“Enchanting . . . Willy Wonka meets The Matrix.”—USA Today • “As one adventure leads expertly to the next, time simply evaporates.”—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he’s jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he’s beset by rivals who’ll kill to take this prize. The race is on—and the only way to survive is to win. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • San Francisco Chronicle • Village Voice • Chicago Sun-Times • iO9 • The AV Club “Delightful . . . the grown-up’s Harry Potter.”—HuffPost “An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart.”—CNN “A most excellent ride . . . Cline stuffs his novel with a cornucopia of pop culture, as if to wink to the reader.”—Boston Globe “Ridiculously fun and large-hearted . . . Cline is that rare writer who can translate his own dorky enthusiasms into prose that’s both hilarious and compassionate.”—NPR “[A] fantastic page-turner . . . starts out like a simple bit of fun and winds up feeling like a rich and plausible picture of future friendships in a world not too distant from our own.”—iO9

### **Peep and Egg: I'm Not Hatching**

From Academy Award-nominated actress Quvenzhané Wallis comes the first story in a brand-new series about best friends Shai and Emmie, two third graders destined for superstardom. Shai Williams was born to be a star (or a veterinarian—and maybe a dentist). She attends a special elementary school for the performing arts, and her grandma Rosa and aunt Mac-N-Cheese are both actresses. So Shai is shocked when she doesn't get the lead role in the third-grade musical. Instead, the part goes to the new girl, Gabby Supreme, who thinks she is better than everyone else. To add insult to injury, Ms. Gremillion has now asked Shai to help Gabby with the role. Shai reluctantly agrees and enlists Emmie to help, but Gabby isn't going to make it easy. As opening night draws near, Shai discovers that making a new friend is sometimes like putting on a show—it requires dedication, patience, and lots and lots of practice.

### **Warning! This Book May Contain Rabbits!**

In this first book in a funny new character-driven series for toddlers, a reluctant chick named Egg overcomes her fears. Peep is so excited for Egg to hatch! They are going to have the best time together jumping in the hayloft, riding on the sheep's backs, splashing in puddles, and playing hide-and-seek. If only Egg would just hatch already! But Egg thinks the outside world is too dangerous. Thanks to some nudging from Peep, Egg eventually comes out of her shell and discovers that maybe the world isn't so scary with a friend at her side.

Object Lessons is a series of short, beautifully designed books about the hidden lives of ordinary things. This book is about a strange object—strange in part because it is something that we all have been, and that many of us eat. Nicole Walker's *Egg* relishes in sharp juxtapositions of seemingly fanciful or repellent topics, so that reproductive science and gustatory habits are considered alongside one another, and personal narrative and broad swaths of natural history jostle, like yolk and albumen. Mapping curious eggs across times, scales, and spaces, *Egg* draws together surprising perspectives on this common object—egg as food, as art object, as

metaphor and feminist symbol, as cultural icon. Object Lessons is published in partnership with an essay series in The Atlantic.

### **An Egg on Three Sticks**

A practical and evidence-backed approach for improving egg quality and fertility— fully revised and updated in 2019. The latest scientific research reveals that egg quality has a powerful impact on how long it takes to get pregnant and the risk of miscarriage. Poor egg quality is in fact the single most important cause of age-related infertility, recurrent miscarriage, and failed IVF cycles. Based on a vast array of scientific research, *It Starts with the Egg* provides a comprehensive program for improving egg quality in three months, with specific advice tailored to a variety of fertility challenges— including endometriosis, unexplained infertility, diminished ovarian reserve, PCOS, and recurrent miscarriage. With concrete strategies such as minimizing exposure to common toxins, choosing the right vitamins and supplements to safeguard developing eggs, and harnessing nutritional advice shown to boost IVF success rates, this book offers practical solutions that will help you get pregnant faster and deliver a healthy baby.

### **Hank Finds an Egg**

In this tour de force, master storyteller Gregory Maguire offers a dazzling novel for fantasy lovers of all ages. Elena Rudina lives in the impoverished Russian countryside. Her father has been dead for years. One of her brothers has been conscripted into the Tsar's army, the other taken as a servant in the house of the local landowner. Her mother is dying, slowly, in their tiny cabin. And there is no food. But then a train arrives in the village, a train carrying untold wealth, a cornucopia of food, and a noble family destined to visit the Tsar in Saint Petersburg — a family that includes Ekaterina, a girl of Elena's age. When the two girls' lives collide, an adventure is set in motion, an escapade that includes mistaken identity, a monk locked in a tower, a prince traveling incognito, and — in a starring role only Gregory Maguire could have conjured — Baba Yaga, witch of Russian folklore, in her ambulatory house perched on chicken legs.

From the Mixed-Up Files of Mrs. Basil E. Frankweiler meets *Chasing Vermeer* in this clever middle grade debut *When Theodora Tenpenny* spills a bottle of rubbing alcohol on her late grandfather's painting, she discovers what seems to be an old Renaissance masterpiece underneath. That's great news for Theo, who's struggling to hang onto her family's two-hundred-year-old townhouse and support her unstable mother on her grandfather's legacy of \$463. There's just one problem: Theo's grandfather was a security guard at the Metropolitan Museum of Art, and she worries the painting may be stolen. With the help of some unusual new friends, Theo's search for answers takes her all around Manhattan, and introduces her to a side of the city—and her grandfather—that she never knew. To solve the mystery, she'll have to abandon her hard-won self-reliance and build a community, one serendipitous friendship at a time.

It provides families who are living a similar experience a resource to talk about grief and loss with young children.

### **How to Dress an Egg**

Ned Baldwin, the former chef of Prune, now chef-owner of New York City's Houseman restaurant, and the noted food writer Peter Kaminsky share simple, maverick dishes and techniques that you can transform into a wealth of new recipes

### **And Tango Makes Three**

When Betty MacDonald married a marine and moved to a small chicken farm on the Olympic Peninsula in Washington State, she was largely unprepared for the rigors of life in the wild. With no running water, no electricity, a house in need of constant repair, and days that ran from four in the morning to nine at night, the MacDonalds had barely a moment to put their feet up and relax. And then came the children. Yet through every trial and pitfall—through chaos and catastrophe—this indomitable family somehow, mercifully, never lost its sense of humor. A beloved literary treasure for more than half a century, Betty MacDonald's *The Egg and I* is a heartwarming and uproarious account of adventure and survival on an American frontier.

eggs snatched from a remote cliffside in Wales. So begins a tale almost too bizarre to believe, following the parallel lives of a globe-trotting smuggler who spent two decades capturing endangered raptors worth millions of dollars as race champions—and Detective Andy McWilliam of the United Kingdom's National Wildlife Crime Unit, who's hell bent on protecting the world's birds of prey. *The Falcon Thief* whisks readers from the volcanoes of Patagonia to Zimbabwe's Matobo National Park, and from the frigid tundra near the Arctic Circle to luxurious aviaries in the deserts of Dubai, all in pursuit of a man who is reckless, arrogant, and gripped by a destructive compulsion to make the most beautiful creatures in nature his own. It's a story that's part true-crime narrative, part epic adventure—and wholly unputdownable until the very last page.

## **Hop Little Bunnies**

One Little Egg by Kimberly F. DeMeo is a children's book which was written to teach kids about egg donation in a colorful, lively, kid friendly way. The theme of this book is important because today more and more people are getting married and waiting to have children at an older age. For a staggering number of women, it is not easy to conceive a child on their own, so they have to use methods such as in vitro fertilization (IVF). Unfortunately, a large number of these IVF cases are unsuccessful. That is where the miracle of egg donation comes into play. For families who want to have a child and cannot on their own, egg donation is their last resort. But what about the children of egg donation? How does learning about how they were conceived affect them? Unfortunately, there is still an unnecessary negative stigma when it comes to using an egg donor in order to get pregnant. This should not be! Explaining to children of egg donation how they were conceived at an early age is vital in raising a well-adjusted, happy and successful child! Children will love reading this book. This story is unique in that it is told from the viewpoint of the egg and is relatable to children. Exsie the donor egg is the main character in One Little Egg. It is her job to explain egg donation to the younger eggs, or "recruits" as they are called in the book. She explains the crucial role they have in helping a family's dream of having a baby come true. Children will relate to an adorable little egg named Sara who struggles with her

existence. She is at the "Egg Donor Academy" being taught what her role is in helping couple who is yearning to have a baby. This story is filled with action, emotion and of course, education about egg donation. The author was compelled to write this children's book for two very important reasons, and their names are Miranda and Sydney! After five long years of unsuccessful procedures, she and her husband decided to have a baby through egg donation. Fortunately,
