Spiritual Leadership

Follow your heart. You do you. You are enough. We

take these slogans for granted, but what if this path to personal happiness leads to a dead-end? In *Rethink Your Self*, Trevin Wax encourages you to rethink some of our society's most common assumptions about identity and the road to happiness. Most people define their identity and purpose by first looking in (to their desires), then looking around (to express their uniqueness), and finally—maybe—looking up (to add a spiritual dimension to life). *Rethink Your Self* proposes a counter-intuitive approach: looking up before looking in. It's only when we look up to learn who we were created to be that we discover our true purpose and become our truest selves.

Rethink Your Self

A growing number of next generation Christians are eager to learn, grow, and lead in ministry or in the marketplace. Mentoring young leaders, as they face the unique issues of a changing world, has been pastor and Visioneering author Andy Stanley's passion for more than a decade. Here, he shares material from his leadership training sessions, developed to address essential leadership qualities such as character, clarity, courage, and competency. This is the perfect guide for any new leader -- or for the mentor of a future leader! Clear, stylish typeset, with user-friendly links to referenced Scripture.

Heaven-- Better by Far

This set includes all three books of the J. Oswald Sanders' spiritual growth series: *Spiritual Leadership*,

Spiritual Discipleship, and Spiritual Maturity. In *Spiritual Leadership*, J. Oswald Sanders, a Christian leader for decades and the author of more than forty books, presents the key principles of leadership in both the temporal and spiritual realms. He illustrates those principles throughout with examples from godly figures like Moses, Nehemiah, the apostle Paul, David Livingstone, Charles Spurgeon, and others. With more than 1 million copies sold, this proven classic will help you to frame your leadership as spiritual service. In *Spiritual Discipleship*, Sanders points out that true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. This book will help you embody that truth. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. In *Spiritual Maturity*, Sanders explores the primary source of continual growth. In three parts, structured around the persons of the Trinity, he provides clear direction for those desiring to grow strong spiritually. Complete with scriptural principles for spiritual development and study questions at the end of the text, this classic handbook is a timeless treasure.

Cultivation of Christian Character

What causes poverty, and what am I supposed to do about it? This book reminds readers that even as we are responsible for pursuing biblical solutions to

poverty, our hope for truly resolving it comes not from the good we do, but from the return of Christ, who will put an end to all sin, suffering, and death as he brings about the new creation.

The Making of a Leader

"This book will be one of the most, if not the most, pivotal leadership books you'll ever read." - Andy Stanley
"If you're ready to lead right where you are, this book can show you how to start." - Dave Ramsey
"Read this book! The marketplace is full of leadership messages, but this one is a stand out." - Louie Giglio
Are you letting your lack of authority paralyze you? One of the greatest myths of leadership is that you must be in charge in order to lead. Great leaders don't buy it. Great leaders lead with or without the authority and learn to unleash their influence wherever they are. With practical wisdom and humor, Clay Scroggins will help you nurture your vision and cultivate influence, even when you lack authority in your organization. And he will free you to become the great leader you want to be so you can make a difference right where you are. Even when you're not in charge. X

Earthen Vessels

Find time-tested wisdom for becoming a person of deep, meaningful prayer! J. Oswald Sanders offers an essential guide that explores the vital elements of prayer—worship, thanksgiving, confession, petition, and intercession. Complete with model prayers and

illuminating questions, *The Power of Transforming Prayer* is the authoritative work for helping you discover new intimacy with God in prayer.

Sticky Teams

J. Oswald Sanders says loneliness originates in mankind's alienation from God, but that it can mature you spiritually and morally if you'll learn to reach out and care for others, instead of seeking comfort for yourself. *Facing Loneliness* encourages and challenges you to take specific steps to overcome the sorrow of loneliness.

Then, with practical and seasoned advice, he shows what it takes to get a leadership board, ministry team, and an entire congregation headed in the same direction, sticking together, unified and healthy for the long haul.

Facing Loneliness

Uncertain. Confused. Overwhelmed. Many Christians feel bombarded by the messages they hear and the trends they see in our rapidly changing world. How can we resist being conformed to the pattern of this world? What will faithfulness to Christ look like in these tumultuous times? How can we be true to the gospel in a world where myths and false visions of the world so often prevail? In *This is Our Time*, Trevin Wax provides snapshots of twenty-first-century American Life in order to help Christians understand the times. By analyzing our common beliefs and practices (smartphone habits, entertainment intake, and our views of shopping, sex, marriage, politics, and life's purpose), Trevin helps us see through the myths of society to the hope of the gospel. As faithful witnesses to Christ, Trevin writes, we must identify the longing behind society's most cherished myths (what is good, true, beautiful), expose the lie at the

heart of these myths (what is false and damaging), and show how the gospel tells a better story – one that exposes the lie but satisfies the deeper longing.

The Power of Transforming Prayer

After examining the lives of hundreds of historical, biblical, and contemporary leaders, Dr. J. Robert Clinton gained perspective on how leaders develop over a lifetime. By studying the six distinct stages he identifies, you will learn to: Recognize and respond to God's providential shaping in your life Determine where you are in the leadership development process Identify others with leadership characteristics Direct the development of future leaders This revised and updated edition includes several new appendixes and expanded endnotes, as well as an application section at the end of each chapter.

Eschatological Discipleship

Author J. Oswald Sanders, a lawyer turned 20th century missionary statesman, follows Jesus from His pre-existence to His earthly life and coming Second Advent. Throughout he upholds Jesus as the powerful and perfect Savior of the world, arguing against any who would diminish His uniqueness.

The 17 Indisputable Laws of Teamwork

Building and maintaining a successful team is no simple task. Even people who have taken their teams to the highest level in their field have difficulty recreating what accounted for their successes. Is it a strong work ethic? Is it "chemistry"? What tools can you wrap your hands around to build?or rebuild?your team? In *The 17 Indisputable Laws of Teamwork*, leadership expert and New York Times best-selling author John C. Maxwell shares the vital principles of team building that are necessary for success in your business, family, church, or organization. In his practical, down-to-earth style, Dr. Maxwell shows how: The Law of High Morale inspired a 50-year-old man who couldn't even swim to train for the toughest triathlon in the world. The Law of the Big Picture prompted a former U.S. president to travel across the country by bus, sleep in a basement, and do manual labor. Playing by The Law of the Scoreboard enabled one web-based company to keep growing and make money while thousands of other Internet businesses failed. Ignoring The Law of the Price Tag caused one of the world's largest retailers to close its doors after 128 years in business. *The 17 Indisputable Laws of Teamwork* will empower you?whether coach or player, teacher or student, CEO or non-profit vollunteer?with the "how-tos" and attitudes for building a successful team.

Awaiting a Savior: The Gospel, the New Creation and the End of Poverty

A refreshing truth-over-technique call to small group leaders and Sunday school teachers to stay focused on continually reintroducing people to Jesus whose life and death changes everything.

Spiritual Leadership

Every person has been designed by God for one-of-a-kind Masterpiece Mission, what most people refer to as personal calling or personal purpose. Everyone needs to be able to name what God has put them on the earth to do. Most people never do. That is a tragedy of epic proportions. We need a simple way to discover that calling, and Find Your Place is that way. GPS technology is widely known as a way to know where you are on the earth, as well as a way to guide you to get where you want to go. The Find Your Place book will help followers of Jesus locate three signals that will help people discern their personal calling: their Gifts, their Passions, and their Story, and help them take meaningful next steps to engage that calling. Furthermore, the American Church has a Co-Dependency Disorder. Church members have become dependent upon church leaders, and church leaders need their members to remain that way. This co-dependence is doing more than throttling the vitality of the church it is strangling it. In order for the people of God to truly thrive and be salt and light in the world, church leaders must move from simply "gathering and teaching" their members to

"empowering and releasing them." This book, the accompanying online assessment, and the disciple-making tools that both will be integrated into, will all be a part of a turn-key solution for church leaders to accomplish that goal.

Cults and Isms

Ask yourself this question: What type of character qualifies the people God chooses to use? The question itself assumes an atypical answer, simply because it leaves out so much. To ask only about one's character

Access Free Spiritual Leadership J Oswald Sanders Notes By Dave Kraft

seems inadequate when defining a leader. We surely need to ask about character, but also about personality, communication skills, IQ, education, previous experience, and more don't we? Crawford Loritts disagrees. He answers the question with four simple words: Brokenness, communion, servanthood, and obedience. These four traits form the framework for Leadership as an Identity. By examining each trait, Loritts undermines many pervasive assumptions about leadership that are unbiblical. According to Loritts, God doesn't look for leaders like the world does. He looks for disciples, and ironically, as these disciples follow Him, they will lead.

Effective Prayer

Discipleship is eschatological in nature, because the church that makes and receives disciples is eschatological in nature. Often eschatology is thought to refer only to "last things" doctrines. However, eschatology in its broader sense encompasses the Christian view of time and the future of the world, informing both one's evangelism and ecclesiology. Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview, imbalanced discipleship, and eventually, a tragic inability to model the Christian way of life. By answering questions like "What time is it?" and "Where is history going?" Trevin Wax helps Christians view the past, present, and future biblically, and shapes their understanding of following Jesus.

A Tale of Three Kings

Access Free Spiritual Leadership J Oswald Sanders Notes By Dave Kraft

Leaders are a gift. God has given leaders to the church to equip the saints for the work of ministry, building her up in the faith and knowledge of God (Ephesians 4:12). But how does the Bible define spiritual leadership? What characteristics are essential in leading biblically? And what is the ultimate goal? In this short essay, John Piper answers these questions by explaining the true marks of a spiritual leader. Saturated in Scripture, and loaded with practical illustrations, this booklet will be instructive and challenging for anyone in a position of Christian leadership, as well as for anyone aspiring to lead spiritually.

Spiritual Leadership

J. Oswald Sanders probes Scripture to elicit principles and factors that inspired the dynamic spiritual leadership of Paul and the other apostles in the halcyon days of the church. Paul's letters reveal a frail, fallible man--one who fell and rose again--someone who can speak to our need. Because spiritual principles are timeless, we can learn to apply them to our own situations.

A Spiritual Clinic

principles." -J. Oswald Sanders, from the introduction J. Oswald Sanders (best known for his book *Spiritual Leadership*, which has sold over a million copies), touched hundreds of thousands of lives in his lifetime and continues to inspire Christians today. His books *Spiritual Leadership*, *Spiritual Maturity*, and *The Incomparable Christ* are beloved and well-read to this day. But there are two of his books that readers haven't had access to in over 30 years. *A Spiritual Clinic* is one of them. Life wears on us, we go through seasons of fatigue, strain and tension that take their toll, and we can easily fall into apathy. Sanders prescribes a powerful tonic of scriptural principles that lead to recovery and growth. For anyone who feels worn out from their Christian life and could use a little spiritual doctoring, *A Spiritual Clinic* is for you.

Leadership as an Identity

Why do some leaders get and accomplish what they want as a matter of routine, while others seem to regularly experience frustration and setbacks? Why do some leaders achieve their goals and reach new heights, while others barely "hang in there" and survive? Based on his groundbreaking psychological study of the ways that successful individuals think and behave, Dr. Henry Cloud presents a simple yet profound roadmap to help leaders-and those who want to become leaders-arrive at greater levels of personal growth and corporate influence than they previously thought were possible. The good news for all of us is that leadership success is not limited to vague notions of "charisma" nor traditional

advantages like graduate degrees and connections, but much more to a pattern of thinking and moving forward that learns from mistakes and stays focused on goals.

The Joy of Following Jesus

How do Christians grow? "This book invites the reader to experience the title. It is not just a 'how-to' volume, but a 'be' volume." So write the editors of this rich resource on the spiritual life. Spiritual maturity is not a level of growth Christians achieve, but the passion to press on in Christ. In these chapters, J. Oswald Sanders explores the primary source of continual growth. In three parts, structured around the persons of the Trinity, Sanders explores matters like: How we should view God Why our weakness is God's strength What it means that Christ prays for us How to live like an heir of the King The role of the Spirit in a Christian's life Spiritual Maturity provides clear direction for those desiring to grow strong spiritually. Complete with scriptural principles for spiritual development and study questions at the end of the text, this classic handbook is a timeless treasure. Includes a "For Reflections" section, making it an ideal resource for both individual and group study.

Gospel-Centered Teaching

The best of J.Oswald Sanders's teachings on godly leadership is now in a convenient devotional format, designed to encourage you, help improve your leadership, and honor God.

Spiritual Leadership, Spiritual Discipleship, Spiritual Maturity Set of 3 Sanders books

“Take time and trouble to keep yourself spiritually fit.” — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture’s command seriously: “work out your own salvation with fear and trembling, for it is God who works in you.” They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus’ teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. You’ll learn: The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.
