Good Night Stories for Rebel Girls

This volume presents a unique, research-based approach to treating the prevalent, distressing, yet highly treatable problem of separation anxiety. The authors provide step-by-step guidelines for planning and implementing the entire process of therapy with children, adolescents, and their families--from intake and assessment through coping skills training, cognitive-behavioral interventions, and relapse prevention. Comprehensive case examples illustrate the complexities of building strong relationships with families under stress and effectively intervening with 3- to 17-year-olds across multiple situations (day and night) and settings (home, extracurricular, school, and camp). The book is written for maximum accessibility for clinicians from any background, even those with limited cognitive-behavioral therapy experience.

Separation Anxiety in Children and Adolescents

La Gran Fiesta de Los Olores

NEW YORK TIMES BESTSELLER AUSTRALIAN BOOK INDUSTRY AWARD FOR INTERNATIONAL BOOK OF THE YEAR The New York Times bestselling Good Night Stories for Rebel Girls is a children's book packed with 100 bedtime stories about the life

of 100 extraordinary women from the past and the present, illustrated by 60 female artists from all over the world. In Good Night Stories for Rebel Girls, each woman's story is written in the style of a fairy tale. Each story has a full-page, full-color portrait that captures the spirit of the portrayed hero.

How to Build Self-Discipline

Chocolate, papaya, corn, and potatoes - these are only a taste of the many delicious foods native to the Americas and celebrated in this delightful collection. Imaginative, evocative poems and exuberant illustrations introduce 14 different indigenous foods, along with a descriptive paragraph of information for each.

Designing and Implementing Two-Way Bilingual Programs

!-[if gte mso 9] 800x600 ![endif]-- New York Times bestseller Boys can be anything they want to be! This timely book joins and expands the gender-role conversation and gives middle-grade boys a welcome alternative message: that masculinity can mean many things. You won't find any stories of slaying dragons or saving princesses here. In Stories for Boys Who Dare to Be Different, author Ben Brooks-with the help of Quinton Winton's striking full-color illustrations-offers a welcome alternative narrative: one that celebrates introverts and innovators, sensitivity and resilience, individuality and expression. It's an accessible compilation of 75 famous and not-so-famous men from the past to the present day, every single one of them a rule-breaker and stereotype-smasher in his own way. Entries include Frank Ocean, Salvador Dali, Beethoven, Barack Obama, Ai Weiwei, Jesse Owens, and so many more-heroes from all walks of life and from all over the world.

El mágico libro de los infinitos cuentos

Introduces the science of sounds, including volume, pitch, echoes, and eardrums, along with hands-on activities to demonstrate concepts.

Cuando Yo Sea Grande—When I Grow Up

This indispensable handbook includes professional development plans that meet the specific needs of dual-language programs, strategies for building learning communities for dual-language teachers, and tips for involving parents.

Stories for Boys Who Dare to Be Different

From the award-winning creators of Goodnight Already!, Come Home Already!, and All Right Already! Bear can't wait to spend a pleasant day by himself. But his persistent next-door neighbor, Duck, wants to take a morning stroll . . . with Bear. He just wants Bear to like him already. . . Jory John, author of Penguin Problems and The Bad Seed, and Benji Davies, creator of The Storm Whale, join together again to bring us this standout hilarious story of unrequited admiration that will leave children laughing at every page. Perfect for Valentine's Day or any story time!

The Dragon Slayer

How does the home culture of Latino immigrant students differ from the "mainstream" culture of U.S. schools? Why is it important for teachers to understand the differences? How can educators take advantage of students' cultural traits to improve classroom management, student performance, and school-parent relations? Carrie Rothstein-Fisch and Elise Trumbull answer these and many other questions by drawing on the experience and collective wisdom of teachers in the Bridging Cultures Project, a five-year action research study of elementary classrooms with high percentages of immigrant students. The authors present a simple framework for understanding cultural differences, comparing the "individualistic" culture that prevails in American education with the "collectivistic" culture that characterizes most of the world's population, including many of the Latino immigrant students in U.S. classrooms. At the heart of the book are teacher-developed strategies that capitalize on the cultural values that these students and their families offer, such as an emphasis on helping, sharing, and the success of the group. The strategies cover a wide spectrum of issues and concerns, including * Communication with families * Open house and parent-teacher conferences * Homework * Attendance * Learning in the content areas * Motivation and rewards * Classroom rules * Assessment and grading

Managing Diverse Classrooms: How to Build on Students' Cultural Strengths presents both the research foundation and the practical perspectives of seasoned teachers whose classroom-tested approaches have produced positive results. With this valuable guide in hand, readers will have the insights and strategies they need to turn educational challenges into educational opportunities.

Little Skeletons/ Esqueletitos

Preorder REAPER: GHOST TARGET now, Nick Irving's debut thriller that Brad Thor calls "one hell of a read"! The Instant New York Times Bestseller by Co-Star of Fox's American Grit and Legendary Ranger Nick Irving Groundbreaking, thrilling and revealing, The Reaper is the astonishing memoir of Special Operations Direct Action Sniper Nicholas Irving, the 3rd Ranger Battalion's deadliest sniper with 33 confirmed kills, though his remarkable career total, including probables, is unknown. Irving shares the true story of his extraordinary military career, including his deployment to Afghanistan in the summer of 2009, when he set another record, this time for enemy kills on a single deployment. His teammates and chain of command labeled him "The Reaper," and his actions on the battlefield became the stuff of legend, culminating in an extraordinary

face-off against an enemy sniper known simply as The Chechnian. Irving's astonishing first-person account of his development into an expert assassin offers a fascinating and extremely rare view of special operations combat missions through the eyes of a Ranger sniper during the Global War on Terrorism. From the brotherhood and sacrifice of teammates in battle to the cold reality of taking a life to protect another, no other book dives so deep inside the life of an Army sniper on point.

Colorín colorado-- este cuento no ha acabado

Seventeen-year-old unemployed Matt kidnaps his newborn son, Luke, after his girlfriend tries to give him up for adoption, and struggles to support him and seek custody with the help of his grandmother.

I Love You Already!

A young girl finds each day filled with astonishing opportunities to learn from her different family members, and she reciprocates by passing along those new skills to younger family and friends. *Cuando Yo Sea Grande* When I Grow Up, a bilingual pattern book by author Virginia L. Crdenas, illustrates the power of the extended Latino family as a curious and hardworking little girl learns countless lessons, including the love of books from her mother, the thrill of riding a bicycle without training wheels from her father, and how to make her grandmothers delicious empanadas from her abuela. Each family member helps the little girl by teaching her new lessons, new skills, and old traditions. By watching, listening, and learning lifelong lessons that are passed from one generation to another, she embraces the opportunity to learn and to teach. *Cuando Yo Sea Grande* When I Grow Up offers a tool for parents and teachers who want to teach languages, culture, and the power of learning from others.

Winner of the 2019 Newbery Medal Thoughtful, strong-willed sixth-grader Merci Suarez navigates difficult changes with friends, family, and everyone in between in a resonant new novel from Meg Medina. Merci Suarez knew that sixth grade would be different, but she had no idea just how different. For starters, Merci has never been like the other kids at her private school in Florida, because she and her older brother, Roli, are scholarship students. They don't have a big house or a fancy boat, and they have to do extra community service to make up for their free tuition. So when bossy Edna Santos sets her sights on the new boy who happens to be Merci's school-assigned Sunshine Buddy, Merci becomes the target of Edna's jealousy. Things aren't going well at home, either: Merci's grandfather and most trusted ally, Lolo, has been acting strangely lately — forgetting important things, falling from his bike, and getting angry over nothing. No one in her family

will tell Merci what's going on, so she's left to her own worries, while also feeling all on her own at school. In a coming-of-age tale full of humor and wisdom, award-winning author Meg Medina gets to the heart of the confusion and constant change that defines middle school — and the steadfast connection that defines family.

Managing Diverse Classrooms

A bilingual portrait of the "Queen of Salsa" describes her childhood in Cuba, her musical career, and her move to the United States, and explains how her music brought her native Cuba to the world.

How to Develop Self-Discipline, Resist Temptations and Reach Your Long-Term Goals If you want to make positive changes in your life and achieve your long-term goals, I can't think of a better way to do it than to learn how to become more self-disciplined. Science has figured out a lot of interesting aspects of self-discipline and willpower, but most of this knowledge is buried deep inside long and boring scientific papers. If you'd like to benefit from these studies without actually reading them, this book is for you. I've done the job for you and researched the most useful and viable scientific findings that will help you improve your self-discipline. Here are just a couple things you will learn from the book: - what a bank robber with lemon juice on his face can teach you about self-control. The story will make you laugh out loud, but its implications will

make you think twice about your ability to control your urges. - how \$50 chocolate bars can motivate you to keep going when faced with an overwhelming temptation to give in. - why President Obama wears only gray and blue suits and what it has to do with self-control (it's also a possible reason why the poor stay poor). - why the popular way of visualization can actually prevent you from reaching your goals and destroy your self-control (and what to do instead). - what dopamine is and why it's crucial to understand its role to break your bad habits and form good ones. - 5 practical ways to train your self-discipline. Discover some of the most important techniques to increase your self-control and become better at resisting instant gratification. - why the status quo bias will threaten your goals and what to do to reduce its effect on your resolutions. - why extreme diets help people achieve long-term results, and how to apply these findings in your own life. - why and when indulging yourself can actually help you build your self-discipline. Yes, you can stuff yourself (from time to time) and still lose weight. Instead of sharing with you the detailed "why" (with confusing and boring descriptions of studies), I will share with you the "how" - advice that will change your life if you decide to follow it. You too can master the art of self-discipline and learn how to resist temptations. Your long term goals are worth it. Scroll up and buy the book now. As a gift for buying my book, you'll get my another book, "Grit: How to Keep Going When You Want to Give Up." Keywords: Develop self discipline, willpower and self discipline, self-discipline, self control books, stress, reach your goals, self-control, achieve your goals, instant gratification, long term goals, goal setting success, goal setting books, how to reach your goals, how to achieve your goals, persistence, how not to give up, stick to a diet, stay motivated, build habits, delayed gratification, personal development

Book Fiesta!

Jealous of the sun, the moon decides to create her own fiesta and celebrates a bit too much.

Gallo de Bodas

Español para Pequeñines 2

Doña Flor is a giant woman who lives in a puebla with lots of families. She loves her neighbors—she lets the children use her flowers for trumpets, and the families use her leftover tortillas for rafts. So when a huge puma is terrifying the village, of course Flor is the one to investigate. Featuring Spanish words and phrases throughout, as well as a glossary, Pat Mora's story, along with Raúl Colón's glorious artwork, makes this a treat for any reader, tall or small. Award-winning author Pat

Mora's previous book with Raúl Colón, Tomás and the Library Lady, received the Tomás Rivera Mexican American Children's Book Award, an IRA Teacher's Choice Award, a Skipping Stones Award, and was also named a Texas Bluebonnet Award Master List title and an Americas Award for Children's and Young Adult Literature commended title. She lives in Santa Fe, New Mexico.

Investigaciones sobre el inicio de la lectoescritura en edades tempranas

"sigue siendo la misma extraordinaria historia que nos habla de la vida, de los miedos escondidos que nos paralizan y del deseo de ser libres. De la importancia de conocerse a uno mismo, de indagar en el pasado, de entender quiénes somos y de dónde venimos para saber así a dónde vamos. Un mágico cuento que nos habla de los finales y los eternos comienzos de la vida. De todas las posibilidades, de todos los principios y de todos los finales. Pero más allá , nos hace redescubrir la importancia que tiene vivir la vida hasta el final!" -- Reverso de cubierta.

Cuentos que enseñan a vivir

Recoge el análisis de datos de la investigación "El inicio de la lectoescritura en edades tempranas", así como las intervenciones y el desarrollo del Congreso Internacional: "El inicio de la lectoescritura en Educación Infantil".

Dona Flor

In this cumulative Cuban folktale, a bossy rooster dirties his beak when he eats a kernel of corn and must find a way to clean it before his parrot uncle's wedding. Includes a glossary of Spanish words and information about the different birds in the story.

Passion India

Companion book to both Messages and Answers, The Orion Regressions is a full transcription of the large amount of information brought through from the Orion called "Grandpa" during Stan Romanek's hypnosis sessions with Dr. Leo Sprinkle. So much information came forth regarding the relationship of humanity with the Orions and a race of beings not even the Orions could comprehend, that readers can finally get a window on a future that the Orions tell us will destroy us or transform us. We have to decide. And this book tells us how.

Lola has a big smile on her face. Why? Because it's Tuesday--and on Tuesdays, Lola and her mommy go to the library. Join Lola in this cozy celebration of books and the people who love them.

Merci Suárez Changes Gears

Partiendo de su experiencia educativa, los autores convencidos del valor de la palabra como herramienta para llegar al mundo emocional de los niños, desarrollan unos planteamientos narrativos que tienen en cuenta tanto la problemática de los pequeños como sus diferentes niveles psicoevolutivos. El cuento despierta en los niños la curiosidad, motiva el aprendizaje, estimula la imaginación y permite comprender los sentimientos propios y los de los demás. Los temas de los cuentos se sitúan en diferentes ámbitos culturales: los indios de Norteamérica, los pueblos africanos y del extremo Oriente, posibilitando el conocimiento de otras culturas. La narración puede hacerse en el ámbito escolar o familiar, en actividades extraescolares, campamentos, casa de acogida, etc. En cada cuento se describe su desarrollo proponiendo pautas para el narrador, ambientación, música, actividades de refuerzo, etc.

My Name Is Maria Isabel

Novel based on the diaries of Anita Delgado, 1890-1962, the late princess of Kapurthala.

The Orion Regressions

The Handbook of Spanish-English Translation is a lively and accessible book for students interested in translation studies and Spanish. This book details the growth of translation studies from Cicero to postcolonial interpretations of translation as rewriting. It examines through examples the main issues involved in translation and interpretation, such as text types, register, interference, equivalence, and untranslatability. The chapters on interpretation and audiovisual translation and the comparative analysis of Spanish and English are especially significant. The second part of the book offers a rich compilation of diverse Spanish and English texts (academic, literary, and government writings, comic strips, brochures, movie scripts, and newspapers) and their published translations, each with a brief introduction by Professor Aranda.

Apocalypse Next Tuesday

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, Narcoland has been a publishing and political sensation in Mexico. The definitive history of the drug cartels,

Narcoland takes readers to the front lines of the “war on drugs,” which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico’s government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, “Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels.” From the Hardcover edition.

Ciclo Formativo Grado Superior Education Infantil

Presents a bilingual version of a traditional Latin American song about skeletons rising from the grave on each hour, with art inspired by the famous Mexican "calavera" woodcut prints and clock hands to move to agree with the song.

Y colorin colorado este cuento aun no se ha acabado/ And colorin colorado this story is not over yet

Español para Pequeñines 3 is all you need to start introducing Young Toddlers to the Spanish language in a fun and natural way. This complete curriculum guide constitutes the third Unit on the Español para Pequeñines Curriculum. It exposes young toddlers and their parents to the target language and introduces them to basic vocabulary, expressions and structures related to the weather and the four seasons and the changes we perceive in nature during the Spring season. Yum! MmMm! Que Rico!

A third grader realizes the importance of her name in this classic story of heritage and self-identity. For María Isabel Salazar López, the hardest thing about being the new girl in school is that the teacher doesn't call her by her real name. "We already have two Marías in this class," says her teacher. "Why don't we call you Mary instead?" But María Isabel has been named for her Papá's mother and for Chabela, her beloved Puerto Rican grandmother. Can she find a way to make her teacher see that if she loses her name, she's lost the most important part of herself?

Narcoland

The course of true love never runs smoothly, especially when the Apocalypse gets in the way—a hilarious rom-com, Bridget Jones meets Life of Brian When 30-something Marie jilts her boring boyfriend at the altar she wonders if life can get any worse. So when a handsome carpenter comes to work on the roof, she realizes she has nothing to lose by asking him out. Even his bizarre assertions that he is Jesus isn't enough to put Marie off—her biological clock is ticking, and it's time to settle down. Meanwhile, Satan (a dead ringer for George Clooney) is on the prowl, recruiting horsemen for next week's Armageddon, scheduled for Tuesday, and Archangel Gabriel has discovered the pleasures of the flesh and is off on a sex marathon. Things are looking grim. Fortunately, Marie is dating the son of God—maybe, just maybe, he can get things straightened out. Provocative and blasphemous (with added pizza), this is a wonderfully light, witty book full of surprises.

Me Llamo Celia

"A collection of three Latin American folktales retold in graphic novel form"--

Tales Our Abuelitas Told

The story of little Epaminondas who, no matter how he tried, always did everything wrong.

The Reaper

Y colorín colorado este cuento aún no se ha acabado se editó por primera vez en el año 2001 y desde entonces ha sido leído, releído, regalado, prestado y recomendado por lectores de todas las edades, géneros, religiones, preferencias y nacionalidades. A menos de dos años de su publicación se convirtió en bestseller nacional, pero ha vivido una historia atípica, brincando de la impasibilidad al lanzamiento humilde, al lanzamiento en grande, al destierro y al renacimiento. Ha pasado de casa en casa, de mano en mano, de corazón en corazón. Se ha convertido en uno de los libros más regalados, más vendidos y más recetados por amigos, maestros, familiares y terapeutas. Para muchos es un libro de cabecera. Ha

cambiado de editorial, de portada, de color y de presentación y, ahora, con esta edición, celebra su decimoquinto aniversario. Y colorín colorado este cuento aún no se ha acabado es una extraordinaria historia que sigue vigente a pesar de los años. Nos habla de los miedos escondidos que nos paralizan, del deseo que tenemos de ser libres, de la importancia de conocernos a nosotros mismos y de entender quiénes somos y de dónde venimos para saber a dónde vamos. El contenido de este libro es a colores, lo recomendable es leerlo en un dispositivo que acepte dichas características.
