Storia di Venezia

Giornale della libreria

Join Geronimo on a whiskertingling trip through history!, Geronimo Stilton, was so excited to travel on my third journey through time! Professor Paws von Volt had invented a portal to take my family and me to the past. On this trip, we visited the Ice Age, ancient Greece, and the Renaissance. I encountered wooly mammoths and enormouse bears, wrote and starred in a play, and even helped put a bad guy in prison! But then the portal started malfunctioning -- could we get back to the present day, or would we get lost in time? It was an amazing adventure!

I classici delle barzellette

Parents—can't live with them, can't collect an allowance without them! One moment they are explaining the importance of being polite, and the next moment they are bossing you around. We've all wondered what on Earth goes on in their mysterious minds . . . and now we finally have an answer! This neon-bright guide, packed full of laugh-out-loud illustrations, will finally give kids a glimpse into the crazy, cluttered minds of the people who raise them.

Letteratura italiana

Catalogo generale della libreria italiana

English summary: The names, origins, and by ways in the west, and the uses and 'imaginary' symbolism that has for centuries distinguished the commerce in incense, cinnamon, and myrrh from the far away regions of the orient to the merchant's stalls of the Greeks and Romans. This is an ideal journey through the centuries of classical antiquity following the caravan routes, legends and the Levantine enchantment that instill an atmosphere of dreams around the commercial and cultural exchanges between the Orient and Occident, prior to the advent of the great Islamic civilization. Italian description: I nomi, le origini, le vie di penetrazione in Occidente, gli usi e il simbolismo immaginario che ha contraddistinto per secoli il commercio di incenso, cinnamomo, mirra dalle lontane plaghe d'Oriente ai banchi dei mercati greci e romani. Un viaggio ideale nei secoli dell'antichita classica al seguito di vie carovaniere, di leggende e magie levantine che infondono un'atmosfera di sogno agli scambi commerciali e culturali tra Oriente ed Occidente, prima dell'avvento della grande civiltà islamica.

Leonardo

Otherworld

Go back into the really rotten times of the Romans, where there were beastly battles, deadly doctors and marvellous myths. Discover what Roman soldiers wore under their kilts, how ancient Britons got their hair nice and how Romans told the future

with dead chickens. With a bold, accessible new look, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans. Revised by the author to make Horrible Histories more accessible to young readers.

Letteratura italiana. I minori

My detective friend Hercule Poirat and I were headed to India. A Bollywood star we're friends with had received a valuable ruby and wanted us to help her protect it which meant that I ended up acting in the movie she was filming! Rancid ricotta -- I'm a terrible actor! Even worse, just when we least expected it, the ruby was stolen. Could we find the thief?

La tragedia italiana del Cinquecento

Bandello

Ghoulia lives in Crumbling Manor with her Auntie Departed and spends most of her time playing with Tragedy, her beloved albino greyhound. But things aren't as easy as they seem for this little zombie girl—all she wants is a real friend. She tries to venture past the manor's walls, but she can't hide her pale green skin or the deep purple circles under her eyes. The other children will be afraid of her, and no one will want to be her friend. But when Halloween rolls around, Ghoulia hatches a brilliant plan. All the other, ordinary children will be dressed up like monsters, so Ghoulia can go out into the town and be entirely herself. In the end, all the kids realize that Ghoulia is (almost) just like them and learn that friendship can come in many forms.

Run For Your Life

It's summer in the small seaport town of Astoria and The Goonies are restless. Big developers threaten to take over the

town. Then Mikey finds an old pirate map and the kids take off to find the loot that can save their neighborhood. But they never counted on skeletons with swords, a booby-trapped underground passage and the murderous ex-con, all of whom want the Goonies' head. Take the oath. Join the adventure.
