Blood Moon

The long-awaited new series from renowned urban fantasy author Al K. Line. New faces, new fights, even new jokes. When a trans-dimensional portal opened behind my fridge I knew the day would suck. Strange things appeared in my grubby kitchen, then Beelzebub summoned me by setting my arm alight. When a devil comes calling you have no choice but to do his bidding, especially when bound by a tattoo direct from Hell. A bounty is given, no option to refuse. Mimi's the mark, famed owner of two magical panthers and a right handful. Still, this was my chance

at freedom, so what choice did I have?As always, it wasn't that simple. Other forces were at work, and I'd had a gutsful of being Hell's puppet. I just had to figure out a plan. One that didn't just involve tearing off my sunglasses and incinerating everything in sight with a glance.Some call me Spencer, others call me Freaky. And I am not a Normal.

Death Calls

A vacation's nice, but wizards need excitement, otherwise what's the point of having a wand and a nice hat? I got my wish. The moment I returned from honeymoon normal life resumed. Normal for me. Meaning, magic was in the air, someone was messing with citizens' emotions, and there was a missing girl to be found. A very special girl. Looked like The Hat was back in business. I should have stayed on the beach, even with the sand rubbing at my nether regions. Hi, I'm Arthur "The Hat" Salzman. Gangster. Wizard. Still chafing.

It features letters from the thousands posted on the Internet's "UNIX-Haters" mailing list. It is not a computer handbook, tutorial, or reference. It is a self-help book that will let readers know they are not alone.

Take one wizard-that's me-add a hot female vampire, give them a nice place in the country and what do you get? Paradise. Heaven on earth. So, of course, someone decided to go spoil it. No, it wasn't me, not this time. The Hidden world is in chaos, and apparently I'm the one that's supposed to deal with it! Smart trolls, even smarter vampires-and not the nice ones like Kate-witches on the rampage, inebriated gremlins, and imps intent on causing nuclear Armageddon, they have all combined to ruin my perfect life. I'm not even going to mention the chicken. Well, I'm Faz Pound Okay, you know the rest by now! If they want trouble I'll give it to them. Honest, I just want to live a quiet life. Although, you know, not too quiet.

I'd killed four men in the morning, and by the afternoon things had become seriously out of hand. But the portal was moved and I could rest easy. Or so I thought. Time for a family dinner and a nice smoke. Alas, it was not to be. Enter one very powerful vampire, gangster supremo, and unhappy camper. He had a job for me, but I told him I didn't do missing persons. I stole things for a living, not detective work. Ivan wouldn't take no for an answer though, and that's when the real trouble started. Still saddled with a neurotic soccer mom who seemed immune to the danger, and with issues way beyond my ability to deal with, we enter the dark, seedy underbelly of the criminal world. What we discover will change our lives forever, and not in a good way. Is there no end to the wickedness of man? Apparently not. Yeah, The Hat's screwed (yet again).

Only this year, the Slaughter Moon has risen early. Bound by duty, secrets, and the love they share for one another, Mairwen, a spirited witch; Rhun, the expected saint; and Arthur, a restless outcast, will each have a role to play as the devil demands a body to fill the bargain. But the devil these friends find is not the one they expect, and the lies they uncover will turn their town—and their hearts—inside out.

Okay, so an elf blasted his way into my kitchen and it resulted in me killing a man in the nastiest of ways, but that's an occupational hazard. Good news? I had a job, and it was a doozy. It was time to go steal a magical belt, the infamous R~~o~~th N~~o~~g. That wasn't the best part, though. Yeah, that's right, I got to wear my ninja slippers . But nothing was as it seemed, and elves were not to be trusted. Plus, there was the small issue of the million dollars. Oh, and the Hounds, and Vicky, who was doing my head in, and the vampires, and You'll just have to read the damn book to find out the rest. Hi, I'm Arthur "The Hat" Salzman. Gangster. Wizard. When the disembodied head of a dead Ethiopian wizard keeps freaking out your wife, there's only one thing to do. Go get lost in the desert. With sand in every crevice, and not enough sunscreen, I wasn't in the best of moods before everything went to hell, which it inevitably did. Without honor, a wizard's nothing but a scruffy man with a stick in his pocket. But honor comes at a price, and I sure as hell paid it. What started as a favor for a vampire-the kind of favor you can't refuse-quickly turned into something epic and life-changing. A team was organized, and we set about performing the largest heist in magical history. Unsurprisingly, things didn't go swimmingly. Even as plans unraveled, and the death count rose, I was unprepared for the depths of treachery and the repercussions for what I'd done. If that wasn't enough, Death was acting weird, I was having a very bad hair day, and my sex life, or usual lack of, got very complicated, very quickly. Still, my honor remained intact, just not a lot else. Hi, I'm Arthur "The Hat" Salzman. Gangster. Wizard. Not

Before and After Gender

Elusive Deception is the first book of 3 that deals with the elusiveness of human behaviours. The sordid events that happen without self discipline or control invades secrets and unlocks the mysteries of the past. Lives begins changing as the plot thickens into a very exciting end! Delia sitting in front of the mirror completed the task of looking extra beautiful. Her lips pursed soothingly while caressing the moisturized lips of ruby-red lipstick. The satin white dressed flaked flawlessly on the bed with matching red ignition shoes. A pearl necklace from the family heirlooms her mother used to wear on her wedding day was delicately placed around the neckline to accentuate the plunging cleavage clearly intended to expose sensual emotions in motion. The bodice of the satin dress draped faultlessly on her curvature. The vintage stocking seam-line rose into areas known for personal satisfaction, to be later adventured by her devoted lover, soon to be rich aficionado. Delia was impassioned by expressions of love. The manifestation of impending connection created an epitome of desire, reaching a crescendo of loves tsunami's billowing on waves of opportunity.

What Else Should I Read?

Written in the early 1970s amidst widespread debate over the causes of gender inequality, Strathern's book was intended as an analysis of gender as a powerful cultural code and sex as a defining mythology. But the manuscript went into storage, where it remained for more than four decades. This book finally brings it to light, giving the long-lost feminist work, accompanied here by an afterword from Judith Butler. Strathern engages some of the leading feminist thinkers of the time, including Shulamith Firestone, Simone de Beauvoir, Ann Oakley, and Kate Millett.

Building toward a conclusion in which she argues that we underestimate the materializing grammars of sex and gender at our own peril, she offers a powerful challenge to the intransigent mythologies of sex that still plague contemporary society.

All I wanted was to raise something demonic from the Nolands to test my wizardly mettle, but I got a lot more than I bargained for. Not from the beastie, that was kind of a dud, but from my unwanted guest. Vamps from the east are in town, and they have strange peccadilloes. They aren't here to sample the local delicacies though, they have an altogether more sinister purpose. Before my visitor had chance to get nasty, we were kidnapped, and torture of the very painful kind was on the menu. Served him right, me not so much. But us magical misfits stick together, and soon there's a war raging that will tear our world apart. Vampires are pitted against vampires, wizards and witches unite against a common enemy-mainly because there are goodies in it for them-and I try to stop getting all my important bits chopped off in nasty ways. Just another day in the life of a poor wizard. Hi, I'm Arthur "The Hat" Salzman. Gangster. Wizard. A bit hurty.
