Othello

"In a country teetering on the brink of civil war, two young people meet--sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, thrust into premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors--doors that can whisk people far away, if perilously and for a price. As violence and the threat of violence escalate, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. An epic compressed into a slender page-turner, Exit West is both completely of our time and for all time."--

My name's Cameron Wolfe. I have a little bit of sense. I don't have much sense. My older brother Ruben gets me into plenty of trouble. I get Rube into as much trouble as he gets me into. They spend most of their time throwing one-handed boxing matches (they only have the one pair of gloves) and plotting to rob the local dentists. But what Cameron really wants is to meet a girl - a real girl, not like the ones in the lingerie magazines. But who could ever love an underdog like Cameron Wolfe?

Magic Realism in Holocaust Literature

In this sequel to the award-winning *FIGHTING RUBEN WOLFE*, Cameron explores the ecstasy, the danger, and the cost of love. Cameron Wolfe is a loser. He knows it. He's the quiet one, not a soccer star like his brother Steve or a charming fighter with a new girl every week like his brother Rube. Cam would give anything to be near one of those girls, to love her and treat her right. He especially likes Rube's latest, Octavia, with her brilliant ideas and bright green eyes. But what woman like that would want a loser like him? Maybe Octavia would, Cam discovers. Maybe he'd even have something to say. And those maybes change everything: winning, loving, losing, the Wolfe brothers, and Cameron himself.

Hate

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the *Orwell's Essays* series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

The Book Thief - Downloadable Teaching Unit

In her debut novel, award-winning poet Brynne Rebele-Henry re-imagines the Orpheus myth as a love story between two teenage girls who are sent to conversion therapy after being caught together in an intimate moment. Abandoned by a single mother she never knew, 16-year-old Raya—obsessed with ancient myths—lives with her grandmother in a small conservative Texas town. For years Raya has fought to hide her feelings for her best friend and true love, Sarah. When the two are outed, they are sent to Friendly Savors: a re-education camp meant to “fix” them and make them heterosexual. Upon arrival, Raya vows to assume the role of Orpheus, to return to the world of the living with her love—and after she, Sarah, and the other teen residents are subjected to abusive and brutal “treatments” by the staff, Raya only becomes more determined to escape. In a haunting voice reminiscent of Sylvia Plath and the contemporary lyricism of David Levithan, Brynne Rebele-Henry weaves a powerful inversion of the Orpheus myth informed by the disturbing real-world truths of conversion therapy. *Orpheus Girl* is a story of dysfunctional families, trauma, first love, heartbreak, and ultimately, the fierce adolescent resilience that has the power to triumph over darkness and ignorance. **CW:** There are scenes in this book that depict self-harm, homophobia, transphobia, and violence against LGBTQ characters.

Exit West

A National Book Award Finalist, Sarah Shun-lien Bynum's enchanting and inventive first novel is a groundbreaking, contemporary classic. When a girl falls into a mysterious, impenetrable sleep, the borders between her provincial French village and the peculiar, beguiling realm of her dreams begin to disappear: A fat woman sprouts delicate wings and takes flight; a failed photographer stumbles into the role of pornographer; a beautiful young wife grows to resemble her husband's viol. Madeleine, the dreamer, travels in their midst, trying to make sense of her own metamorphosis. She leaves home, joins a gypsy circus, and falls into an unexpected triangle of desire and love. Embracing the earthy and the ethereal, the comical and the poignant, *Madeleine Is Sleeping* is part fairy tale, part coming-of-age story, and above all, an adventure in the discovery of art, sexuality, community, and the self.

Summary of The Book Thief by Markus Zusak | Conversation Starters

In Markus Zusak's 2006 novel *The Book Thief*, an embodied but inhuman Death tells the story of Liesel Meminger, a book thief who acquires language, forges her own morality, navigates adolescence and befriends Max Vandenburg, the struggling Jewish fist-fighter hiding in her basement (Zusak 302; 195). This thesis, entitled *Death & All His Friends: Narration in Markus Zusak's The Book Thief*, analyzes the novel through the lenses of Holocaust, trauma and narrative theory. The first chapter, *Death & All His Friends*, characterizes Death's unusual narrative style as well as his intimate relationship with the reader and relies on Cathy Caruth and Dori Laub's work with Holocaust survivors to frame Death's roles as both a wounded survivor of human cruelty and a witness able to make sense of human suffering. *Words Are Life*, the second chapter, considers Liesel's literacy using Mikhail Bakhtin's model for the acquisition of language and compares and contrasts the book thief to other young, moral narrators including Huckleberry Finn and Holden Caulfield in order to argue that individually inflected language serves as a powerful intermediary between the individual and society. The final chapter, *The Jewish Fist-Fighter*, examines Max Vandenburg's imaginative understanding of grief and loss as presented through two stories he writes for Liesel and contends that these stories, along with an incident Death refers to as *The Swapping of Nightmares* (Zusak 228), constitute trauma scholar Kim van Kaams' concept of representation and help the Jewish man and marginalized girl to create their own identities. Collectively, this thesis, through the study of language and trauma, describes and explores the levels of narration provided by Death, Liesel and Max.

Back in print after nearly fifty years—the acclaimed fiction debut of novelist H. L. Humes, co-founder of The Paris Review “Immensely intelligent and energetic, intensely dramatic and melodramatic, heroically overwritten yet sharp, insightful, and precise, *The Underground City* is an astonishing book by a writer of abundant gifts whose resurrection is long overdue.” –Peter Matthiessen It is the late 1940s and Paris is in turmoil. A man named Dujardin is sentenced to death for treason, sparking general strikes and threats of riots across the city. In the meantime, John Stone, a war-weary American and former secret agent, finds himself being investigated as a suspected Communist. What has brought these two men to their fates? H.L. Humes spins a thrilling account of the French underground during the last years of World War II, and the events that lead to the Dujardin affair. His many memorable characters include Adriane, loved by both Stone and Carnot, a fanatic Communist; Bruce Sheppard, the American ambassador to France, a statesman of vision and compassion; and Solange Récamier, the sophisticated young Parisian widow who finds meaning in trying to salvage Stone’s broken life. *The Underground City* displays H.L. Humes’s youthful literary skill and a striking capacity for fast-paced narrative. This is a brilliant tour de force. “A major achievement . . . [*The Underground City*] attains its full stature in poetry and truth. . . . [This is a] many-sided, absorbing novel, written on a grand scale, that holds the reader’s attention from the first to the last of its many pages.” –New York Herald Tribune “Magnificent . . . [*The Underground City*] has verisimilitude and scope, action and depth of emotion.” –Chicago Tribune “A work of power, maturity and distinction.” –Newsweek
