See You on a Starry Night

Introduce little ones to famous works of art in this peek-through bedtime lullaby, and spark curiosity, joy, and learning! Goodnight glowing moon up high. Goodnight stars, goodnight sky. Goodnight baby, snug in bed. Time to rest your sleepy head. Discover the perfect art introduction for every child, and every home. Combining a soothing bedtime lullaby with vibrant colors and peek-through pages, this board book provides a gentle look at some of the most beloved, accessible, and well-known artwork in history. A die-cut on every spread gives an exciting clue to the art on the next page, keeping little ones (and caregivers!) curious as each page becomes a magical, peek-through reveal. Light back matter provides additional historical information about the featured artwork and artists, including Vincent van Gogh, Berthe Morisot, Diego Rivera, and more! The first title in a new Cartwheel series, Peek-a-Boo Art, Goodnight, Starry Night offers an exciting introduction to diverse pieces of artwork, builds creative vocabulary, and celebrates the importance of imagination and art in young readers!

Baseball's Starry Night gives you a fan's-eye view of a night that many have called the most exciting night in the history of Major League Baseball. Going beyond a standard retelling of the balls and strikes and homers and webgems, the book hears from 20 fans in their own words. Loyal fans of the St. Louis Cardinals, Atlanta Braves, Boston Red Sox, and Tampa Bay Rays provide exciting and deeply personal eyewitness accounts -- either from the stadiums or their living rooms. Get the "you-are-there" feeling. "This is a magical book about a magical night. This beautifully told story captures baseball at its very best." Doris Kearns Goodwin "September 28, 2011. It was a night that will forever be frozen in baseball time. A night of miracles. A night of magic. A night of heartbreak. A night for the history books. Somebody needed to write a book about that night. Thankfully, Paul Kocak volunteered for the job. And in this beautifully written book, he takes us not merely inside the astonishing ups and downs of this unforgettable evening, but inside the hearts and minds of 'ordinary' people -- the fans whose pulse rates haven't come down yet." Jayson Stark, ESPN.com Senior Baseball Writer "A retelling unlike any other of the greatest night in baseball regular-season history." Chris Mallonee, BirdsOnTheBat82.com "With Baseball's Starry Night, Paul Kocak captures an unforgettable moment in time in powerful, passionate prose that will bring fans to their feet all over again." Greg Tobin, former editor-in-chief of Book-of-the-Month Club, Inc. and author of Holy Holidays! "Paul Kocak hits an 'inside the park homer.' What a night!" Len Berman, Sportscaster/Author

As fifteen-year-old Wren and her three lifelong best friends celebrate the opening of a major exhibit curated by her father at the Metropolitan Museum of Art, Wren finds first love with her brother's new friend, Nolan, and the relationship transforms her and her life--not always in good ways.

Van Gogh

Starry Night is a fully illustrated account of Van Gogh's time at the asylum in Saint-Remy. Despite the challenges of ill health and asylum life, Van Gogh continued to produce a series of masterpieces – cypresses, wheatfields, olive groves and sunsets. He wrote very little about the asylum in letters to his brother Theo, so this book sets out to give an impression of daily life behind the walls of the asylum of Saint-Paul-de-Mausole and looks at Van Gogh through fresh eyes, with newly discovered material.

The highly crafted covers are printed on foil paper, embossed then foil stamped, complemented by the luxury binding and rose red end-papers. The covers are created by our artists and designers who spend many hours transforming original artwork into gorgeous 3d masterpieces that feel good in the hand, and look wonderful on a desk or table. PRACTICAL, EASY TO USE. Flame Tree Notebooks come with practical features too: a pocket at the back for scraps and receipts; two ribbon markers to help keep track of more than just a to-do list; robust ivory text paper, printed with lines; and when you need to collect other notes or scraps of paper the magnetic side flap keeps everything neat and tidy. THE ARTIST. In a letter to his sister Wilhemina, Van Gogh wrote: 'Often it seems to me night is even more richly coloured than day.' In this night painting, the sky is Prussian blue, ultramarine and cobalt, with sparkling yellow gaslights and stars. THE FINAL WORD. As William Morris said, Have nothing in your houses that you do not know to be useful, or believe to be beautiful.

Two masterful artists—Gauguin and van Gogh—come alive in a vibrant drama

Read Online *Starry Night*

about friendship, art, and madness Two painters—Paul Gauguin and Vincent van Gogh—are living together in the sleepy town of Arles in 1888. Soon, Gauguin, frustrated by van Gogh's refusal to acknowledge his increasingly troubled mind, will depart for Paris. In two years, van Gogh will be dead by his own hand. In the meantime, the friends discuss their craft; they frequent a local café that van Gogh will soon immortalize; they become acquainted with a young prostitute, Lotte, who becomes Gauguin's lover; they argue; they paint. In Derek Walcott's new historical play, *O Starry Starry Night*, two world-renowned artists come to life as they wrestle both with grand themes—friendship, loyalty, fame—and with more mundane concerns, money primary among them. The scenes Walcott sketches summon several of van Gogh's most famous paintings: *Sunflowers*, *The Night Café*, *The Bedroom at Arles*. His manipulation of language—van Gogh's eloquent monologues giving way to more abstract speeches—evokes the painter's descent into madness. Over the action hangs the threat of violence, of death, which lends the play a potent urgency; for at least one of the characters, time is quickly running out. *O Starry Starry Night* is powerfully wrought, and demonstrates once again the sharpness of Walcott's eye: as a painter, as a poet, as a writer, and, above all, as an observer of human follies, foibles, failings, and aspirations.
