smile, an infectious laugh and a heart of gold' Love It 'Dagenham Darling' Daily Mirror

To Be Perfectly Honest

Rand Fishkin, the founder and former CEO of Moz, reveals how traditional Silicon Valley "wisdom" leads far too many startups astray, with the transparency and humor that his hundreds of thousands of blog readers have come to love. Everyone knows how a startup story is supposed to go: A young, brilliant entrepreneur has a cool idea, drops out of college, defies the doubters, overcomes all odds, makes billions, and becomes the envy of the technology world. This is not that story. It's not that things went badly for Rand Fishkin; they just weren't quite so Zuckerberg-esque. His company, Moz, maker of marketing software, is now a \$45 million/year business, and he's one of the world's leading experts on SEO. But his business and reputation took fifteen years to grow, and his startup began not in a Harvard dorm room but as a mother-and-son family business that fell deeply into debt. Now Fishkin pulls back the curtain on tech startup mythology, exposing the ups and downs of startup life that most CEOs would rather keep secret. For instance: A minimally viable product can be destructive if you launch at the wrong moment. Growth hacking may be the buzzword du jour, but initiatives can fizzle quickly. Revenue and growth won't protect you from layoffs. And venture capital always comes with strings attached. Fishkin's hard-won lessons are applicable to any kind of business environment. Up or down the chain of command, at both early stage startups and mature companies, whether your trajectory is riding high or down in the dumps: this book can help solve your problems, and make you feel less alone for having them.

Author in Chief

"And if someone asks about your hope as a believer, always be ready to explain it. But do this in a gentle and respectful way" (1 Peter 3:15-16, NLT). Talking About God demonstrates that spiritual conversations have the potential to profoundly impact someone's faith journey, when we simply engage people with honesty and respect. For people who are intimidated or fatigued by the idea of talking about matters of faith, Talking about God offers story after gripping story about conversations that avoid offering platitudes and unnecessary divisiveness, and instead draw people organically and relationally toward the Good News of Jesus Christ. Discover refreshing portraits of natural, authentic, God-directed dialogues that protect the dignity of the people we love and lead them into life-changing conversations.

A Life's Work

Mark has been in and out of hospital his whole life - and he's fed up. So when his cancer returns, he decides he's had enough. Running away with his dog Beau, he sets out to climb a mountain - and it's only when he's left everything behind that Mark realises he has everything to live for.

How Hard It Really Is

A pitch-perfect story exploring the many meanings of family, Jody J. Little's tough yet tender debut is perfect for fans of Leslie Connor and Katherine Paterson. After Pop is sent back to rehab, Jane Pengilly arrives at her newest foster home determined to stick to the straight and narrow and get back to her beloved dad as soon as she can. It's not the first time they've been apart, but Jane's determined it will be the last. Twelve days out in the boonies of Three Boulders makes Jane

miss Pop more than ever. But as the days go by, she realizes that family is more than who you're related to—and that a home can be found in the unlikeliest of places. Mostly the Honest Truth sparkles with a fully realized supporting cast, a safe and supporting setting, and a writer whose ability to imbue her stories with love and hope marks her an author to watch.

Abe's Honest Words

A New York Times Book Review Notable Book, *A Life's Work: On Becoming a Mother* is multi-award-winning author Rachel Cusk's honest memoir that captures the life-changing wonders of motherhood. Selected by the New York Times as one of the 50 Best Memoirs of the Past 50 Years The experience of motherhood is an experience in contradiction. It is commonplace and it is impossible to imagine. It is prosaic and it is mysterious. It is at once banal, bizarre, compelling, tedious, comic, and catastrophic. To become a mother is to become the chief actor in a drama of human existence to which no one turns up. It is the process by which an ordinary life is transformed unseen into a story of strange and powerful passions, of love and servitude, of confinement and compassion. In a book that is touching, hilarious, provocative, and profoundly insightful, novelist Rachel Cusk attempts to tell something of an old story set in a new era of sexual equality. Cusk's account of a year of modern motherhood becomes many stories: a farewell to freedom, sleep, and time; a lesson in humility and hard work; a journey to the roots of love; a meditation on madness and mortality; and most of all a sentimental education in babies, books, toddler groups, bad advice, crying, breastfeeding, and never being alone. "Funny and smart and refreshingly akin to a war diary—sort of Apocalypse Baby Now *A Life's Work* is wholly original and unabashedly true."—The New York Times Book Review

Being Freddie: My Story so Far

2 political rivals fighting for power 1 journalist caught in the battle 6 tapes secretly recorded in Parliament 1 government with a lot to hide Sikander Bansi, an unlikely political heir in Delhi, secretly records politicians in Parliament as they haggle to become cabinet ministers, bag defence contracts, dodge criminal charges and collect corporate largesse. Among them is a rising leader of the People's Party, Nalan Malik, whose success has come through unscrupulous means. When Sikander suddenly disappears, Mira Mouli, a newspaper journalist with an unusual gift for knowing people's thoughts, receives the controversial Parliament tapes along with clues to find him. She is attracted to Sikander's principles and is wary of Nalan's deceit. But her powers of knowing tell her a different story, one that she can unravel only at the cost of her life. From the bestselling author of *Shoes of the Dead*, this is a disturbing political fiction that reveals why Parliament functions behind gates closed to the public.

Honest: My Story So Far

At age five, Donny Osmond first sang his way into North America's heart. By the time he was a teenager, he had four separate careers successfully underway, as a solo artist, as a member of the Osmond Brothers, as part of a singing duo with his sister, Marie, and as the co-host of a highly successful network television variety show. But by the early 80s, public perception had changed, and Donny discovered that, thanks to his squeaky-clean image, his very name had become poison. In this inspiring autobiography, Donny tells what it is like to survive the ups and downs of the entertainment business while trying to keep his faith, dignity, and sense of humor intact. He recalls memories of his experiences with a variety of celebrities, from Groucho Marx and Lucille Ball to Michael Jackson and Howard Stern. He shares how he finally achieved resolution through marriage, fatherhood, perseverance, and self-acceptance. And he recounts the long and difficult road leading to a renewed recording career, nearly two thousand triumphant performances in *Joseph and the Amazing Technicolor Dreamcoat*, and a new nationally syndicated talk show. The millions of people who watched Donny grow up are now embracing the man whose life and career exemplify the classic values that so many now share.

Brutally Honest

Roxy Nouvelle and Luke Callahan, two accomplished illusionists who double as jewel thieves, team up as partners in crime and passion until Luke's mysterious past forces them apart.

To Be Honest

In this instant and tenacious New York Times bestseller, Nike founder and board chairman Phil Knight “offers a rare and revealing look at the notoriously media-shy man behind the swoosh” (Booklist, starred review), illuminating his company's early days as an intrepid start-up and its evolution into one of the world's most iconic, game-changing, and profitable brands. Bill Gates named *Shoe Dog* one of his five favorite books of 2016 and called it “an amazing tale, a refreshingly honest reminder of what the path to business success really looks like. It's a messy, perilous, and chaotic journey, riddled with mistakes, endless struggles, and sacrifice. Phil Knight opens up in ways few CEOs are willing to do.” Fresh out of business school, Phil Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high-quality, low-cost running shoes from Japan. Selling the shoes from the trunk of his car in 1963, Knight grossed eight thousand dollars that first year. Today, Nike's annual sales top \$30 billion. In this age of start-ups, Knight's Nike is the gold standard, and its swoosh is one of the few icons instantly recognized in every corner of the world. But Knight, the man behind the swoosh, has always been a mystery. In *Shoe Dog*, he tells his story at last. At twenty-four, Knight decides that rather than work for a big corporation, he will create something all his own, new, dynamic, different. He details the many risks he encountered, the crushing setbacks, the ruthless competitors and hostile bankers—as well as his many thrilling triumphs. Above all, he recalls the relationships that formed the heart and soul of Nike, with his former track coach, the

irascible and charismatic Bill Bowerman, and with his first employees, a ragtag group of misfits and savants who quickly became a band of swoosh-crazed brothers. Together, harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports, they created a brand—and a culture—that changed everything.

Honest Illusions

Riffing off the sweet, sentimental baby memory books in the gift market, *The Overly Honest Baby Book* will highlight the real milestones of parenting—the indignities of childbirth, the first green poop, the first time Baby bit Mommy's boob while feeding, the first projectile spit-up, and more. Dawn's uniquely sarcastic yet playful tone has entertained and guided an enthusiastic and devoted readership over the years.

An Honest House

Depression is a rumor, until it is reality, and then it's as if nothing else was ever real. Still, no one will believe you. I find it hard to believe it myself. This book is for those who believe, and for those who want to. Depression is encased in misconceptions. The pain of going through a mental illness is already hard enough; to add myths only makes it that much more unbearable. By investigating the mystery of depression, it's possible to remove some of the fog around the fog. It's in sharing what we go through that we are empowered to make it through together. This book is a conversation so we can talk differently about depression, with the thoughtfulness it deserves. It's for both the person wrestling with depression and for those who want to help. *How Hard It Really Is* covers: - The science behind depression - The helpful (and unhelpful) dialogue around mental illness - The debate between seeing it as a choice and disease - Stories of survivors - A secret culture of suicide worship - An interview with a depressed doctor - The problem with finding a "cure" - A myriad of voices from nearly two-hundred surveys conducted over a year

Lost and Founder

A memoir about an unusual upbringing in a family fanatically devoted to honesty, and what came next If you're like most people, you probably lied today. It may have been a small one, some insignificant falsehood meant to protect someone's feelings or guard your true thoughts. Now imagine if your parents had raised you to never lie, if they'd ingrained in you a compulsion to never, under any circumstances, withhold the truth or fail to speak your mind. It might be wonderfully freeing. Everyone else might not appreciate it so much. *To Be Honest* is Michael Leviton's extraordinary account of being raised in a family he calls a "little honesty cult." For young Michael, his parents' core philosophy felt liberating. He loved "just being honest." By the time he was twenty-nine years old, Michael had told only three "lies" (by most people's

understanding of the word) in his entire life. But this honesty had consequences—in friendships, on dates, and at job interviews. And when honesty slowly poisoned a great romance, Michael decided there had to be something to lying after all. He set himself the task of learning to be as casually dishonest as the rest of us. *To Be Honest* is a tender and darkly comic memoir about what it means and how it feels to tell more than the truth.

Life Is Just What You Make It

Can honesty lead to heartbreak if the truth is subjective? A compelling novel in verse from Sonya Sones. Fifteen-year-old Colette is addicted to lying. Her shrink says this is because she's got a very bad case of Daughter-of-a-famous-movie-star Disorder—so she lies to escape out from under her mother's massive shadow. But Colette doesn't see it that way. She says she lies because it's the most fun she can have with her clothes on. Not that she's had that much fun with her clothes off. At least not yet, anyway... When her mother drags her away from Hollywood to spend the entire summer on location in a boring little town in the middle of nowhere, Colette is less than thrilled. But then she meets a sexy biker named Connor. He's older, gorgeous, funny, and totally into her. So what if she lies to him about her age, and about who her mother is? I mean, she has to keep her mother's identity a secret from him. If he finds out who she really is, he'll forget all about Colette, and start panting and drooling and asking her for her mother's autograph. Just like everyone always does. But what Colette doesn't know is that Connor is keeping a secret of his own...

Mostly the Honest Truth

Appearing on numerous 'Best Dressed' lists in 2010 - in *Marie Claire*, *The Guardian*, *Company* and *Heat* among others - style icon Dannii Minogue is a role model to women everywhere. In *Dannii: My Style* she shares her fashion wisdom and personal style secrets, all gloriously illustrated with stunning photos of Dannii as she dresses to impress. This must-have style bible helps you learn to love the way you are, focusing on ways to accentuate the positive, and covers everything from great hair and glowing skin to make-up and healthy eating. Dannii shares her tips on red carpet looks and what to wear for every occasion, and offers advice on dressing for your shape and choosing the right accessories. *Dannii: My Style* is an inspirational guide to making the most of what you've got and looking your best.

The Life of Rylan

Anna must find the courage to tell Lukas the truth. Will he find the courage to forgive her? Anna was once betrayed by someone she loved deeply. In an attempt to never be hurt again, she and her mother relocated to Middlefield, Ohio. It was the ideal place for Anna's broken heart to mend. In Middlefield, Anna withdrew from risk, placing all her attention on

managing the new gift shop she and her mom bought. When Lukas introduces himself, Anna can't resist her attraction to him. Though she finds herself falling in love, she's hiding a piece of her past in fear that their future will be destroyed if she tells him the truth. But love can't be built on lies and the past comes rushing back to Anna in an irreversible way. Now Lukas must decide how he will react to Anna's betrayal. As they cling to their belief in an honest love, they realize it's a path they must walk together even as it leads to unexpected places.

To Be Honest

Well hark at you, stumbling upon my autobiography. Bet you wouldn't have put money on that three years ago, eh?! Please don't stress yourself out too much, though, it's actually socially acceptable nowadays that you're interested. Firstly I'd like to emphasise that I have WRITTEN THIS BOOK MYSELF, so be assured you're getting the TOOTH, the WHOLE TOOTH and NOTHING BUT THE TOOTH! (Which was my original choice of title, but babe, we're so over that.) This book documents my story, year by year, from my humble beginnings growing up in the East End of London, becoming one of the nation's most talked-about people overnight to finally moving up the spectrum from guilty pleasure, and getting nearer to national treasure. It will make you laugh, cry, and most importantly you'll discover who I really am. If it doesn't do any of those things you're not legally entitled to a refund - just clearing that up ;-). I hope you enjoy reading this book as much as I have enjoyed writing it. This book has been like therapy, and LORD was I in need. Enjoy!

Wayne Rooney: My Decade in the Premier League

Alastair Cook forced his way into the record books in 2006, becoming one of the few England players to score a hundred on debut. By going on to become the only Englishman to hit seven Test centuries before his twenty-third birthday, Alastair found himself in the company of the greatest players in cricketing history. STARTING OUT is Alastair's personal account of this speedy climb to stardom. Equally gifted at music, he opted for cricket as a schoolboy and the young left-hander broke record after record as he progressed to become the first-choice opener for Essex. Now an integral part of the England team with over forty caps, Alastair is perfectly placed to describe the highs and lows of life within the England cricket camp during one of the most exciting and turbulent periods of their history, both on and off the field. Updated to include the full story of the 2009 Ashes series, STARTING OUT amounts to a fascinating insight into life as one of the rising stars of English cricket.

My Life So Far (with Bonus Content)

'My Decade in the Premier League' is Wayne's first hand account of his 10 years playing at the highest level in English

football – and for the biggest club in the world. This is his inside story of life on the pitch for Manchester Utd; the League titles, FA Cups, League Cups and Champions League adventures. A must for any Utd fan.

Paula

“One of the best books on the American presidency to appear in recent years.” —Thomas Mallon, *The Wall Street Journal*
“Fun and fascinating...It’s witty, charming, and fantastically learned. I loved it.” —Rick Perlstein
Based on a decade of research and reporting, *Author in Chief* tells the story of America’s presidents as authors—and offers a delightful new window into the public and private lives of our highest leaders. Most Americans are familiar with Abraham Lincoln’s famous words in the Gettysburg Address and the Emancipation Proclamation. Yet few can name the work that helped him win the presidency: his published collection of speeches entitled *Political Debates between Hon. Abraham Lincoln and Hon. Stephen A. Douglas*. Lincoln labored in secret to get his book ready for the 1860 election, tracking down newspaper transcripts, editing them carefully for fairness, and hunting for a printer who would meet his specifications. *Political Debates* sold fifty thousand copies—the rough equivalent of half a million books in today’s market—and it reveals something about Lincoln’s presidential ambitions. But it also reveals something about his heart and mind. When voters asked about his beliefs, Lincoln liked to point them to his book. In Craig Fehrman’s groundbreaking work of history, *Author in Chief*, the story of America’s presidents and their books opens a rich new window into presidential biography. From volumes lost to history—Calvin Coolidge’s *Autobiography*, which was one of the most widely discussed titles of 1929—to ones we know and love—Barack Obama’s *Dreams from My Father*, which was very nearly never published—Fehrman unearths countless insights about the presidents through their literary works. Presidential books have made an enormous impact on American history, catapulting their authors to the national stage and even turning key elections. Beginning with Thomas Jefferson’s *Notes on the State of Virginia*, the first presidential book to influence a campaign, and John Adams’s *Autobiography*, the first score-settling presidential memoir, *Author in Chief* draws on newly uncovered information—including never-before-published letters from Andrew Jackson, John F. Kennedy, and Ronald Reagan—to cast fresh light on the private drives and self-doubts that fueled our nation’s leaders. We see Teddy Roosevelt as a vulnerable first-time author, struggling to write the book that would become a classic of American history. We see Reagan painstakingly revising *Where’s the Rest of Me?*, a forgotten memoir in which he sharpened his sunny political image. We see Donald Trump negotiating the deal for *The Art of the Deal*, the volume that made him synonymous with business savvy. Alongside each of these authors, we also glimpse the everyday Americans who read them. Combining the narrative felicity of a journalist with the rigorous scholarship of a historian, Fehrman delivers a feast for history lovers, book lovers, and everybody curious about a behind-the-scenes look at our presidents.

Stacey: My Story So Far

An introduction to the life and career of America's 16th president.

The Honest Season

Tulisa Contostavlos is one of the most talented and high-profile recording artists working in the UK today. She has three platinum N-Dubz albums, four MOBO awards, a groundbreaking drama series, two documentaries, a MIND award and an X Factor judge's win under her belt. Not bad for a girl who's not yet twenty-four. But this is not just a tale of glittering success. Tulisa grew up on a tough London estate and left school with no qualifications as she struggled to cope with deep-seated emotional problems while caring for her mother alone. She has seen first hand what drugs, alcohol, gang culture and violent relationships can do to young people, but she has come through it all to become the confident, inspiring artist she is today. After taking her little muffins Little Mix to the winning spot of the X Factor at the end of 2011, and with her long-awaited solo album being released later this year, the future is bright for Tulisa. Told in her own words, this is her story.
