### Western Civilization: Volume I: To 1715

The ninth edition of *CULTURE AND VALUES: A SURVEY OF THE HUMANITIES* introduces students to the history of humankind through the lens of the humanities -- language and literature, art and architecture, music, philosophy, and religion -- from the dawn of civilization to the contemporary world. *CULTURE AND VALUES* encourages students to place their own backgrounds and beliefs in context and consider how understanding both their own and other heritages contributes to becoming a citizen of the world in the 21st century. Coauthor Lois Fichner-Rathus continues to bring her pedagogical expertise, clear conversational style, and love of teaching to this beautifully written and illustrated book. New and revised features encourage students to draw comparisons and connections as well as engage their critical thinking skills. Chapter previews, timelines, glossaries, and "Big Picture" reviews provide consistent pedagogical support throughout the text to help students master the material. ## **Western Civilization: A Brief History, Volume I: To 1715**

The practical need to partition the world of viruses into distinguishable, universally agreed upon entities is the ultimate justification for developing a virus classification system. Since 1971, the International Committee on Taxonomy of Viruses (ICTV) operating on behalf of the world community of virologists has taken on the task of developing a single, universal taxonomic scheme for all viruses infecting animals (vertebrate, invertebrates, and protozoa), plants (higher plants and algae), fungi, bacteria, and archaea. The current report builds on the accumulated taxonomic construction of the eight previous reports dating back to 1971 and records the proceedings of the Committee since publication of the last report in 2005. Representing the work of more than 500 virologists worldwide, this report is the authoritative reference for virus organization, distinction, and structure.

## **Genghis Khan and the Making of the Modern World**

Stephen King's apocalyptic vision of a world blasted by plague and tangled in an elemental struggle between good and evil remains as riveting—eerily plausible—as when it was first published. The New York Times called it "the book that has everything. Adventure. Romance. Prophecy. Allegory. Satire. Fantasy. Realism. Apocalypse. Great!" Soon to be a limited series on CBS All Access A patient escapes from a biological testing facility, unknowingly carrying a deadly weapon: a mutated strain of super-flu that will wipe out 99 percent of the world's population within a few weeks. Those who remain are scared, bewildered, and in need of a leader. Two emerge—Mother Abigail, the benevolent 108-year-old woman who urges them to build a peaceful community in Boulder, Colorado; and Randall Flagg, the nefarious "Dark Man," who delights in chaos and violence. As the dark man and the peaceful woman gather power, the survivors will have to choose between them—and ultimately decide the fate of all humanity. (This edition includes all of the new and restored material first published in The Stand: The Complete And Uncut Edition.)

## **Western Civilization: Volume II: Since 1500**

Sources of the West is a collection of excerpts from primary source documents designed to supplement textbooks and lectures in the teaching of Western Civilization. These documents are the source material historians use to construct their accounts and interpretations of history. As they examine these source materials, students learn to think historically - to examine the ideas of others, to understand past experiences on others' terms, to recognize other points of view.

## **A History of Western Music**

This world history text provides a comprehensive overview of ancient history from Creation through the 1620s, from a Christian perspective. Extensive vocabulary questions and suggested projects are listed throughout the text. The text is beautifully illustrated and contains numerous high-quality maps in two-color. Grade 9.

## **Western Civilization: A Brief History**

[This book] examines the Western tradition - those unique patterns of thought and systems of values that constitute the Western heritage. While focusing on key ideas and broad themes, the text also provides a balanced treatment of economic, political, and social history for students in Western civilization courses. The text is written with the conviction that history is not a meaningless tale. Without a knowledge of history, men and women cannot fully know themselves, for all human beings have been shaped by institutions and values inherited from the past. -Pref.
