Though many of their names are lost to us forever, the record of their exploits for the sake of the Kingdom are engraved in the eternal and living chronicles of heaven. They represent the hues and colors of Gods rainbow and are present in the history of every denomination, faith and religion. Women have dug out churches, cleaned them, closed them and built them. They were visionaries, ground-breakers, pathfinders, the bridges

that brought us over, trend-setters, armor-bearers, leaders, agents for change and disciples. They cooked, cried, sang, marched, testified, organized, did the holy dance, counseled, and prayed while everybody else slept. They carried the "work" on their bare knuckles, tear drops, hips, lips and hearts. In the pages of this delightful book filled with powerful scriptural revelation, candor, insight and instruction, Elaine Rose Penn delivers a challenge to women called to the gospel ministry to be true to their femininity, and adhere to a high standard of excellence and accountability in the conduct of their service to Christ.

The Book is about Nigeria's socio-economic and political problems from whence Nigeria attained independence to date. I use parody to get my point across to make the message sink in very well, especially lampooning the Nigerian elite who are solely responsible for the socio-economic and political mess that Nigeria is currently undergoing. It is a radical departure from the way most Nigerians writers write about Nigeria or on Nigeria in that there is no holding back in putting blame where blame should be placed.

"preeminent historian of the American musical" (New York Times), he "brings boundless energy and enthusiasm buttressed by an arsenal of smart anecdotes" (Wall Street Journal). Now Mordden offers an entirely fresh and infectiously delightful history of American musical theatre. *Anything Goes* stages a grand revue of the musical from the 1700s through to the present day, narrated in Mordden's famously witty, scholarly, and conversational style. He places us in a bare rehearsal room as the cast of *Oklahoma!* changes history by psychoanalyzing the plot in the greatest of the musical's many Dream Ballets. And he gives us tickets for orchestra seats on opening night—raising the curtain on the pleasures of Victor Herbert's *The Red Mill* and the thrill of *Porgy and Bess*. Mordden examines the music, of course, but also more neglected elements. Dance was once considered as crucial as song; he follows it from the nineteenth century's zany hoofing to tap "combinations" of the 1920s, from the injection of ballet and modern dance in the 1930s and '40s to the innovations of Bob Fosse. He also explores the changing structure of musical comedy and operetta, and the evolution of the role of the star. Fred Stone, the avuncular Scarecrow in the *Wizard of Oz*, seldom varied his acting from part to part; but the versatile Ethel Merman turned the headlining role inside out in *Gypsy*, playing a character who was selfish, fierce, and destructive. From "ballad opera" to burlesque, from *Fiddler on the Roof* to *Rent*, the history and lore of the musical unfolds here in a performance worthy of a standing ovation.

"The papers in this collection reflect on the various social effects of native title. In particular, the authors consider the ways in which the implementation of the Native Title Act 1993 (Cwlth), and the native title process for which this Act legislates, allow for the recognition and translation of Aboriginal law and custom, and facilitate particular kinds of coexistence between Aboriginal title holders and other Australians. In so doing, the authors seek to extend the debate on native title beyond questions of practice and towards an improved understanding of the effects of native title on the social lives of Indigenous Australians and on Australian society more generally"--Publisher's description.
