The Bible is a big Book, and we are blessed to have such a collection of inspired writing – the Word of God – at our finger tips. Yet, due to its sheer volume, fine print and writing style, children usually find it difficult to pick up and read a standard version of the Bible.

THE BIBLE MADE EASY – FOR KIDS by Dave Strehler is aimed at helping children make sense of the Bible by engaging them in practical ways to make learning about the Bible fun and interesting. THE BIBLE MADE EASY – FOR KIDS guides children through the Bible by:

- answering some of the most common questions they have about the events and characters in the Bible
- providing interesting facts to stimulate them and get them excited
- offering visual descriptions of what they read to help them remember
- drawing modern-day comparisons to certain Bible concepts/traditions and putting it into context
- word definitions
- Question and Answer sections that assess whether they can remember what they've read.
