The Crown in Crisis

La collection "Les Atemporels" de JDH Éditions, réunit un choix de ces oeuvres qui ne vieillissent pas, qui ont une date de publication (indiquée sur la couverture) mais pas de date de péremption. Car elles seront

encore lues et relues dans un siècle. Les Chants de Maldoror est un ouvrage poétique en prose de 1869, composé de six parties nommées « chants ». Il s'agit de la première des trois oeuvres de l'auteur Isidore Ducasse plus connu sous le pseudonyme de Comte de Lautréamont. Le livre ne raconte pas une histoire unique et cohérente, mais est constitué d'une suite d'épisodes dont le seul fil conducteur est la présence de Maldoror, un personnage mystérieux et maléfique.

Ten Storey Love Song

A noted British cultural critic takes on some of the strangest and most anomalous works of art from the 20th century and dissects our fascination with the unsettling in popular music, film, and writing What exactly are the Weird and the Eerie? Two closely related but distinct modes, and each possesses its own distinct properties. Both have often been associated with Horror, but this genre alone does not fully encapsulate the pull of the outside and the unknown. In several essays, Mark Fisher argues that a proper understanding of the human condition requires examination of transitory concepts such as the weird and the eerie. Featuring discussion of the works of: H. P. Lovecraft, H. G. Wells, M.R. James, Christopher Priest, Joan Lindsay, Nigel Kneale, Daphne Du Maurier, Alan Garner and Margaret Atwood, and films by Stanley Kubrick, Jonathan Glazer and Christopher Nolan.

Guvres Complyetes

The thrilling and definitive account of the Abdication Crisis of 1936 On December 10, 1936, King Edward VIII brought a great international drama to a close when he abdicated, renouncing the throne of the United Kingdom for himself and his heirs. The reason he gave when addressing his subjects was that he could not fulfill his duties without the woman he loved—the notorious American divorcee Wallis Simpson—by his side. His actions scandalized the establishment, who were desperate to avoid an international embarrassment at a time when war seemed imminent. That the King was rumored to have Nazi sympathies only strengthened their determination that he should be forced off the throne, by any means necessary. Alexander Larman's *The Crown in Crisis* will treat readers to a new, thrilling view of this legendary story. Informed by revelatory archival material never-before-seen, as well as by interviews with many of Edward's and Wallis's close friends, Larman creates an hour-by-hour, day-by-day suspenseful narrative that brings readers up to the point where the microphone is turned on and the king speaks to his subjects. As well as focusing on King Edward and Mrs. Simpson, Larman looks closely at the roles played by those that stood against him: Prime minister Stanley Baldwin, his private secretary Alec Hardinge, and the Archbishop of Canterbury Cosmo Lang. Larman also takes the full measure of those who supported him: the great politician Winston Churchill, Machiavellian newspaper owner Lord Beaverbrook, and the brilliant lawyer Walter Monckton. For the first time in a book about the abdication, readers will read an in-depth account of the assassination attempt on Edward's life and its

consequences, a first-person chronicle of Wallis Simpson's scandalous divorce proceedings, information from the Royal Archives about the government's worries about Edward's relationship with Nazi high-command Ribbentrop and a boots-on-the-ground view of how the British people saw Edward as they watched the drama unfold. You won't be able to put down *The Crown in Crisis*, a full panorama of the people and the times surrounding Edward and the woman he loved.

Les chants de Maldoror

Enduring icon of creativity, authenticity, and rebellion, and the subject of numerous new biographies, Arthur Rimbaud is one of the most repeatedly scrutinized literary figures of the last half-century. Yet almost thirty years have elapsed without a major new translation of his writings. Remediating this state of affairs is *Rimbaud Complete*, the first and only truly complete edition of Rimbaud's work in English, translated, edited, and introduced by Wyatt Mason. Mason draws on a century of Rimbaud scholarship to choreograph a superbly clear-eyed presentation of the poet's works. He arranges Rimbaud's writing chronologically, based on the latest manuscript evidence, so readers can experience the famously teenaged poet's rapid evolution, from the lyricism of "Sensation" to the groundbreaking early modernism of *A Season in Hell*. In fifty pages of previously untranslated material, including award-winning early verses, all the fragmentary poems, a fascinating early draft of *A Season in Hell*, a school notebook, and

multiple manuscript versions of the important poem "O saisons, ô châteaux," Rimbaud Complete displays facets of the poet unknown to American readers. And in his Introduction, Mason revisits the Rimbaud myth, addresses the state of disarray in which the poet left his work, and illuminates the intricacies of the translator's art. Mason has harnessed the precision and power of the poet's rapidly changing voice: from the delicate music of a poem such as "Crows" to the mature dissonance of the Illuminations, Rimbaud Complete unveils this essential poet for a new generation of readers.

Biological Time, Historical Time

Nightmare Culture

In Biological Time, Historical Time, 19th century scientific and literary works are analysed with regard to their mutual interactions, special focus being placed on concepts and dimensions of time.

Lautréamont and Sade

"A fun, illustrated history of the umbrella's place in life and literature"--

Maldoror: (Les Chants de Maldoror)

'Ten Storey Love Song follows Bobby the Artist's rise to stardom and horrific drug psychosis, Johnnie's attempts to stop thieving and start pleasing Ellen in

bed, and Alan Blunt, a forty-year-old truck driver who spends a worrying amount of time patrolling the grounds of the local primary school. A love song to a loveless Teesside, Ten Storey Love Song is a ferocious slab of concrete prose, peppered with beauty and delivered with glorious abandon.

Oeuvres complètes

Les Chants de Maldoror

Le Comte de Lautreamont (Isidore Ducasse, 1846-"1870) remains one of the most enigmatic figures in the history of literature. Shunned in his time yet later idolized by the surrealists, he is now recognized as a precocious genius for his evil masterpiece, "The Songs Of Maldoror. "Nightmare Culture is a crucial investigation into both the myth and reality of Lautreamont's brief existence and, in particular, the literary legacy and cult influence of "The Songs Of Maldoror.

The Dirges of Maldoror: An Illustrated English Translation of Les Chants de Maldoror

In this book, Blanchot forcefully distinguishes his critical project from the major intellectual currents of his day, surrealism and existentialism.

The Imagination Thief

Le Mal D'aurore of Lautréamont

The Weird and the Eerie

'Les Chants de Maldoror' was virtually ignored when first published in 1869, a year before the author's death in Paris in 1870. Decades later the Surrealists discovered the work and hailed Lautr

A New York Review Books Original There's a certain street—via Saterna—in the middle of Milan that just doesn't show up on maps of the city. Orfi, a wildly successful young singer, lives there, and it's there

that one night he sees his gorgeous girlfriend Eura disappear, “like a spirit,” through a little door in the high wall that surrounds a mysterious mansion across the way. Where has Eura gone? Orfi will have to venture with his guitar across the borders of life and death to find out. Featuring the Ashen Princess, the Line Inspector, trainloads of Devils, Trudy, Valentina, and the Talking Jacket, Poem Strip—a pathbreaking graphic novel from the 1960s—is a dark and alluring investigation into mysteries of love, lust, sex, and death by Dino Buzzati, a master of the Italian avant-garde.

Les Chants de Maldoror

Lautréamont

Published to accompany the 1994 exhibition at The Museum of Modern Art, New York, this book constitutes the most extensive survey of modern illustrated books to be offered in many years. Work by

artists from Pierre Bonnard to Barbara Kruger and writers from Guillaume Apollinaire to Susan Sontag. An important reference for collectors and connoisseurs. Includes notable works by Marc Chagall, Henri Matisse, and Pablo Picasso.

Les chants de Maldoror

Friedrich Hölderlin (1770-1843) is now recognized as one of Europe's supreme poets. He first found his true voice in the epigrams and odes he wrote when transfigured by his love for the wife of a rich banker. He later embarked on an extraordinarily ambitious sequence of hymns exploring cosmology and history, from mythological times to the discovery of America and his own era. The 'Canticles of Night', by contrast, include enigmatic fragments in an unprecedented style, which anticipates the Symbolists and Surrealists. Together the works collected here show Hölderlin's use of Classical and Christian imagery and his exploration of cosmology and history in an attempt to find meaning in an uncertain world.

Les Chants de Maldoror

This macabre but beautiful work, Les Chants de Maldoror, has achieved a considerable reputation as one of the earliest and most extraordinary examples of Surrealist writing. Maldoror is a long narrative prose poem which celebrates the principle of Evil in an elaborate style and with a passion akin to religious fanaticism. The French poet-critic Georges Hugnet has written of Lautréamont: "He terrifies, stupefies,

strikes dumb. He could look squarely at that which others had merely given a passing glance." When first published in 1868-69, Maldoror went almost unnoticed. But in the 1890s the book was rediscovered and hailed as a work of genius by such eminent writers as Huysmans, Léon Block, Maeterlinck, and Rémy de Gourmont. Later still, Lautréamont was to be canonized as one of their principal "ancestors" by the Paris surrealists. This edition, translated by Guy Wernham, includes also a long introduction to a never-written, or now lost, volume of poetry. Thus, except for a few letters, it gives all the surviving literary work of Lautréamont.

Surrealism and the Book

Hotel Lautréamont

In John Ashbery's haunting 1992 collection, just as in the traveler's experience of a hotel, we recognize everything, and yet nothing is familiar—not even ourselves. Hotel Lautréamont invites readers to reimagine a book of poems as a collection of hotel rooms: each one empty until we enter it, and yet in truth abundantly furnished with associations, necessities, and echoes of both the known and the alien. The collection's title poem is itself an evocative echo: Comte de Lautréamont was the pseudonym taken by Isidore-Lucien Ducasse, a radical nineteenth-century French writer about whom little is known except that he produced one remarkable presymbolist epic prose poem called *The Songs of Maldoror* and

died of fever at the age of twenty-four in a hotel in Paris during Napoleon III's siege of the city in 1870. Addressed to lonely ghosts, lingering guests, and others, the poems in Hotel Lautréamont present a study of exile, loss, meaning, and the artistic constructions we create to house them.

Manipulation of the Reader in Les Chants de Maldoror

"Taking the French gothic novel 'Les Chants de Maldoror' as a source of inspiration, Alexandra Grant has created 'Songs of Maldoror,' an original translation and illustration of Comte de Lautréamont's text and imagery. Known for its imaginatively dark and sometimes savage narrative, many Surrealists were inspired by 'Chants de Maldoror' for its graphic exploration of the human unconscious as well as its non-linear format. The exhibition Drawing Surrealism includes illustrations of the text by Salvador Dalí and René Magritte, as well as Grant's contemporary edition, in the form of a newsprint take-away. Grant's drawings use techniques such as the exquisite corpse, fumage and collage to explore both Lautréamont's text and approaches to drawing used by the Surrealists." -- artist's website

Artists & Prints

In The Man of Jasmine, Zörn's vivid descriptive powers make for an unforgettable literary as well as a psychological masterpiece. She describes with disarming lucidity her experience with thirteen years

of mental health crises, culminating in her death from suicide in 1970. Zörn's familiarity with Surrealist conceptions of the psyche, her extraordinary self-possession during horrific experiences, and her compulsion to construct anagrams to make sense of language have let her to be recognised as a great artist, 25 years after the initial publication of this account by Atlas Press.

The Man of Jasmine and Other Texts

Maldoror is a long narrative prose poem which celebrates the principle of Evil in an elaborate style and with a passion akin to religious fanaticism. The French poet-critic Georges Hugnet has written of Lautréamont: "He terrifies, stupefies, strikes dumb. He could look squarely at that which others had merely given a passing glance." When first published in 1868-69, Maldoror went almost unnoticed. But in the 1890s the book was rediscovered and hailed as a work of genius by such eminent writers as Huysmans, Léon Block, Maeterlinck, and Rémy de Gourmont. Later still, Lautréamont was to be canonized as one of their principal "ancestors" by the Paris surrealists. This edition, translated by Guy Wernham, includes also a long introduction to a never-written, or now lost, volume of poetry. Thus, except for a few letters, it gives all the surviving literary work of Lautréamont.

"An indispensable tool for the student of Surrealism and book illustration [and] also for those interested in

the complicated intrications between literature and pictorial movements from Romanticism to present-day Postmodernism"--Blurb.

Oeuvres complètes: Les chants de Maldoror. Poésies. Lettres

Volume covers the Collection of Prints and Illustrated Books, not the collection of artists' books.

Les chants de Maldoror

Dans le Paris assiégé de 1870 bientôt confronté au soulèvement de la Commune, nul ne se préoccupe de la disparition du jeune Isidore Ducasse. Pourtant, ce mystérieux " homme de lettres " de vingt-quatre ans laisse derrière lui une formidable entreprise de démolition dont le romantisme vieillissant et le Second Empire au bord du désastre ne seront pas les seules victimes. Ses Chants de Maldoror, édités l'année précédente sous le pseudonyme du comte de Lautréamont, n'épargnent en effet aucune autorité ni aucun dogme. Mais Maldoror n'est pas seulement un héros du Mal ; il est surtout un combattant de la liberté qui nous révèle les conséquences d'une double aliénation : tandis qu'une intériorisation des interdits moraux et religieux nous confisque nos désirs, l'empreinte d'un langage figé contrarie toute libre expression. Aussi notre siècle a-t-il célébré Lautréamont comme l'un des principaux phares de la poésie moderne, aux côtés de Rimbaud et de Mallarmé. Les surréalistes ont reconnu en lui l'initiateur de l'écriture automatique, Pierre Reverdy

l'a salué comme le " seul poète tragique français ", le groupe de Tel quel a trouvé dans son œuvre les origines d'une science de l'écriture. Reste que cette diversité d'interprétations témoigne d'abord de l'impossibilité de réduire à une lecture unique des Chants qui constamment se jouent de leur lecteur et se défient des vérités acquises.

Maldoror. Les Chants de Maldoror In a New English Translation by Guy Wernham

Poem Strip

The Imagination Thief by Rohan Quine is about a web of secrets, triggered by the stealing and copying of people's imaginations and memories. It's about the magic that can be conjured up by images of people, in imagination or on film; the split between beauty and happiness in the world; and the allure of various kinds of power. It celebrates some of the most extreme possibilities of human imagination, personality and language, exploring the darkest and brightest flavours of beauty living in our minds. Alone in his skyscraper office one night, Jaymi undergoes a transformation that will change his life: he acquires the power to see into others' minds, and then to control and project their thoughts. Realising the potential of this gift, he hypnotises a media mogul into agreeing to broadcast an electrifying extravaganza of sound and vision emanating from Jaymi, the like of which has never been witnessed before, that will captivate millions.

However, one of the mogul's underlings has more subversive plans for milking Jaymi's talent, involving the theft of others' imaginations and intimate memories for commercial gain. The broadcasting of his visions plunges Jaymi and his best friend Alaia on a journey into the underbelly of Asbury Park - a seaside town once full of life but now half-forgotten. The town's entire oceanfront is now almost a ghost town: ruled by gangsters and drug dealers, headed by Lucan, it is populated by lost souls and the beautiful who have fallen on hard times. Blackmailed into thieving the most private and primal memories and experiences from these people's imaginations, Jaymi discovers a web of secrets and provocations simmering beneath the surface of the town, about to explode. When a waxwork of Lucan's decapitated head is anonymously planted in his own bar, fear bubbles up, as everyone becomes a suspect in this unforgivable challenge to Lucan's dominance. Then when another provocative waxwork appears - a naked full-body modelling of Lucan's beautiful but tortured lover, Angel - Jaymi knows he must use his own gift to discover the perpetrator before Lucan does. Delving into and celebrating the most beautiful and extreme possibilities of human imagination, personality and love, *The Imagination Thief* is literary fiction, with a touch of magical realism and a dusting of horror. It explores the universal human predicaments of power, beauty, happiness, hopelessness, good and evil. Keywords: literary fiction, magical realism, dark fantasy, horror, gay, Asbury Park, psychic, New York, broadcast, imagination, transgender, contemporary, enhanced ebook

Selected Poems and Fragments

Les chants de Maldoror, du Comte de Lautréamont

Le Comte de Lautréamont was the nom de plume of Isidore Ducasse (1846–70), a Uruguayan-born French writer and poet whose only surviving major work of fiction, *Les Chants de Maldoror*, was discovered by the Surrealists, who hailed the work as a dark progenitor of their movement. It was in *Les Chants de Maldoror* that André Breton discovered the phrase that would come to represent the Surrealist doctrine of objective chance: “as beautiful as the random encounter between an umbrella and a sewing-machine upon a dissecting-table.” Artists inspired by Lautréamont include Man Ray, René Magritte, Max Ernst, André Masson, Joan Miró, Yves Tanguy and, in particular, Salvador Dalí, who in 1933 produced an entire series of illustrations for *Les Chants de Maldoror*. Twenty of those illustrations are included, for the first time, in this new, definitive edition of Lautréamont’s influential masterpiece. Vividly translated by R. J. Dent—the first new translation for over thirty years—this edition also includes a foreword by French Surrealist poet Paul Eluard and a concise biography of the author by poet Jeremy Reed. In addition, an introduction by series editor Candice Black details the links between *Maldoror* and the Surrealist movement.
